French And British Mothers At Work:

French and British Mothers at Work Shirley Dex, Patricia Walters, David M. Alden, 1993 This study examines the reasons why French mothers work more continuously in full time jobs than British women even though at an aggregate level their participation rates are similar The data are from two nationally representative surveys one British and one French

Women's Work in Britain and France Abigail Gregory, Jan Windebank, 2000-01-27 Women's Work in Britain and France is a ground breaking retheorization of what constitutes progress in gender relations The book shows that French women although having more full time and continuous careers and greater social policy support retain as great a responsibility for unpaid domestic and caring work as their British counterparts It replaces the conventional focus upon encouraging women's increased insertion into employment as the principal strategy for achieving progress in gender relations with a new focus on changing men's work patterns

Women and Working Lives Sara Arber, Petra Ahrweiler, 1991-11-06 *Women, Work and the Family in Europe* Eileen Drew, Ruth Emerek, Evelyn Mahon, 2002-11-01 These are just some of the questions this controversial book asks in its analysis of the European labour markets By bringing together contributions from all over Europe *Women Work and the Family in Europe* outlines the similarities and differences between countries in terms of the problems of reconciling work and family In doing so it questions the division of labour not just in the labour market but also in the home reviewing for example fatherhood and the effect of work commitments on men's time spent with their families Contributions range from a study of family policies to the care of the elderly from home working to gender roles motherhood and class Clearly written systematic and comprehensive this book reflects the growing interest in the European context and will appeal to students of social policy and European studies as well as all those involved in women's studies and sociology Ruth Emerek University of Aalborg Denmark Susan Mc Rae Oxford Brookes University Yvonne Hirdman Sweden Eileen Drew and Evelyn Mahon both at Trinity College

Women as Veterans in Britain and France after the First World War Alison S. Fell, 2018-07-12 The legacies service in the First World War had on women's lives and the privileges it afforded some of them

Women's Identities at War Susan R. Grayzel, 2014-03-19 There are few moments in history when the division between the sexes seems as natural as during wartime men go off to the war front while women stay behind on the home front But the very notion of the home front was an invention of the First World War when for the first time home and domestic became adjectives that modified the military term front Such an innovation acknowledged the significant and presumably new contributions of civilians especially women to the war effort Yet as Susan Grayzel argues throughout the war traditional notions of masculinity and femininity survived primarily through the maintenance of and indeed reemphasis on soldiering and mothering as the core of gender and national identities Drawing on sources that range from popular fiction and war memorials to newspapers and legislative debates Grayzel analyzes the effects of World War I on ideas about civic participation national service morality sexuality and identity in wartime Britain and France Despite the appearance of

enormous challenges to gender roles due to the upheavals of war the forces of stability prevailed she says demonstrating the Western European gender system s remarkable resilience

Women Representatives in Britain, France, and the United States Harriet B. Applewhite,2016-04-29 This book compares British French and American legislative debates on woman suffrage and women s rights Beginning with an analysis of Tocqueville and J S Mill on the impact of suffrage the book continues with analysis of floor debates comparing gender style the French on parity and the Americans on the ERA and concluding with modern debates

Cultural Work Andrew Beck,2005-08-10 Cultural Work examines the conditions of the production of culture It maps the changed character of work within the cultural and creative industries examines the increasing diversity of cultural work and offers new methods for analysing and thinking about cultural workplaces Studying television popular music performance art radio film production and live performance it offers occupational biographies cultural histories practitioners evidence considerations of the economic environment as well as new ways of observing and studying the cultural industries

Flexible Working in Food Retailing Christophe Baret,Steffen Lehndorff,Leigh Sparks,2013-04-15 This book makes use of a four country research programme covering France Germany Great Britain and Japan Investigations and interviews at store company and individual levels paint a picture of working times in the sector and in each of the countries The volume provides some explanations for national differences as well as the similarities supply and demand issues as well as societal and social backgrounds Large format food retailing is a major force in each country employing millions in many different situations and conditions This book suggests opportunities for retailers and employees to better manage their situations

