**Eddie Black** Walter F. Shapiro,1988      **The Tale of Edward Black** Daniel Arrey,2014-10-22 The man landing and skidding on a gravel driveway probably broke his body but that wasn't enough for Edward who charged out of the window after him put a boot in the man's back and ripped his arms free of his body Edward let them drop and the Ghosts on top of the cabin faltered not expecting such a display of ferocity Lucien had taken Edward's cue and gone out the other side of the cabin Before the Ghosts could react Lucien was among them a whirlwind of heavy steel breaking bodies and crushing skulls Edward Black's entire family was killed in a gruesome event called The Christmas Murders A former police officer and war veteran he's visited by an otherworldly being who bestows upon him a gift of terrible responsibility What he chooses to do with this gift is his choice and he chooses to always do what's right He doesn't discriminate when choosing his enemies whether they're of this world or the next it matters little Together with his group of new friends and his mentors he'll face foes that would render anyone else immobile This is the first book in The Tale of Edward Black      *I Know that Name!* Mark Kearney,Randy Ray,2002-09 Full of fun facts intriguing trivia and engrossing explorations of more than 100 Canadians who beat the odds to become household names      **I Can Get It for You Retail** Rick Padulo,2012-03-26 Padulo and his company created vastly successful advertising campaigns and now one of Canada's top ad men tells the down and dirty tales of how he reshaped the image of the retail industry      **Autumn's Dancing Leaves** Ralph Hunter,1999-03-01 Eddie didn't favor anyone in his family Fair blonde and green-eyed he stood in sharp contrast to the other darker complected dark haired blue-eyed members The difference created a rift in the family fabric and his mother singled him out for abuse irrationally holding him responsible for the family's turmoil Little Eddie struggled with the severity of his maltreatment but by age eleven could no longer handle the circumstances of his life He decided his only escape would be to die that by conscious will he could simply resolve to give up life and cease to exist Eddie's mind alerted to his decision and believing the ultimate goal for any entity was to continue regardless of form or quality of life was determined to survive Panicked at the threat of cessation his mind made a desperate decision it fractured his personality and created Randy from traits that had been repressed in Eddie Randy a tough defiant individual was created to bring new energy new life and stand in defense of the defeated accepting Eddie Rising to the challenge he accepted the responsibility of his creation and was fiercely focused to protecting Eddie while endeavoring to create new circumstances for the life they shared Randy was proud of his efforts to save Eddie He knew he was Eddie's paladin his champion created for a noble purpose to bring Eddie back from the brink of oblivion After many struggles Randy's efforts appeared to be successful and the mind considered the possibility of enjoying the existence he'd insured It pondered the idea of Eddie being involved with the world rather than merely persisting through the time allotted for the life Aware of Eddie's inability to interact with the world around him the mind again fractured the personality creating Jesse a new facet an aesthetic personality focused to tender feelings of love and friendship and aspects which determine

quality of life Jesse felt he was created to experience emotions and appreciate beauty to evolve the repressed side of the personality to bring stability to the entity He believed he was born to search for love to find the emotional equilibrium that would bring the separate identities into harmony Developed from suppressed characteristics Jesse was creative and confident loving and inquisitive charming and fun loving And he was on a quest determined to achieve his goal Without Eddie s awareness of them Randy and Jesse sought to balance their existence and hoped they were achieving what they saw as a normal life until Jesse experienced an incident which shattered that belief and forced them to realize they had not progressed as far as they thought Jesse s realization that he had made a terrible mistake was devastating Jumping to a conclusion Randy the controlling personality in his determination to fend off any challenges to them felt he must take over to handle the crisis in an effort to protect them

Winter's Stormy Rage Ralph Hunter, 2001-06-28 In *Autumns Dancing Leaves* we met Eddie an abused and neglected kid whose personality fractured to create Randy when he reached a point where he could no longer cope with the trauma in his life Randy defiant and determined undertook the crusade of becoming Eddies champion endeavoring to save him from his abusers and all who were a threat to him Because of Randys effectiveness Eddies mind decided it was possible to enjoy the life that Randy insured that being involved with the world was preferable to merely surviving the lifetime Eddies mind then developed Jesse from unused personality traits Jesse an aesthetic personality believed his goal was to interact with people and the world to find missing elements in Eddies life and use his experiences to bring balance to the life he shared with Eddie and Randy Randy and Jesse believed they were moving closer to what they saw as a normal life exposing Eddie to the things they thought determined quality of life But Jesse made a mistake he felt would be devastating for Eddie Randy responded by deciding to take them away from an environment he saw as detrimental

*Winters Stormy Rage* picks up the story with Randy on the road looking for a new life a new place where they can settle down He travels to Kansas City to an old neighborhood where he is exposed to other runaway kids surviving on the streets and those he calls societys undesirables From there he makes his way west toward the coast stopping along the way for a time with a biker gang that picks him up alongside the highway A series of tragedies convinces Randy that they dont have a chance of success in trying to attain a new life With that realization he turns to drugs and alcohol which keep him numb and muddled preventing him from sorting out the truth When he hits a low point Jesse takes over to lead them for a time a role in which hes not comfortable Jesse catches a ride on the highway with Marcella a female impersonator who declares herself to be an entertainer Marcella takes him to San Diego where he meets the colorful crowd Marcella associates with While Jesse is struggling to cope with the role of directing their life Randy keeps showing up still wrestling with substance abuse problems Jesse fears Randy could be a threat to their existence He decides he must seek help for them but that would entail telling someone the secret of their life a secret they had always sought to conceal

*Winter s Stormy Rage* follows the three facets of Eddie through their struggles through the setbacks and the successes in the complex life they shared from a bleak beginning

to a promising conclusion Author Biography Communication with Readers PROLOGUE Prior Autumns Dancing Leaves Eddie was born not favoring anyone in his family which created problems between his parents His mother irrationally blamed him When he was five years old Evelyn sought to punish him by loaning him to pedophile men As a result he was abused by the companions and neglected by his mother Intelligent with heightened abilities in logic and reasoning little Eddie attempted to rationalize his situation in an effort to keep the abuse in an acceptable perspective that would allow him to cope with it He struggled with the increasing severity of the abuse but by age eleven he could no longer handle the circumstances of his life Gravely depressed he decided his only escape would be to die that by conscious will he could simply resolve to give up life and cease to exist Eddies mind alerted to his decision was determined to survive believing the ultimate goal for any entity was to continue regardless of the form or quality of life Panicked at the threat of cessation his mind made a desperate decision it fractured his personality and created Randy from traits that had been repressed in Eddie Randy a tough defiant
