Education For The Individual A Humanistic Introduction:

Education for the Individual T. Robert Bassett, 1978 The outcomes of education cannot be predetermined holds for their nefarious as well as for their benficient employments for the individual as well as society Certain immediate results are attainable through training which should not be confused with education Schools should be maintained by a democratic society in the first instance as a service to the individual with whatever benefits to the society they may yield as salutary side effects Preface viii

Educational Philosophy of Dr S Radhakrishnan Dr V N Deshpande, 2017 The spiritual homelessness of modern man cannot last long thus believed Dr Sarvepalli Radhakrishnan 1888 1975 a prominent philosopher educationalist and one of the makers of modern India His solution to the problems of humanity is a return to the religion of spirit to be achieved through the right kind of education Radhakrishnan advocated a sound educational philosophy aimed at harmonious development of the human personality with utmost emphasis on moral and spiritual education This book effectively presents Radhakrishnan s thoughts highlighting their relevance to the present day The author has at length discussed Indian philosophy in comparison with the Western thought and successfully established that the East West synthesis as propagated by Radhakrishnan is the need of the hour to arrest the self destructive tendency of the world and ensure development and peace Readers will also get an account of Radhakrishnan s life story in the backdrop of the political history of pre and post Independent India
