French Executioner:

The French Executioner C. C. Humphreys, 2014-10-07 Originally published United Kingdom Orion Books Ltd 2002

The Executioner Always Chops Twice Geoffrey Abbott, 2004-04-03 A morbidly fascinating mixture of bungled executions strange last requests and classic final one liners from medieval times to the present day Sometimes it s hard to be an executioner trying to keep someone from popping up to make a quip when they should have spectacularly sunk without a trace Or to be told that the condemned to the guillotine won t have a last drink for fear of completely losing his head The business of death can be absurd and nothing illustrates this better than these tales of the gruesome and frankly ridiculous ways in which a number of ill fated unfortunates met or failed to meet their maker Did you know When Sir Thomas More was ordered to position his head on the block he said though you have warrant to cut off my head you have none to cut off my beard When the guillotine took three strokes to sever the neck of Isabeau Herman the mob attempted to stone the executioner to death for cruelty After the English hanged the pirate Captain Kidd they chained his body to a stake on the Thames River as a warning to seafarers From the strange to the gruesome from the weird to the completely unbelievable *The Executioner Always Chops Twice* is popular history at its best witty lively and wonderfully bizarre **Lord High**

Executioner Howard Engel, 2016-03-01 A grisly tour of hangings electrocutions beheadings and other state sanctioned deaths that are part of the long history of the death penalty In *Lord High Executioner* award winning writer Howard Engel traces the traditions of capital punishment from medieval England and early Canada to the present day United States Throughout civilized history executioners employed on behalf of the kingdom republic or dictatorship have beheaded chopped stabbed choked gassed electrocuted or beaten criminals to death and Engel doesn t shy away from the gritty details of the executioner s lifestyle focusing on the paragons buffoons and sadists of the dark profession Packed with all too true stories from hapless hangings to butchered beheadings this historically accurate look at the executioner s gruesome work makes for a thoroughly gripping read **On Beheading** Amalendu Misra, 2022-09-08 Beheading is not an uncommon undertaking As a particularized physical violence it has been practiced by all societies and civilizations at some point in their history In fact for millennia public beheadings around the world were routine In contemporary international society some states and many non state actors regularly engage in this undertaking This begs the obvious question why put a human being through this unimaginable cruelty While the idea of execution by decapitation appears visceral and horrific it has always been grounded in cultural religious and political contexts If contemporary history is any proof the enterprise of beheading a fellow human being appears to be making a comeback in certain religious and political landscapes A question of enormous intellectual importance the phenomenon of beheading is understudied There have been many explanations surrounding specific forms of beheading through the ages However no inclusive study has engaged with it in its entirety Primarily a philosophical reflection *On Beheading* is inter disciplinary in nature it freely cuts across various disciplines within the broad

framework of the social sciences It uses a vast array of empirical evidence from anthropology literature jurisprudence and religion to build a discourse and narrative that brings this subject under one intellectual umbrella *The Greatest French Classics Of All Time* Stendhal, Jules Verne, Gustave Flaubert, Anatole France, Émile Zola, Victor Hugo, Guy de Maupassant, Jean-Jacques Rousseau, François Rabelais, George Sand, Marcel Proust, Gaston Leroux, Charles Baudelaire, Molière, Pierre Corneille, Jean Racine, Voltaire, Pierre Choderlos de Laclos, Alexandre Dumas pere, Alexandre Dumas fils, 2023-12-13 The Greatest French Classics Of All Time serves as a literary voyage through the rich landscape of French literature encapsulating the vibrancy and diversity of its canon From the piercing introspection of Proust to the adventurous realms of Verne this anthology curates an essential compendium of works that have shaped not only national but global thought and imagination Each piece is a testament to the multifaceted nature of human experience woven through a spectrum of genres that include tragedy comedy realism and romance The anthology stands out for its inclusion of seminal works that have sparked literary movements challenged societal norms and transcended the confines of their temporal settings to offer timeless reflections on life and society The contributing authors a constellation of literary luminaries such as Voltaire Hugo Sand and Baudelaire bring a wealth of perspectives to the collection Their backgrounds ranging from the philosophical musings of Rousseau to the stark realism of Zola highlight a period of intense literary innovation and exploration in France that corresponded with tumultuous social and political change Together these authors have not only contributed to the shaping of modern French identity but have also left an indelible mark on world literature allowing readers to trace the evolution of literary forms and themes across centuries The Greatest French Classics Of All Time is an indispensable treasure trove for anyone keen to embark on a comprehensive exploration of French literary heritage It offers an unparalleled opportunity to engage with the works of master storytellers whose narratives have perennially captivated the hearts and minds of readers around the globe This anthology is not just a showcase of Frances literary genius it is a gateway to a broader appreciation of the universal themes of human condition love conflict and aspiration Through its pages readers are invited to participate in a continuous dialogue with the past enriching their understanding of the evolving nature of literature and the enduring power of storytelling

