Saricks, 2011-03-21 With more than 300 original annotations in some 60 thematic lists this one of a kind compilation opens the world of audiobooks to listeners and librarians alike The demand for audiobooks is booming yet materials that help listeners make choices of what to listen to have been in short supply Read On Audiobooks Reading Lists for Every Taste fills that gap helping match reader interests and mood to titles that might please them Written by Joyce G Saricks a well known writer and speaker on readers advisory the book offers original annotations for more than 300 audiobook titles grouped according to some 60 themes fiction and nonfiction Lists are organized by character story setting language and mood tone Each entry provides a plot description and discusses the appeal of the narrator In addition to helping patrons the book will assist librarians with collection development and listener's advisory creating displays that include audiobooks promoting the collection and especially with understanding the special dynamic that exists among listeners narrators and audiobooks      **Words on Cassette, 2002** R R Bowker Publishing, 2002      Horror Stars on Radio Ronald L. Smith, 2010-03-08 This book chronicles the radio appearances of all prominent classic horror movie stars Boris Karloff Bela Lugosi Peter Lorre Vincent Price and two dozen more including scream queens like Fay Wray It contains script excerpts from radio shows as well as material from narrated albums and music singles Each star's appearances are listed by show and air date with descriptions of the subject matter      **American Popular Culture** Seymour Leventman, 2008-12-18 American pop culture is no longer merely popular It has penetrated to such deep lying cultural and social structures that persons dream and fantasize in pop cultural terms It is the new reality which increasingly measures all else in the social world The present volume consists of original essays written expressly for the 2005 Conference of the American Pop Culture Association They fall under three headings of the Association's lead History of Pop Culture contains papers of a distinct historical dimension pointing out that although pop culture may become an autonomous force it exists in a context of space and time The Teaching of Pop Culture is critical because American pop culture has become so ubiquitous classroom educators use it to present other unrelated materials e g from history economics politics and sociology Not even

high culture such as Classic Literature is immune to pop culture treatment Utilizing classic literature performs a double function of popularizing high culture while also paying homage to it The authors of these papers are research scholars and academic teachers who have spent their careers communicating to students with great skill and dedication the great ideas and concepts of popular as well as unpopular culture The book contains important insights into that complex maddening phenomenon American popular culture Scholars educators and general non fiction readers will find much enlightening material Most people associate pop culture with movies music and TV shows Yet this volume suggests that in modern society pop culture ultimately absorbs almost every facet of the collective life as to become generic and ever present Literature for example whether American Japanese or Italian may lose their cultural distinctiveness and writers may forget their bibliographic ties A literary agent defending her client on charges of alleged plagiarism commented As a former teenager myself I recall that spongelike ability to take popular culture and incorporate it into your own lexicon As this volume implies pop culture has both uplifting and downgrading possibilities Levantman has assembled a varied and fascinating collection of original and imaginative investigations into the pop culture every American knows and loves or hates It's exciting reading and covers all the bases Howard Becker Author of *Art Worlds* and *Outsiders*      **Acting with the Voice** ,2004-07 Limelight Blumenfeld convincingly argues that the basic techniques of acting apply whether the actor is performing onstage or in a sound studio Numerous practice exercises help the actor to speak the words of a text that can be enhanced by the varying sounds of the human voice      The Readers' Advisory Guide to Horror Becky Siegel Spratford,2012-04-09 Vampires zombies ghosts and ghouls there are more things going bump in the night than ever So how do you wend your way through all of them to find the ones that interest a particular reader RA expert Spratford updates her advisory to include the latest in monsters and the macabre including Lists of recommended titles authors and sub genres all cross referenced for quick reference Tips for effectively practicing horror RA with interview questions for gauging a reader's interests An expanded resources section with an overview addressing the current state of horror lit and suggestions of how to dig deeper As both an introductory guide for librarians just dipping their toes into the brackish water of scary fiction as well as a fount of new ideas for horror aware reference staff Spratford's book is infernally appropriate      **Critical Companion to Edgar Allan Poe** Dawn B. Sova,2007 Examines the life and career of Edgar Allan Poe including synopses of many of his works biographies of family and friends a discussion of Poe's influence on other writers and places that influenced his writing      **Books Out Loud** ,2007      *A Study Guide for Edgar Allan Poe's "Cask of Amontillado"* Gale, Cengage Learning,2016-07-14 A Study Guide for Edgar Allan Poe's *Cask of Amontillado* excerpted from Gale's acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs      *A Basic Audio-tape Collection* Dale Eugene Shaffer,1973      **The Death Dealer** Heather Graham,2019-01-14 Before the Krewe

of Hunters there was Harrison Investigations Get swept up in this captivating paranormal romantic thriller Publishers Weekly from the queen of the genre New York Times bestselling author Heather Graham Genevieve O'Brien knows all about nightmares She survived two months as a psychopath's prisoner And now a new menace stalks the city Spooked by the bizarre slayings she turns to private investigator Joe Connolly her past rescuer friend and hopefully something more if he would just quit avoiding her At first Joe isn't even sure there is a case But the body count rises and it's clear that a twisted killer is on the loose Even more unsettling is the guidance Joe starts receiving from beyond the grave People he knows to be dead are appearing offering him clues and leads and warning of some terrible danger ahead But can even the spirits stay the hand of a madman bent on murder Originally published in 2008 [Accessing the Classics](#) La Vergne Rosow, 2005-12-30

Help readers improve reading skills while stimulating their appreciation and increasing their understanding of great literature Using a scaffolding approach this guide leads readers from simple and engaging reads to more challenging texts and simultaneously cultivates their interest and skills An invaluable resource for middle and high school ABE and ESL educators as well as for readers advisors All readers even those still learning to speak English can enjoy the delights and benefits of great literature with the help of this motivational and practical book guide Rosow takes you on a journey through the history of Western literature beginning with ancient myths and moving to medieval tales and classics of the Renaissance Romantic Movement and Modernism Along the way she shows you how to give readers easy access to some of the best literature of all time Scores of collections focus on such ancient and enduring stories as Gilgamesh Beowulf the tales of Chaucer historical masterpieces of William Shakespeare Jane Austen Edgar Allan Poe Charles Dickens and stellar names of more recent times such as Virginia Woolf John Steinbeck Ernest Hemingway and J.R.R. Tolkien Each carefully selected collection lists an assortment of titles ranging in reading level and arranged progressively from simple renditions such as picture book retellings through more advanced selections and readings where audio versions and simpler formatting support the reader and on to the most challenging reads Author profiles and narrative as well as detailed descriptions of each title provide further insights into the story lines and features of the books while building a scaffold of reading experience and knowledge to help readers better understand the texts For example the Mark Twain collection begins with a brief biographical sketch of the author followed by descriptions of two illustrated books about the author and two readers theatre skits based on his work A collection of Twain's short stories is recommended next and then several illustrated versions of his novels and an illustrated edition of Twain's memoir Life on the Mississippi which is supported by an audiotape version Each recommended title is rated as start here next read support here or challenging read and related reads and audio and video versions are listed when appropriate The author also notes author and student favorites titles with exceptional illustrations and other features of interest Focus is on authors and titles of the Western canon that are generally available in library collections Because some of the titles cited are older editions this is a valuable collection development tool in libraries as well
