(author),1901 Eden Rising Andrew Cunningham,2013-06-22 The Earth died in less than a minute Maybe that s an exaggeration It s not like the planet ceased to exist altogether It just seemed like it Cities were reduced to rubble Millions of people died that day I ve since been told that 95% of the Earth s human population was wiped out I don t know if that s true I mean who can know that for sure It s not like we still have any of the technology that we once used to determine such things But I do know that it was almost empty of people live ones that is Thus begins the journey of Ben and Lila two ordinary teenagers forced to rise to extraordinary heights when faced with a world that has suddenly and inexplicably died Dealing with the sorrow of all they have lost but the love they have found in each other they set off on an odyssey that will bring them to the limits of human endurance and face to face with the frailty of their very existence From the extreme violence of many of the surviving humans toward one another to a world physically falling apart at the seams Ben and Lila are determined to make it through the devastation in their quest for a place to quietly share their life together In the process they have to become as violent as the world around them in order to survive while struggling to hold onto the humanity that will keep them sane Eden Rising is a survival tale and a love story but it is also a book that delves deeply into the human psyche to discover just how far we would go to survive and how much inner strength can be found when things are at their absolute worst *Eden Rising* Shade Owens,2022 After men declared war on women the world fell apart In a not so distant future women outnumber men 7 to 1 and no one can explain it Threatened by this mysterious phenomenon the government impulsively passes new abortion laws and strips women of their rights Meanwhile eighteen year old Eve Malum watches the riots and protests through her television screen terrified of the America she no longer recognizes Unlike her mother and sister however she doesn t have the courage to go out there and demand freedom for all women She isn t like them She isn t a fighter But when something tragic happens Eve becomes someone else someone who will stop at nothing until justice is served even if that means getting blood on her hands Eden Rising Marilyn Harris,1982 Eden Rising (Trilogy Bundle) Hart Melissa F.