Part-Time Prospects Colette Fagan,Jacqueline O'Reilly,2002-01-31 The growth in part time employment has been one of the most striking features in industrialized economies over the past forty years Part Time Prospects presents for the first time a systematically comparative analysis of the common and divergent patterns in the use of part time work in Europe America and the Pacific Rim It brings together sociologists and economists in this wide ranging and comprehensive survey It tackles such areas as gender issues ethnic questions and the differences between certain national economies including low pay pensions and labour standards

The British Mothers' Journal and Domestic Magazine ,1860 Reunited in the Desert Helle Amin,2008-07-07 Helle Amin seemed to have the perfect life on the tropical island of Bali with her husband and four children But one day in 2002 this idyllic existence was shattered when she returned home from a shopping trip to find her children gone It didn t take long to discover that her Saudi Arabian husband had taken them to live in his home country With her children thousands of miles away in the totally unfamiliar surroundings of an Islamic state Helle drew upon her remarkable courage Enlisting the help of her friends she set off for the desert in a desperate attempt to find her beloved boys Her journey was filled with drama danger excitement and sorrow In the astonishing struggle that followed Helle was reduced to catching occasional glimpses of her boys as they went to and from school in Jeddah Some women might have given up but

not Helle In a male dominated society she prepared her case and demanded justice in the Saudi courts After a long battle Helle and her boys were reunited forever and as a testament to her bravery she was a recent Tesco Mum of the Year winner This gripping story cannot fail to touch any reader s heart and is packed with adventure heartache and joy *The Family in the Mediterranean Welfare States* Manuela Naldini,2004-11-23 This work analyses in a historical and comparative perspective the relationship between the family and the welfare state in two Mediterranean countries Italy and Spain Two aims form the focus of the book Firstly to open the black box of the family in welfare state analysis introducing a focus on inter generational and kin relations Secondly to explain why the southern welfare states have offered very low support to families with children by taking into account several factors the legacy of fascism the role of the Church and the specific role played by leftist parties in defining family policy as labour policy *Language, Citizenship and Identity in Quebec* L. Oakes,J. Warren,2007-01-05 Globalization is calling for new conceptualizations of belonging within culturally diverse communities Quebec driven by the pressures of maintaining Francophone identity and accommodating migrant groups provides a fascinating case study of how to foster a sense of belonging Working Time and Workers' Preferences in Industrialized Countries Jon C. Messenger,2004-09-09 As we enter the new century a common goal has emerged the removal or liberalization of restrictions on unsocial hours and the variation of working hours This book draws together an international team to examine the process **Romantic Diasporas: French Émigrés, British Convicts, and Jews** T. Benis,2009-06-22 Romantic Diasporasexamines exile in the Romantic period fromthe different perspectives of French migr s in England British convicts transported to Australia and Jews in their perennial diaspora The School Girl in France. The Protestant Girl in a French Nunnery ... By Rachel MacCrindell. Fourth American from the last London edition France,1859 Childhood and Child Labour in the British Industrial Revolution Jane Humphries,2010-06-24 This is a unique account of working class childhood during the British industrial revolution first published in 2010 Using more than 600 autobiographies written by working men of the eighteenth and nineteenth centuries Jane Humphries illuminates working class childhood in contexts untouched by conventional sources and facilitates estimates of age at starting work social mobility the extent of apprenticeship and the duration of schooling The classic era of industrialisation 1790 1850 apparently saw an upsurge in child labour While the memoirs implicate mechanisation and the division of labour in this increase they also show that fatherlessness and large subsets common in these turbulent high mortality and high fertility times often cast children as partners and supports for mothers struggling to hold families together The book offers unprecedented insights into child labour family life careers and schooling Its images of suffering stoicism and occasional childish pleasures put the humanity back into economic history and the trauma back into the industrial revolution *French Novels and the Victorians* Juliette Atkinson,2017-07-27 Despite the warnings of critics and moral leaders French novels were widespread in Victorian culture How did Victorian readers gain access to them How were the novels supposed immorality debated and challenged And how

far did the influx of French novels raise questions and anxieties about the literary and commercial value of the English novel
