Abbey,2008-04-02 While the vast majority of providers never intend to commit fraud or file false claims complex procedures changing regulations and evolving technology make it nearly impossible to avoid billing errors For example if you play by HIPAA s rules a physician is a provider however Medicare requires that the same physician must be referred to as a supplier Even more troubling is the need to alter claims to meet specific requirements that may conflict with national standards Far from being a benign issue differing guidelines can lead to false claims with financial and even criminal implications Compliance for Coding Billing Reimbursement Second Edition A Systematic Approach to Developing a Comprehensive Program provides an organized way to deal with the complex coding billing and reimbursement CBR processes that seem to force providers to choose between being paid and being compliant Fully revised to account for recent changes and evolving terminology this unique and accessible resource covers statutorily based programs and contract based relationships as well as ways to efficiently handle those situations that do not involve formal relationships Based on 25 years of direct client consultation and drawing on teaching techniques developed in highly successful workshops Duane Abbey offers a logical approach to CBR compliance Designed to facilitate efficient reimbursements that don t run afoul of laws and regulations this resource Addresses the seven key elements promulgated by the OIG for any compliance program Discusses numerous types of compliance issues for all type of healthcare providers Offers access to online resources that provide continually updated information Cuts through the morass of terminology and acronyms with a comprehensive glossary Includes a CD ROM packed with regulations and information In addition to offering salient information illustrated by case studies Dr Abbey provides healthcare providers and administrators as well as consultants and attorneys with the mindset and attitude required to meet this very real challenge with savvy humor and perseverance      Emergency Department Compliance Manual, 2005 Edition Rusty McNew,AHL & C,Consulting Editor McNew,2005-07-26 Stay in compliance with complex emergency department regulations with Aspen Publisher s Emergency Department Compliance Manual 2005 Edition You ll find everything you need to stay in compliance including such topics as Legal compliance questions and answers Find the legal answers you need in secondsJoint Commission survey questions and answers Get inside guidance from colleagues who have been thereHospital accreditation standard analysis Learn about Joint Commission standards as they apply to the emergency departmentReference materials for emergency department compliance All the tools you need to comply with emergency department related regulations laws and accreditation standards      **Emergency Department Compliance Manual** Rusty Mcnew,2013-01-23 Emergency Department Compliance Manual 2013 Edition provideseverything you need to stay in compliance with complex emergency departmentregulations The list of questions helps you quickly locate specific guidance on difficultlegal areas such as Complying with COBRADealing with psychiatric patientsNegotiating consent requirementsObtaining reimbursement for ED servicesAvoiding employment law problemsEmergency Department

Compliance Manual also features first hand advice from staff members at hospitals that have recently navigated a Joint Commission survey and includes frank and detailed information. Organized by topic it allows you to readily compare the experiences of different hospitals. Because of the Joint Commission's hospital wide function based approach to evaluating compliance it's been difficult to know specifically what's expected of you in the ED. Emergency Department Compliance Manual includes a concise grid outlining the most recent Joint Commission standards which will help you learn what responsibilities you have for demonstrating compliance. Plus Emergency Department Compliance Manual includes sample documentation that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards. Age related competencies Patient assessment policies and procedures Consent forms Advance directives Policies and protocols Roles and responsibilities of ED staff Quality improvement tools Conscious sedation policies and procedures Triage referral and discharge policies and procedures And much more.
