Embracing The Exile Healing Journeys Of Gay Christians:

Embracing the Exile John E. Fortunato,1982 *Embracing the Exile* John E. Fortunato,1982 Pastoral psychotherapy by president of Integrity International Misha Schutt Queering Christian Worship Bryan Cones,2023-11-21 A groundbreaking collection of writings that place queer ritual at the center of the theological conversation In this collection of essays leading scholars in queer theology and liturgical studies explore the ways in which the distinctive theological voices of LGBTQIA Christians challenge and expand thinking and practice around worship in new directions This challenge has expanded in the past decades as obstacles to the full participation of queer Christians particularly in marriage and ordination have fallen Organized into three main parts the volume begins with an introduction to queer engagement with ritual practices continues with a series of case studies that examine queer texts and contexts and concludes with an examination of the horizons of queer liturgical theology and practice Throughout the volume *Queering Christian Worship* provides new imagination and tools to those who study and curate Christian worship across traditions *The Care of Men* Christie Cozad Neuger,James Newton Poling,2011-12-01 Men in our culture are experiencing various crises to which pastors and pastoral caregivers are called to respond These crises include changing role definitions and gender expectations as well as diminishing economic opportunities In light of these crises men need new foundations for self esteem and identity and new support for changing With their different experiences and specialties the contributors to *The Care of Men* examine some crises and provide helpful ideas for caregivers in diverse situations with diverse populations of men **Christian Mysticism's Queer Flame** Michael Bernard Kelly,2018-09-03 Is the Christian mystical tradition a relic of another time shaped by celibates for celibates unable to engage meaningfully with people of our time who embrace their corporeality and sexuality as crucial aspects of their journey towards union with God This book reflects in serious theological depth and detail on the spiritual and sexual journeys of gay men of mature and committed Christian faith employing the Christian mystical tradition as the lens and the interlocutor in this process This study examines the major themes and stages of the mystical tradition as outlined by Evelyn Underhill but also including more recent work by Ruth Burrows Thomas Merton and Constance Fitzgerald Using methods of qualitative research it then considers the texts of in depth interviews conducted with men most of whom are theologians or spiritual leaders with a deep Catholic faith and all of whom are openly self affirmingly gay Finally it employs Ricoeur s hermeneutical theory to engage in a creative theological conversation between the traditional mystical stages and themes and these men s lives as described in their interviews This is a unique study that brings together ancient spirituality with contemporary lived religion As such it will be of interest to scholars of religious studies theology Christian mysticism and spirituality and queer studies It will be of particular interest to those teach spiritual direction and to all who seek new ways to engage with the spiritual lives of LGBTIQ people **A Thorn in the Flesh** Caroline J. Addington Hall,2013-03-22 With the vote to bless same sex marriages the Episcopal Church becomes the largest

U S denomination to officially sanction same sex relationships Homosexuality has become a flashpoint at the intersection of religion family and politics A Thorn in the Flesh How Gay Sexuality is Changing the Episcopal Church tells the story of how homosexuality has been used to further conservative political agendas both here and abroad It describes how African and Asian churches have been drawn into a conflict that began in the United States in the Episcopal Church and raises vital questions of whether people with different understandings of authority and truth can live in harmony This provocative book is not a history of the movement for gay inclusion nor a history of the movement for a new conservative Anglican church in the Americas Instead it is a comparison of the conservative and the liberal parts of the church There are those such as the Church of England who have conservative theological orientation and are most likely to oppose fully including gays and lesbians in the church Hall also explores the rapid changes that have happened in Western society in the past fifty years that have led to the acceptance of same sex marriage and homosexuality This change has not come easily and even after nearly four decades gay marriage remains a politically divisive issue in the United States and England

Reclaiming Men's Spirituality Christopher Felix Bezzina, 2024-02-16 Reclaiming Men's Spirituality is a study that investigates men's spirituality by exploring three research questions Can a form of spirituality about men be identified and described how can this spirituality be examined and what is it that needs to be reclaimed To answer these questions and at the same time remain committed to the importance of lived experience this study opted to investigate the lives of men by attending to ten spiritual histories The study is situated in Malta and the ten spiritual histories provide access to various features expressions and contours that relate closely to men's being Semi structured interviews were also conducted with ten spiritual directors who have men as spiritual directees Their contribution clarifies the structure of men's spirituality the effort required when directing male spiritual directees and the impact generated in the lives of men thanks to spiritual direction To provide a frame of reference for the examination of all the gathered data John of the Cross's spiritual framework has been chosen as the mystical instrument against which men's spiritualities are studied leading to richer insights into the operations motives goals and problems of such spiritualities

