**Teaching Globally** Kathy Short, Deanna Day, Jean Schroeder, 2023-10-10 With the world visibly present in students' lives through technology, mass and social media, economic interdependency, and global mobility, it is more important than ever to develop curriculum that is intercultural. In *Teaching Globally: Reading the World Through Literature*, a community of educators show us how to use global children's literature to help students explore their own cultural identities. Edited by Kathy Short, Deanna Day, and Jean Schroeder, this book explains why global curriculum is important and how you can make space for it within district and state school mandates. *Teaching Globally* is built around a curriculum framework developed by Short and can help teachers integrate a global focus into existing literacy and social studies curricula, evaluate global resources, guide students as they investigate cross-cultural issues, and create classroom activities with an intercultural perspective. Filled with vignettes from K-8 urban, suburban, and rural schools that describe successes and struggles, *Teaching Globally* aims to integrate global literature into classrooms and challenge students to understand and accept those different from themselves. The book also includes extensive lists of recommendations, websites, professional books, and an appendix of global text sets as mentioned by the authors.

With an array of practical tips, model lessons, and resources, this book will inspire you to weave a holistic tapestry of teaching and learning that lets every child shine. You'll learn how to use culturally responsive teaching (CRT) not as an add-on but as a philosophy that infuses every aspect of the school day. Simple strategies for weaving the seven principles of CRT into all lessons and activities, including morning greetings, transition times, and group work. How to be more self-reflective to better appreciate and unlock students' unique gifts.

**Using RTI to Teach Literacy to Diverse Learners, K-8** Sheila Alber-Morgan, 2010-04-05 Practical intervention strategies for diverse learners who struggle with literacy. Covering reading and writing, this book shows K-8 teachers how to build the literacy skills of diverse learners in inclusive classrooms. The author discusses instruction and assessment within a Response to Intervention (RTI) framework and how to provide targeted support to students who may require special attention. The book offers specific literacy intervention strategies for each tier in a 3-tier RTI framework. Examples of assessments and graphic organizers. Brief case studies illustrating how the strategies can be used with students. A discussion on using thematic units to integrate reading and
