**Successful Christianity** Dr. Roger Price,2008-05-23 The world is full of religions espousing mans ideas of how to get to their particular gods or goddesses and to gain their favor These people seem to be in a continuous state of failure Successful Christianity explores the Christian faith in which there are those also who struggle to be on top of things in life This book gives multiple avenues of overcoming what is seen by some as a persons fate in life From failures in finances to poor health I point out that there has to be a change in our thinking if we are to ever be successful in our walk with the Lord Proposing that God wants us to be successful in life Scripture is called upon to point out the various avenues in which we please God by our faith and actions that back up that faith which will bring success Our focus on a growing relationship with our Lord and His Word I am convinced is the avenue of success for the Christian That is my experience and I pray you find it true also

Moriarty,1999 Most of us realize that traffic laws exist to preserve our lives not cramp them Yet when it comes to moral laws 66 percent of Americans believe there are no absolutes Is it any wonder then that the highway of our postmodern culture is strewn with wrecks Broken marriages overcrowded prisons murder in the classrooms babies having babies they re what happen when we confuse liberty with ignoring the rules of the road That s why Michael Moriarty is convinced that the Ten Commandments really are The Perfect 10 Behind them lie God s concern for our welfare and his understanding of the indelible truths that govern our world our relationships and our inner being One by one Moriarty reveals the Ten Commandments as the keys to wholeness and freedom and shows their far reaching application for us today For the Perfect 10 remain the ideal ethical compass They help us align our lives with the character of God and to a world hurtling blindly down the dead end road of moral relativism they point the way back to sanity restoration and life **Illustrations for**