Severed Frances Larson, 2014-11-06 Our history is littered with heads Over the centuries they have decorated our churches festooned our city walls and filled our museums they have been props for artists and specimens for laboratory scientists trophies for soldiers and items of barter Today as videos of decapitations circulate online and cryonicists promise that our heads may one day live on without our bodies the severed

head is as contentious and compelling as ever From shrunken heads to trophies of war from memento mori to Damien Hirst's With Dead Head from grave robbing phrenologists to enterprising scientists Larson explores the bizarre often gruesome and confounding history of the severed head Its story is our story Execution Geoffrey Abbott,2006-04-04 In his own darkly humorous style Geoffrey Abbott describes the instruments used and their effectiveness and reveals the macabre origins of familiar phrases such as gone west or drawn a blank as well as the jargon of the underworld He covers everything from the preparation of the victim to the disposal of the body Execution is everything you ever wanted to know about the ultimate penalty and a lot you never thought to ask It includes such hair raising categories as Cave of Roses A rare Swedish method of execution in which the victim was confined to a cave full of snakes and poisonous reptiles Bastinado Involved the victim being caned gently and rhythmically with a lightweight stick on the soles of the feet until the mental collapse and eventual death of the victim Sewn in an Animal's Belly A living person is sewn into the belly of an animal and left to die The Spanish Donkey This method of torture consisted of seating a victim on top of a wall that resembled an inverted v with weights attached to the ankles the weights slowly increased until the victim's body split in two Iron Chair The victim is tied to an iron armchair and pushed nearer and nearer to a blazing fire Sawn in Half Victims are secured in a standing position pinned between two wide boards fixed between a stake driven deep into the ground while two executioners one on each side would wield a long two handled saw downwards through the boards Execution is a unique fascinating look at the grim and gritty history of sanctioned death *The Strand Magazine* ,1933 **Manitoba Law Journal Volume 47 Issue 7 Special Edition: Robson Crim & The Legal Profession: The Hangmen of Canada** ALVIN A. J. ESAU,2025-08-02 This book focuses on the public career and private life so far as can be known of the Canadian hangmen rather than on the history of capital punishment or the ritualized nature of the process from conviction appeals for commutation last meals spiritual advisors processions to the gallows last words and so forth This book also focuses on the hangman and not on the people who were hanged or their crimes Blood Ties C.C. Humphreys,2011-10-06 Years have gone by since the events surrounding the death of Anne Boleyn But her missing hand and all that it represents to the dark world of 16th century Europe still draws the powerful to seek it out Jean Rombaud the French executioner of the first novel has grown old both in age and spirit Wounded by the betrayal of a son and the scorn of a wife he fights in the seemingly never ending siege of Siena Meanwhile Gianni Rombaud has forsaken everything his ageing father stands for and now kills heathen for the Inquisition in Rome Then he is summoned by Cardinal Carafa himself His masters no longer merely want his dagger in the hearts of Jews they want the hand of the dead queen But only three people know where it is buried and one of them is Gianni's father **Personal Characteristics from French History** Ferdinand Baron Rothschild,1896
