Freedom's Promise Lisa Pietsch, 2025-10-16 When CIA operative Vince Hennessee is kidnapped by the Russian mafia his girlfriend and teammate Sarah Stevens will stop at nothing to get him back Sarah's transformation from overweight Air Force cop to lethal undercover agent is put to the ultimate test as she assembles an unofficial rescue team to bring Vince home With no government support and limited resources Sarah and her elite team of former special forces operators must track Vince to a heavily guarded compound in Saudi Arabia's Empty Quarter Going undercover as a local servant Sarah infiltrates the compound where Vince is being tortured by a sadistic guard As she gathers intelligence for a daring rescue attempt she makes an unexpected alliance with a family seeking their own vengeance against their Russian oppressors Time is running out as Russian crime boss Nikolai plans to execute Vince and escape into the desert Sarah and her team launch a high stakes assault deploying military grade weapons and their considerable skills in a desperate bid to save one of their own But even if they can extract Vince alive Sarah knows their unauthorized mission has made powerful enemies With the Russian mafia hunting them and their own government disavowing any knowledge of their operation Sarah's newfound confidence and lethal abilities will be tested as never before Freedom's Promise delivers heart pounding action sizzling romance and the unbreakable bonds of loyalty that define the best special operations teams If you enjoyed Jack Carr's *The Terminal List* Tom Clancy's *Without Remorse* and Vince Flynn's *Kill Shot* you'll love Freedom's Promise **The Making of a Radical** Scott Nearing, 2000 Scott Nearing lived one hundred years from 1883 to 1983 a life spanning most of the twentieth century In his early years Nearing made his name as a formidable opponent of child labor and military imperialism Having been fired from university jobs for his independence of mind Nearing became a freelance lecturer and writer traveling widely through Depression era and post war America to speak with eager audiences Five time Socialist candidate for president Eugene V Debs said Scott Nearing He is the greatest teacher in the United States Concluding that it would be better to be poor in the country than in New York City Scott and Helen Nearing moved north to Vermont in 1932 and commenced the experiment in self reliant living that would extend their fame far and wide They began to grow most of their own food and devised their famous scheme for allocating the day's hours one third for bread work livelihood one third for head work intellectual endeavors and one third for service to the world community Scott who'd grown up partly on his grandfather's Pennsylvania farm taught Helen who was raised in suburbia groomed for a career as a classical violinist the practical skills they would need working with tools cultivating a garden and managing a woodlot and building stone and

masonry walls For the rest of their lives the Nearings chronicled in detail their good life first in Vermont and ultimately on the coast of Maine in a group of wonderful books many of which are now being returned to print by Chelsea Green in cooperation with the Good Life Center an educational trust established at the Nearings Forest Farm in Harborside Maine to promote their ongoing legacy Back cover **Catholic World** ,1914 New Catholic World ,1914 The Good Life of Helen K. Nearing Margaret O. Killinger,2007 A lively biography of the famous homesteader and author Helen Knothe Nearing Loving and Leaving the Good Life Helen Nearing,1993-03-01 Helen and Scott Nearing authors of Living the Good Life and many other bestselling books lived together for 53 years until Scott s death at age 100 Loving and Leaving the Good Life is Helen s testimonial to their life together and to what they stood for self sufficiency generosity social justice and peace In 1932 after deciding it would be better to be poor in the country than in the city Helen and Scott moved from New York Ciy to Vermont Here they created their legendary homestead which they described in Living the Good Life How to Live Simply and Sanely in a Troubled World a book that has sold 250 000 copies and inspired thousands of young people to move back to the land The Nearings moved to Maine in 1953 where they continued their hard physical work as homesteaders and their intense intellectual work promoting social justice Thirty years later as Scott approached his 100th birthday he decided it was time to prepare for his death He stopped eating and six weeks later Helen held him and said goodbye Loving and Leaving the Good Life is a vivid self portrait of an independent committed and gifted woman It is also an eloquent statement of what it means to grow old and to face death quietly peacefully and in control At 88 Helen seems content to be nearing the end of her good life As she puts it To have partaken of and to have given love is the greatest of life s rewards There seems never an end to the loving that goes on forever and ever Loving and leaving are part of living Helen s death in 1995 at the age of 92 marks the end of an era Yet as Helen writes in her remarkable memoir When one door closes another opens As we search for a new understanding of the relationships between death and life this book provides profound insights into the question of how we age and die Industry-wide Collective Bargaining: Promise Or Menace? Colston Estey Warne,1949 Native Americans, The Mainline Church, and the Quest for Interracial Justice David Phillips Hansen,2017-01-03 The Native American drive for self governance is the most important civil rights struggle of our time a struggle too often covered up In Native Americans The Mainline Church and the Quest for Interracial Justice David Phillips Hansen lays out the church s role in helping America heal its bleeding wounds of systemic oppression While many believe the United States is a melting pot for all cultures Hansen asserts the longest war in human history is the one Anglo Christians have waged on Native Americans Using faith as a weapon against the darkness of injustice this book will change the way you view how we must solve the pressing problems of racism poverty environmental degradation and violence and it will remind you that faith can be the leaven of justice **The Nation** ,1918 **Journal of Proceedings, Board of Supervisors** San Francisco (Calif.).