Defying the Darkness J. Michael Clark, 2010-01-01 Clark's work is original in that he has inserted himself precisely as a gay scholar in the midst of an ongoing conversation far larger than that of the gay world including ecofeminism Judaism and Native American and shows especially how queer theory and ecofeminism can illuminate each other Richard L Smith author of AIDS Gays and the American Catholic Church The Pilgrim Press

Clinical Handbook of Pastoral Counseling Robert J. Wicks, Richard D. Parsons, Donald Capps, 1993 Vol 2 Richard J Wicks and Richard D Parsons editors Vol 2 3 lack edition statement Includes bibliographical references and indexes

Encyclopedia of Homosexuality Wayne R. Dynes, 2016-03-22 First published in 1990 The Encyclopedia of Homosexuality brings together a collection of outstanding articles that were at the time of this book's original publication classic pioneering and recent Together the two volumes provide scholarship on male and female homosexuality and bisexuality and reaching beyond

questions of physical sexuality they examine the effects of homophilia and homophobia on literature art religion science law philosophy society and history Many of the writings were considered to be controversial and often contradictory at that time and refer to issues and difficulties that still exist today This volume contains entries from A L **Doing the Work of Love** John Michael Clark,1999 Clark s critique of the objectification that occurs in the sexual delivery system in the gay male subculture and his description of his and his partner s emergence from that subculture into a committed ongoing day to day relationship contribute significantly to the literature that is stretching toward new ways of creating more just and satisfying intimate relationships outside of sexist and heterosexual consciousness Stephen B Boyd Wake Forest University A Special Illumination Rollan McCleary,2017-07-28 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion

Gays and Grays Donal Godfrey,2007-07-20 Gays and Grays tells the story of a unique Catholic parish Most Holy Redeemer Parish in San Francisco is in the center of the world s first gay neighborhood The Castro This parish was the center of the hostility to the arriving gay population in the 1970s but paradoxically was itself transformed into a welcoming parish The old time parishioners the gray bonded with the new comers the gay particularly in a joint compassionate response to the crisis of AIDS A charismatic pastor FR Tony McGuire also played a key role in the transformation of this interesting parish Most Holy Redeemer was changed from a dying parish to a vital place where gay and straight people together created something new Father Donal Godfrey shows how this parish became prophetic and compassionate through conflict and compromise at times despite opposition from many sources including the institutionalized homophobia of the church and society Rather than becoming embittered the parish opened up to be a place of healing and indeed sanctuary for many This book tells this fascinating story and why it is significant beyond the scope of San Francisco Most Holy Redeemer is a place which has remained within the institution while at the same time challenging it with grace and humor This accessible and moving book is appropriate for all levels of students of congregational studies Sociology of Religion Gay or Queer Studies and Religion courses Moral Combat R. Marie Griffith,2017-12-12 From an esteemed scholar of American religion and sexuality a sweeping account of the century of religious conflict that produced our culture wars Gay marriage transgender rights birth control sex is at the heart of many of the most divisive political issues of our age The origins of these conflicts historian R Marie Griffith argues lie in sharp disagreements that emerged among American Christians a century ago From the 1920s onward a once solid Christian consensus regarding gender roles and sexual morality began to crumble as liberal

