it colorfully recaptures the experience of Renaissance life and reveals the importance of clothing to the aesthetics and every day culture of the period Historians Ulinka Rublack s and Maria Hayward s insightful commentaries create an unparalleled portrait of sixteenth century dress that is both strikingly modern and thorough in its description of a true Renaissance fashionista s wardrobe This first English translation also includes a bespoke pattern by TONY award winning costume designer and dress historian Jenny Tiramani from which readers can recreate one of Schwarz s most elaborate and politically significant outfits
