that it may appeal to a wider circle and may perhaps be of use to some of those many Brn in the masculine Craft who are seeking for a deeper interpretation of Masonic symbolism than is given in the majority of their Lodges C W Leadbeater 1854 1934 was an English clergyman and respected theosophical author Leadbeater is the author of the popular Freemasonry and Its Ancient Mystic Rites This is an indispensable work for the esoteric Mason Foreword by Annie Besant *The Path of Freemasonry* Mark Stavish,2021-09-28 Shares the history and meaning of Freemasonry and its symbols Offers thoughtful explorations of different areas of Masonic experience drawing on esoteric doctrines and paralleling them with experiences found in daily life Provides simple exercises and practices to help internalize and personalize the lessons presented including dreamwork journaling meditation and prayer In this practical guide Mark Stavish details the spiritual lessons and rituals of Freemasonry as a step by step path of spiritual development and self improvement for both Masons and non Masons men and women alike He explores the history and meaning of Freemasonry and its symbols from its origins in the Temple of Solomon to the Medieval craft guilds to the Renaissance and explains how the Craft promotes personal growth through the symbolic building of self and an inner Temple of Wisdom in much the same way that Masonry s rituals symbolize the building of Solomon s Temple in accordance with the mystical architectural instructions of Hiram Drawing on esoteric doctrines including the Qabala alchemy sacred geometry John Dee s angelic magic and the secrets of the Gothic cathedral builders each chapter addresses an area of the Masonic experience paralleling them with experiences each of us finds in our own lives The author provides simple practices to help internalize and personalize the lessons presented including dreamwork journaling meditation prayer and understanding sacred architecture The author also examines the crafting and use of the spiritual and symbolic tools of Freemasonry such as the trestle or tracing board and the Chamber of Reflection Providing the tools to make the Craft an initiatic experience of self improvement the author shows that ultimately the Masonic experience is the human quest for self realization and self expression so that we each may find our place in the Temple of Wisdom A Review of Free Masonry, and Christianity ...
