Education For Whom:

Circular of Information of the Bureau of Education, for United States. Bureau of Education, 1885 **Providing Educational Assistance for Children of Men who Died in World War II and Korean Conflict** United States. Congress. House. Committee on Veterans' Affairs, 1956 *Education for All Handicapped Children, 1973-74* United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on the Handicapped, 1975 The Educational Writings of Richard Mulcaster Richard Mulcaster, 2023-08-16 Reproduction of the original **Postfeminist Education?** Jessica Ringrose, 2012-08-21 This book challenges a contemporary postfeminist sensibility grounded not only in assumptions that gender and sexual equality has been achieved in many Western contexts but that feminism has gone too far with women and girls now overtaking men and boys positioned as the new victims of gender transformations The book is the first to outline and critique how educational discourses have directly fed into postfeminist anxieties exploring three postfeminist panics over girls and girlhood that circulate widely in the international media and popular culture First it explores how a masculinity crisis over failing boys in school has spawned a backlash discourse about overly successful girls second it looks at how widespread anxieties over girls becoming excessively mean and or violent have positioned female aggression as pathological third it examines how incessant concerns over controlling risky female sexuality underpin recent sexualisation of girls moral panics The book outlines how these postfeminist panics over girlhood have influenced educational policies and practices in areas such as academic achievement anti bullying strategies and sex education curriculum making visible the new postfeminist sexual politics of schooling Moving beyond media or policy critique however this book offers new theoretical and methodological tools for researching postfeminism girlhood and education It engages with current theoretical debates over possibilities for girls agency and empowerment in postfeminist neo liberal contexts of sexual regulation It also elaborates new psychosocial and feminist Deleuzian methodological approaches for mapping subjectivity affectivity and social change Drawing on two UK empirical research projects exploring teen aged girls own perspectives and responses to postfeminist panics the book shows how real girls are actually negotiating notions of girls as overly successful mean violent aggressive and sexual The data offers rich insight into girls gendered raced and classed experiences at school and beyond exploring teen peer cultures friendship offline and online sexual identities and bullying and cyberbullying The analysis illuminates how and when girls take up and identify with postfeminist trends but also at times attempt to re work challenge and critique the contradictory discourses of girlhood and femininity In this sense the book offers an opportunity for girls to talk back to the often simplistic either wildly celebratory or crisis based sensationalism of postfeminist panics over girlhood This book will be essential reading for those interested in feminism girlhood media studies gender and education **The Journal of the National Education Association** National Education Association of the United States, 1923 Chambers' Edinburgh Journal, 1841 **Connecticut Common School Journal** Henry Barnard, 1842 **Code of Federal Regulations**, 1981

Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries Hearings, Reports and Prints of the House Committee on Education and Labor United States. Congress.
