French Prints Of The Late 19th Century:

French Prints of the Late 19th Century, 2002 **French Prints from the Later 19th Century** Flinders University. Art Museum, Brian Callen, The New York Market for French Art in the Gilded Age, 1867-1893 Leanne M. Zalewski, 2022-12-15 This transatlantic study analyses a missing chapter in the history of art collecting the first art market bubble in the United States In the decades following the Civil War French art monopolized art collections across the United States During this Gilded Age picture rush the commercial art system art dealers galleries auction houses exhibitions museums art journals press coverage art histories and collection catalogues established a strong foothold it has not relinquished to this day In addition a pervasive concern for improving aesthetics and providing the best contemporary art to educate the masses led to the formation not only of private art collections but also of institutions such as the Metropolitan Museum of Art and to the publication of art histories Richly informed by collectors and art dealers diaries letters stock books journals and hitherto neglected art histories *The New York Market for French Art in the Gilded Age 1867 1893* offers a fresh perspective on this trailblazing era *French Posters* Isabella Alston, 2014-08-01 The French poster born of a basic utilitarian purpose has developed with age into an admired and collected art form Vintage posters command high prices at auction and curators specialize in their restoration The earliest art worthy posters appeared on the streets of Paris designed by French born artists such as Jules Chéret who popularized poster art with his *Ma tres de l Affiche* publication from 1895 to 1899 Paulmile Berthon and Henri de Toulouse Lautrec Other poster artists just as well known but hailing from other countries include Eugène Grasset from Switzerland Alphonse Mucha from what is now the Czech Republic and Marcello Dudovich from Italy The Art Nouveau and Art Deco posters created before and after the turn of the 20th century advertised everything from soap to chocolate bicycles to cars coffee to cordials department stores to nightclubs They promoted the performing artists in the revues theaters and cancan lines that dominated nightlife in the City of Light Travel another common poster theme featured modern ocean liners and airlines as well as terribly exotic destinations and European resorts This book includes examples of the works of the most popular poster artists working in France from 1890 to the 1930s

Collection of late 19th- and early 20th-century French popular prints, 1870 **Medieval Saints in Late Nineteenth Century French Culture** Elizabeth Emery, Laurie Postlewate, 2004-08-02 Legends tales and mysteries featuring saints captivated the French at the end of the nineteenth century As Jean Lorrain pointed out in an 1891 article for the popular weekly *Le Courrier Francais* the seemingly simple language of the saints lives their noble battles between good and evil and the atmosphere of religious mysticism appealed to many especially those involved in the visual and performing arts Ironically The Third Republic 1870 1940 a regime that claimed to reinforce and institute the secular ideas of the French Revolution was witness to this great popular interest in the saints and religious imagery The eight essays in this work explore the popularity of the saints from the 1850s to the 1920s The essays evaluate the role they played in literature art music

science history and politics examine portrayals of the saints lives in both low and high culture from children s literature shadow plays and the popular press to literature opera and theological studies and reveal the prevalence of the saints in fin de siecle France **Work and Leisure in Late Nineteenth-Century French Literature and Visual Culture** C.

White,2014-06-25 In this engaging new study Claire White reveals how representations of work and leisure became the vehicle for anxieties and fantasies about class and alienation affecting in turn the ways in which writers and artists understood their own cultural work *The Artist as Animal in Nineteenth-Century French Literature* Claire

Nettleton,2019-08-08 The Artist as Animal in Nineteenth Century French Literature traces the evolution of the relationship between artists and animals in fiction from the Second Empire to the fin de si cle This book examines examples of visual literature inspired by the struggles of artists such as Edouard Manet and Vincent van Gogh Edmond and Jules de Goncourt s Manette Salomon 1867 mile Zola s Ther se Raquin 1867 Jules Laforgue s At the Berlin Aquarium 1895 and Impressionism 1883 Octave Mirbeau s In the Sky 1892 1893 and Rachilde s L Animale 1893 depict vanguard painters and performers as being like animals whose unique vision revolted against stifling traditions Juxtaposing these literary works with contemporary animal theory McHugh Deleuze Guattari and Derrida zoo studies Berger Rothfels and Lippit and feminism Donovan Adams and Haraway Claire Nettleton explores the extent to which the nineteenth century dissolution of the human subject contributed to a radical modern aesthetic Utilizing these interdisciplinary methodologies Nettleton argues that while inducing anxiety regarding traditional humanist structures the artist animal an embodiment of artistic liberation within an urban setting is at the same time a paradigmatic trope of modernity *A Companion to Nineteenth-Century Art* Michelle Facos,2018-12-06 A comprehensive review of art in the first truly modern century A Companion to Nineteenth Century Art contains contributions from an international panel of noted experts to offer a broad overview of both national and transnational developments as well as new and innovative investigations of individual art works artists and issues The text puts to rest the skewed perception of nineteenth century art as primarily Paris centric by including major developments beyond the French borders The contributors present a more holistic and nuanced understanding of the art world during this first modern century In addition to highlighting particular national identities of artists A Companion to Nineteenth Century Art also puts the focus on other aspects of identity including individual ethnic gender and religious The text explores a wealth of relevant topics such as the challenges the artists faced how artists learned their craft and how they met clients the circumstances that affected artist s choices and the opportunities they encountered and where the public and critics experienced art This important text Offers a comprehensive review of nineteenth century art that covers the most pressing issues and significant artists of the era Covers a wealth of important topics such as ethnic and gender identity certain general trends in the nineteenth century an overview of the art market during the period and much more Presents novel and valuable insights into familiar works and their artists Written for students of art history and those studying the history of the
