*Stephen Long and American Frontier Exploration* Roger L. Nichols, 1995-04-01 Major Stephen H Long of the United States Army was the most important government

sponsored explorer in the decade after the War of 1812 He led three major and several minor expeditions up the Mississippi Missouri and Arkansas rivers and the Red River of the north as well as exploring the central and southern Plains the Front Range of the Rocky Mountains and the Great Lakes His companions included engineers cartographers Naturalists ethnologists and artists and they gathered a wealth of scientific military and artistic data about the interior of North America For years Long s expeditions have been overlooked or misunderstood here for the first time they are placed in the context of American scientific development

Encyclopedia of Media and Propaganda in Wartime America Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America s conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years

**Staten Island** Daniel C. Kramer, Richard M. Flanagan, 2012-05-04 Staten Island is New York City s smallest yet fastest growing borough a conservative suburban community of nearly a half a million on the fringe of the nation s most liberal global city Staten Island Conservative Bastion in a Liberal City chronicles how this forgotten borough has grappled with its uneasy relationship with the rest of the City of New York since the 1920s Daniel C. Kramer and Richard M. Flanagan analyze the politics behind events that have shaped the borough such as the opening of the Verrazano Bridge and the closure of the Fresh Kills Landfill Lost opportunities are discussed including the failure to construct a rail link to the other boroughs of New York to adequately plan for the explosive housing boom in recent decades and some say to create an independent City of Staten Island Unlike much of New York City Staten Island is a place with robust party competition and lively democratic politics with hard fought campaigns bitter feuds and career ending scandals Staten Island s two most successful politicians of the twentieth century Republicans John Marchi and Guy Molinari defended the borough s interests while defining an urban conservatism that would influence politics elsewhere In fact Staten Island has played a pivotal role in the winning electoral coalitions of Republican mayors Rudy Giuliani and Michael Bloomberg and continues to spark the imaginations of New Yorkers on a scale that is disproportionate to the borough s relatively small size

Staten Island Conservative Bastion in a Liberal City will allow readers to gain access to the borough based roots of New York City's politics. This book will be of special interest to anyone who wishes to understand the dynamics of middle class life and democratic representation in a global city.
