Freemasonry Unmasked:

Grand Orient Freemasonry Unmasked George F. Dillon, 1965 *Grand Orient Freemasonry Unmasked* George Dillon, 2021-12-08 This collection of talks by Msgr George Dillon is illuminating concise informative interesting and readable It shines the bright light of documented historical truth on some of the most shadowy and rumored societies of our times It is a necessary addition to the library of every serious student of history and current events **Grand Orient Freemasonry Unmasked** George F. Dillon, Monsignor George F Dillon DD, Brother Hermenegild, 2013-03-13 The original title of this book which was compiled from a series of lectures delivered in Edinburgh in October 1884 by Mgr Dillon was *The War of Antichrist with the Church and Christian Civilization* The author wrote it in order to do his part in carrying out the instruction given by the Sovereign Pontiff in the Encyclical *Humanum Genus* when he called upon the pastors of souls to whom it was addressed to instruct the people as to the artifices used by societies of this kind in seducing men and enticing them into their ranks and as to the depravity of their opinions and the wickedness of their acts Mgr Dillon's work has already been honoured by the Holy Father himself with so marked and so unusual an approbation that there is no need for us to accord it any further praise than merely to take note of the fact The book was presented to His Holiness accompanied by an Italian version of its table of contents and of long extracts from its principal sections and Leo XIII was pleased to order that the Italian version should be completed and the book printed and published at Rome at his own expense The Month Sept 1885 Despite the fact that the lectures were delivered by a Catholic prelate to an audience composed mainly of members of his own faith we feel that the subject of international political skullduggery is one which cannot fail to interest Catholic and non Catholic alike the more so indeed since events in the course of the decades following the original publication of this book have confirmed the lecturer's thesis The last four editions have appeared under the title of *Grand Orient Freemasonry Unmasked* Mgr Dillon does not speak explicitly of the two currents of thought and action proceeding from the Masonic French Revolution namely the current of Rousseauist Lockian Masonic Liberalism and the current of Socialism and Communism Implicitly however he does so when on the one hand he foreshadows the United States of Europe and World Federalism and on the other quotes the infamous Declaration of the International in 1868 This Declaration formulated at the International Congress held at Geneva in 1868 and quoted by Mgr Dillon in his preface is well worth reproducing at least in part It runs as follows The object of the International Association of Workmen as of every other Socialist Association is to do away with the parasite and the pariah Now what parasite can be compared to the priest God and Christ these citizen Providences have been at all times the armour of Capital and the most sanguinary enemies of the working classes It is owing to God and to Christ that we remain to this day in slavery It is by deluding us with lying hopes that the priests have caused us to accept all the sufferings of this earth It is only after sweeping away all religion and after tearing up even to the last roots every religious idea that we can arrive at our political and social ideal Down then with God and with Christ Down with the despots of heaven and earth Death to the priests

Such is the motto of our grand crusade In a note on page 20 of the original edition Mgr Dillon returned to the question of the direction of Freemasonry which he had mentioned in his preface He there says The Jewish connection with modern Freemasonry is an established fact everywhere manifested in its history The Jewish formulas employed by Freemasonry the Jewish traditions which run through its ceremonial point to a Jewish origin or to the work of Jewish contrivers Who knows but behind the Atheism and desire of gain which impels them to urge on Christians to persecute the Church and destroy it there lies a hidden hope to reconstruct their Temple and in the darkest depths of secret society plotting there lurks a deeper society still which looks to a return to the land of Judah and to the rebuilding of the Temple of Jerusalem Grand Orient Freemasonry Unmasked George F. Dillon,1950 **The Complete Idiot's Guide to Freemasonry** S. Brent D. Morris, Ph.D.,2006-05-02 What is the truth about the Masons suggested in Dan Brown s The Da Vinci Code Can Freemasonry really be dated back as far as Babylon Did they really coordinate the Boston Tea Party and the American Revolution What really goes on at a Mason lodge during an initiation Here is the real story behind the secret society that now boasts nearly five million members and has included such illustrious fellows as George Washington and Benjamin Franklin as revealed by a Master Mason Offers a highly illustrated field guide to Masonic jewelry and symbols Includes further reading a glossary a list of famous Freemasons and information on Freemasonry in popular culture Morris is a Master Mason **Is it True What They Say About Freemasonry?** S. Brent Morris,Arturo de Hoyos,2010-03-16 For as long as there have been Freemasons there has been a calculated effort to disparage and their practices In this insightful text masons de Hoyos and Morris explore the origins of the anti Masonic mindset and delve into the falsehoods on which critics have based these perennial sentiments Confronting opponents one at a time the authors methodically debunk the myths that have surrounded Freemasonry since its establishment investigating the motives and misconceptions that derive antagonists to spread deceit about Masonic traditions Method Infinite: Freemasonry and the Mormon Restoration Cheryl L. Bruno,Joe Steve Swick III,Nicholas S. Literski,2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the

