Embracing The World Praying For Justice And Peace:

Embracing the World Jane Vennard, 2002-12-30 *Embracing the World* is your guide to finding a deeper relationship with God through prayer and to seeing how your prayers can contribute to healing the world. Author Jane E Vennard helps you understand how to best use your spiritual gifts and graces to serve God as well as the cause of peace and social justice here on earth. *Embracing the World* reveals the twofold nature of prayer as both contemplation and action. Vennard explains that prayer is a cycle where prayer leads to service and service leads to reflection and back to God. Throughout the book she explores many different forms of outward reaching prayer and includes a wealth of vivid descriptions, helpful explanations, captivating stories and biblical and theological reflections. **Hopeful Realism in Urban Ministry** Barry K.

Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer, justice and hope? Could such a theologically conjunctive relationship of prayer, justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box? Frequently, justice is collapsed to charity, hope into wishful thinking or temporarily arrested despair, and prayer a grasp at quick fix interventions. An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad. Via three countries, decades of endeavors, one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions. Amid many seminal theologians are summoned to ground urban ministry intimations and implications: Niebuhr on justice, Moltmann on hope, and Merton on contemplative prayer. Evident is passion that fuels compassion in the service of justice, hope that engages despair, and prayer that draws from the contemplative center of it all. Thankful resources for long haul ministry: The triad presses to illumine a concrete ministry's engagement of relentless, forced options yet with significant networks resourcing. Contrast awareness animates endurance. The summary exegetes the original grace based serenity prayer. Hence, hope vitally balances realism's temptation to cynicism. Realism saves hope from irrelevancy. *Indispensable Guide to Pastoral Care*

Sharyl B. Peterson, 2008-03-01 What is pastoral care? Being present to others in a loving way, a relationship rooted beyond yourself and what you say and do in this relationship. Sound complicated. Sharyl B. Peterson recognizes that as students learn more about specific areas of facilitating pastoral conversations, making hospital visits and planning funerals, offering bereavement care and celebrating weddings and births, they also learn to draw connections to care and its theological foundations. *The Indispensable Guide to Pastoral Care* helps to link these elements by helping you to practice pastoral caregiving while you learn to explore various areas of care. **A Praying Congregation** Jane E. Vennard, 2005-06-30

Pastors and others who want to develop their skills as teachers of prayer and spiritual practices will find in this book not only wisdom for themselves but easily accessible lesson plans enabling them to share Vennard's insights with others while infusing the activities with their own spirit and creative ideas. Through this book, readers' hearts are made ready to explore the wonder of strengthening their relationship with God through prayer. **Dance--The Sacred Art** Cynthia
