States of Decadence Guri Barstad, Karen P. Knutsen, 2016-12-14 States of Decadence is a two volume anthology that focuses on the literary and cultural phenomenon of decadence Particular attention is given to literature from the end of the 1800s the fin de siècle however the essays presented here are not restricted to this historical period but draw lines both back in time and forward to our day to illuminate the contradictory multiplicity inherent in decadence Furthermore the essays go beyond literary studies drawing on a number of the tropes and themes of decadence manifested in the arts and culture such as in music opera film history and even jewelry design Volume 2 comprises essays on the following thematic areas Images of Decadent Women Transmedia Decadence Contemporary Decadence and Poetic Decadence The contributors are part of an active network of international scholars from many different countries As the expansive title of the volume suggests they explore the decadent aesthetic approach to the arts to culture and to a worldview that juxtaposes a strange mixture of conservatism and rebellion ambivalence and deep convictions

Guyon, Andrew Watts, 2014-03-17 If the eighteenth century was the age of reason and enlightenment the nineteenth century was undeniably the age of movement This tumultuous period in French history bore witness to the rise and fall of countless political movements from revolutions and coups d'état to popular protests and the first workers strikes It was an age of economic movements as France embraced the new world of finance and banking and underwent its own industrial revolution Social mobility increased as a dynamic commercial bourgeoisie began to challenge the system of aristocratic privilege that neither the 1789 Revolution nor the Napoleonic Empire had dismantled entirely The era was one of artistic ferment as Romanticism gave way to Realism Naturalism Impressionism and Symbolism Intellectual and philosophical movements from Liberalism to Saint Simonianism sought both to reconcile the country with its past and construct the framework for a progressive more harmonious future Through seventeen thematic essays *Aller's Retour's* seeks to understand nineteenth century France as a society in perpetual motion Recognising the instability that is key to the very concept of movement this volume explores how the intellectual shifts and cross currents of the nineteenth century responded to and impacted upon each other Finally it asks why questions of motion and movement dominated this period as every sphere of French life confronted its own extremes of progress and renewal stagnancy and regression [Les Misérables and Its Afterlives](#) Kathryn

M. Grossman, Bradley Stephens, 2016-03-09 Exploring the enduring popularity of Victor Hugo's *Les Misérables* this collection offers analysis of both the novel itself and its adaptations In spite of a mixed response from critics *Les Misérables* instantly became a global bestseller Since its successful publication over 150 years ago it has traveled across different countries cultures and media giving rise to more than 60 international film and television variations numerous radio dramatizations animated versions comics and stage plays Most famously it has inspired the world's longest running musical which itself has generated a wealth of fan made and online content Whatever its form Hugo's tale of social injustice and personal redemption continues to permeate the popular imagination This volume draws together essays from across a variety of fields combining readings of *Les Misérables* with reflections on some of its multimedia afterlives including musical theater and film from the silent period to today's digital platforms The contributors offer new insights into the development and reception of Hugo's celebrated classic deepening our understanding of the novel as a work that unites social commentary with artistic vision and raising important questions about the cultural practice of adaptation *Announcement* Columbia University. Joachim Küpper, 2013-12-20 The present volume introduces new considerations on the topic of World Literature penned by leading representatives of the discipline from the United States India Japan the Middle East England France and Germany The essays revolve around the question of what specifically in today's rapidly globalizing world may be the productive implications of the concept of World Literature which was first developed in the 18th century and then elaborated on by Goethe The discussions include problems such as different script systems with varying literary functions as well as questions addressing the relationship between ethnic self description and

cultural belonging The contributions result from a conference that took place at the Dahlem Humanities Center Freie
Universit t Berlin in 2012 **Official Register** Harvard University,1914