theology structure culture tradition history literature and ritual of the religion he founded *The Complete Idiot's Guide to the Essentials of Freemasonry* S. Brent Morris, Ph.D., 2006-05-02 What is the truth about the Masons suggested in Dan Brown's *The Da Vinci Code* Can Freemasonry really be dated back as far as Babylon Did they really coordinate the Boston Tea Party and the American Revolution What really goes on at a Mason lodge during an initiation Here is the real story behind the secret society that now boasts nearly five million members and has included such illustrious fellows as George Washington and Benjamin Franklin as revealed by a Master Mason Offers a highly illustrated field guide to Masonic jewelry and symbols Includes further reading a glossary a list of famous Freemasons and information on Freemasonry in popular culture Morris is a Master Mason [Handbook of Freemasonry](#) , 2014-06-12 Freemasonry is the largest oldest and most influential secret society in the world The Brill Handbook of Freemasonry is a pioneering work that brings together for the first time leading scholars on Freemasonry The first section covers historical perspectives such as the origins and early history of Freemasonry The second deals with the relationship between Freemasonry and specific religious traditions such as the Catholic Church Judaism and Islam In the third section organisational themes such as the use of rituals are explored while the fourth section deals with issues related to society and politics women blacks colonialism nationalism and war The fifth and final section is devoted to Freemasonry and culture including music literature modern art architecture and material culture **Freemasonry and the Press in the Twentieth Century** Paul Calderwood, 2016-04-15 By the end of the twentieth century Freemasonry had acquired an unsavoury reputation as a secretive network of wealthy men looking out for each others interests The popular view is of an organisation that if not actually corrupt is certainly viewed with deep mistrust by the press and wider society Yet as this book makes clear this view contrasts sharply with the situation at the beginning of the century when the public's perception of Freemasonry in Britain was much more benevolent with numerous establishment figures including monarchs government ministers archbishops and civic worthies enthusiastically recommending Freemasonry as the key to model citizenship Focusing particularly on the role of the press this book investigates the transformation of the image of Freemasonry in Britain from respectability to suspicion It describes how the media projected a positive message of the organisation for almost forty years based on a mass of news emanating from the organisation itself before a change in public regard occurred during the later twentieth century This change in the public mood the book argues was due primarily to Masonic withdrawal from the public sphere and a disengagement with the press Through an examination of the subject of Freemasonry and the British press a number of related social trends are addressed including the decline of deference the erosion of privacy greater competition in the media the emergence of more aggressive and investigative journalism the consequences of media isolation and the rise of professional Public Relations The book also illuminates the organisation's collisions with nationalism communism and state welfare provision As such the study is illuminating not only for students of Freemasonry but those with an interest in the wider social history of modern Britain

The Complete Idiot's Guide to Freemasonry, 2nd Edition S. Brent Morris, Ph.D., 2013-02-21 Freemasonry is an ancient secret society shrouded in obscurity Fascination with the mysteries of the Masons reached a fevered pitch after the release of Dan Brown's novels *Angels and Demons*, *The Da Vinci Code* and *The Lost Symbol* But these novels and their related movies raised more questions than they answered *The Complete Idiot's Guide to Freemasonry Second Edition* fills readers in on the truths behind the mysteries In it readers get A fact filled overview of the birth and beginnings of Freemasonry including its relationship to the Knights Templar and Egypt Fascinating facts about famous Masons An explanation of the various Masonic organizations such as the York and Scottish rites and the Shriners A behind the scenes look at what really goes on in a Masonic lodge including initiations A new walking tour of Washington DC pointing out the hidden Masonic symbols featured in *The Lost Symbol* Scripts for Masonic rituals giving a flavor of the language used in such ceremonies A field guide to Masonic symbols and regalia with photos and explanations of significance The history behind Masonic philanthropic efforts and youth groups A history of African American Freemasonry and the role of women in Masonic organizations

Antisemitism Bernard Lazare, 1995-01-01 Bernard Lazare's controversial magnum opus originally published in France in 1894 asks why the Jews have aroused such hatred for three thousand years The journalist though severed from his Jewish upbringing was fiercely committed to social justice and could not ignore a shocking antisemitism in the fin de siècle circles he knew In search mg for its historic causes he was also searching for his own roots and place in the world As biographer Nelly Wilson has noted young Lazare was constantly engaged in a dialogue with himself when he wrote *Antisemitism Its History and Causes* Lazare begins his impartial study by considering whatever in the Jewish character might be to blame for antisemitism Then he looks outward to those nations among which the Israelites dispersed examining the different faces of antisemitism from Greco Roman antiquity to the end of the nineteenth century Lazare brings his research and study to bear on whatever form antisemitism has taken ethnic nationalist economic social literary philosophical Recognizing that antisemitism is fundamentally based on fear of the stranger and the need for a scapegoat Lazare concludes with a surprising scenario for the future This remarkable book conveys Lazare's own spiritual growth France's Dreyfus Affair in the 1890s would galvanize him to a passionate battle against antisemitism Introducing this Bison Books edition is Robert S Wistrich Neuberger Professor of Modern Jewish History at the Hebrew University of Jerusalem and the author of *Antisemitism The Longest Hatred*
