## **Edges And Finishes In Machine Embroidery:**

Edges & Finishes in Machine Embroidery Valerie Campbell-Harding, 2006-03-30 Almost every piece of embroidery including quilting or soft furnishings needs finishing or edging maybe just a simple hem or binding but more often a truly decorative finishing that enhances the textile So often these finishing techniques are an afterthought but they should be designed when the textile is designed should use the same style of stitching and often the same threads or fabrics This book from one of the UK s leading machine embroiderers gives a library of possibilities which can be used creatively developed further and made more individual by the reader It is ideal for the less experienced machine embroiderer but a great sourcebook for the more advanced Each edging and finishing method is covered in a double page spread with instructive text diagrams and colour photography placed together for clarity The methods given include designs for wall hangings panels book covers bags vessels bowls cushions belts tassels and other accessories Any modern sewing machine will do all the stitching suggested here Edges and Finishes in Machine Embroidery Valerie Campbell-Harding, 2004 A library of possibilities for finishing embroidered pieces this work provides plenty of inspiration for developing your own ideas
