personalities and programmes that helped to form who we are as individuals and as a nation He visits the key radio locations from history and looks at its vital role over the past century on both national and local levels Part nostalgic eulogy part social history part travelogue Last Train To Hilversum is Connelly's love letter to radio exploring our relationship with the medium from its earliest days to the present in an attempt to recreate and revisit the world he entered on his childhood evenings on the dial as he set out on the radio journey of a lifetime Writing for TV and Radio Sue Teddern, Nick Warburton, 2015-11-19