Protestants sparred with fundamentalists and Catholics over questions of obscenity sex education and abortion Both those who advocated for greater openness in sexual matters and those who resisted new sexual norms turned to politics to pursue their moral visions for the nation *Moral Combat* is a history of how the Christian consensus on sex unraveled and how this unraveling has made our political battles over sex so ferocious and so intractable *Tending the Flock* K. Brynolf Lyon, Archie Smith, 1998-01-01 Many churches are unprepared to face the challenges inherent in family life today Others though have developed innovative and exciting responses In this book case studies provide insights and strategies to help develop a practical theological perspective on family ministry This new perspective represents a fresh and powerful witness to the place of families within contemporary communities of faith The Family Culture and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family's revitalization *In the Eye of the Storm* V. Gene Robinson, 2008 In 2003 Gene Robinson was elected as the Bishop of New Hampshire the first openly gay man to be called to serve in such a position Clearly beloved in his diocese and chosen from a wide selection of candidates the election was entirely proper and the result clear cut yet it sparked a hurricane storm of controversy that has polarised religious opinion on five continents and still rages five years on Here Gene Robinson reflects on his journey of faith his life experiences the concerns that matter most to him as a bishop and the controversy that has rocked the church he loves and to which he is committed ***Integrating Spirituality into Multicultural Counseling*** Mary A. Fukuyama, Todd D. Sevig, 1999-07-28 Fukuyama and Sevig have compiled a significant volume that underscores the importance of counselors addressing clients spiritual values and experiences in the context of providing culturally competent services One of the primary strengths of this book is that it is reader friendly as the authors are quite skillful in blending scholarly and personal perspectives throughout I would highly recommend this book to counselors supervisors academicians researchers and students who wish to expand their understanding of the impact of spiritual issues in the lives of culturally diverse clients Madonna G Constantine Columbia University Finally A book that examines the interface between spirituality and multiculturalism Mary Fukuyama and Todd Sevig have created a timely masterpiece that provides a holistic view of multiculturalism one that integrates spirituality into its fabric The authors appropriately cover less known spiritual paths such as Native American and Afrocentric perspectives The chapter on developmental models of the spiritual journey is especially useful to counselors and other helping professionals The authors also tackle the challenging question of positive and negative expressions of spirituality The self awareness questions in each chapter prompt readers to examine their own spiritual and multicultural experiences and beliefs Numerous case examples stimulate helping professionals to grapple with realistic and multifaceted issues that their clients face The integration of materials from diverse spiritual and multicultural perspectives makes this book a unique reference for anyone who is interested in this topic As Fukuyama and Sevig note spirituality is highly subjective and dynamic their goal is to identify and explore good questions rather than propose definitive

answers The authors have succeeded in their goal I highly recommend their book to counselors and all helping professionals for all counseling is multicultural and spirituality is an essential component of the human experience Pamela Highlen Ohio State University In today s world multicultural contact and the search for meaning go hand in hand This book provides an overview of spiritual and multicultural processes that will challenge and energize professionals who desire to engage in the complexities of the postmodern world The authors propose that integrating spiritual values into multicultural learning and exploring spirituality from multicultural perspectives are synergistic and mutually reciprocal processes Chapter topics include understanding multicultural worldviews and developmental models of the spiritual journey integrating spiritual and multicultural competencies clarifying healthy and unhealthy expressions of spirituality exploring spiritual issues expressed through pain and loss as well as needs for power and creativity Understanding counseling process issues including ethical concerns and integrating spiritual interventions into one s own counseling style

Homosexuality and Religion Richard L. Hasbany, 2013-12-19 Here is a comprehensive historical overview of the recent discussion in the Judeo Christian religions regarding homosexuality Breaking new ground in the scholarship about Judeo Christian religion and homosexuality this wide ranging volume features insightful new perspectives on the relationship between the church and homosexuals Aimed at scholars religious professionals counselors and therapists *Homosexuality and Religion* provides valuable information on both historical and contemporary religious thought and life and homosexuality Some of the provocative topics include gay and lesbian clergy psychological pastoral counseling for lesbians and gay men and the church and homophobia

Spirituality Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality

Freedom Glorious Freedom John J. McNeill, 2009 In *Freedom Glorious Freedom* acclaimed author John J. McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self acceptance McNeill discusses freedom of conscience and discernment of spirits ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis The liberating process of coming out of the closet is seen as a spirit filled effort to achieve the glory of God by becoming fully alive McNeill offers a twelve step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in

its fullness The epilogue expresses in detail a philosophical vision looking both to the past and to the future of how gay liberation fits into the Spirit directed evolution of human history and its role in the ongoing struggle for human liberation For more than thirty five years John J McNeill an ordained priest and psychotherapist has been devoting his life to spreading the good news of God s love for lesbian and gay Christians
