International Higher Education Volume 1 Philip G. Altbach,2011 This encyclopedia is the result of a highly selective enterprise that provides a careful selection of key topics in essays written by top scholars in their fields Comprehensive and in depth coverage of a limited number of countries regions and themes is provided The essays not only feature statistical and factual information but significant interpretation of those facts and figures The chapters on themes and topics are both analytic and interpretative and deal with the most important topics relevant to higher education everywhere More than a compendium of facts and figures the encyclopedi

Routledge Library Editions: Education Mini-Set G Higher & Adult Education 11 vol set Various,2021-07-14 Mini set G Higher and Adult Education re issues 11

volumes originally published between 1974 and 1992. They discuss and analyze adult education from both theoretical and practical standpoints and look at the challenges facing adult education during the 1970s and 80s as well as examining the history of higher adult education in the UK. The mini set includes one volume which although previously available with another publisher and out of print for some years is now available for the first time from Routledge.
