**Voice of the Vanishing Minority** Robert Hill,1999-04-20 Widely regarded as the authentic voice of English speaking farmers in Quebec Robert Sellar editor of the Huntingdon Gleaner was the most quoted rural newspaperman in Canada Voice of the Vanishing Minority recounts Sellar s crusade against the tide of Frenchification that would displace English speaking people from the townships they had pioneered As a result of his outspokenness Sellar endured character assassination physical violence legal harassment arson clerical condemnation disappointment and the apathy of the dwindling communities he was defending His provocative beliefs about Quebec s first English exodus shared by the grass roots but dismissed by politically correct politicians journalists and academics as Anglo Protestant bigotry cut to the core of the unity crisis already developing in Canada Book jacket

**Inside the Law** Carol Wilton,1996-12-15 Law firms are important economic institutions in this country they collect hundreds of millions of dollars annually in fees they order the affairs of businesses and of many government agencies and their members include some of the most influential Canadians Some firms have a history stretching back nearly two hundred years and many are over a century old Yet the history of law firms in Canada has remained largely unknown This collection of essays Volume VII in the Osgoode Society s series of Essays in the History of Canadian Law is the first focused study of a variety of law firms and how they have evolved over a century and a half from the golden age of the sole practitioner in the pre industrial era to the recent rise of the mega firm The volume as a whole is an exploration of the impact of economic and social change on law firm culture and organization The introduction by Carol Wilton provides a chronological overview of Canadian law firm evolution and emphasizes the distinctiveness of Canadian law firm history

**Vanished Villages of Middlesex** Jennifer Grainger,2002-07-10 Once home to over 60 flourishing villages Middlesex County in the heart of southwestern Ontario has a rich history just waiting to be discovered Anthropologist and local history enthusiast Jennifer Grainger has through extensive research and much personal exploration produced a valuable document chronicling the rise and fall of these pioneering settlements truly the foundation of all that exist in the area today Nostalgia buffs armchair adventurers genealogists and curious daytrippers alike will welcome the arrival of this timely publication with its many fascinating stories and countless visual reminders of the past

**Multiculturalism and Immigration in Canada** Elspeth Cameron,2004 Multiculturalism in Canada offers a solid introduction to the history and development of the ideology of multiculturalism in Canada This ideology which has become the primary designator of Canadian society began in the early 1970s when vocal elements in the population who were neither English nor French

strongly responded to the investigations of the Committee on Bilingualism and Biculturalism Given Canada's early racist tendencies the establishment of multiculturalism was a remarkable shift in public thinking Many issues associated with immigration have arisen in the public debates around multiculturalism Some people are convinced that it is a pernicious ideology that enforces the ghettoisation of those different from the mainstream Others see dangers in the way some aspects of multiculturalism are merely tokens of an all inclusive society Still others contend that the voices of ethnicities aside from those of the two charter groups English and French are scarcely heard and that worse those marginalised voices are appropriated by mainstream writers On the whole however Canadians especially younger Canadians welcome a liberal outlook that is inclusive of a wide variety of ethnicities For them and for many immigrants Canada is a society that is multiple and layered one rich in meaning They tend to see Canada as a microcosm of the larger world one that presents a useful model of tolerance for the world at large Increasingly marginalised new Canadians are excelling in the arts communities telling all Canadians what various aspects of the culture shock of transplantation feels like This book includes a representative sample of their works

**The Legacy of Shingwaukonse** Janet Elizabeth Chute, 1998-01-01 Explores how Shingwaukonse and other Native leaders of the Great Lakes Ojibwa sought to establish links with new government agencies to preserve an environment in which Native cultural values and organizational structures could survive

**The Invisible Crown** David E. Smith, 2013-08-31 The Crown is not only Canada's oldest continuing political institution but also its most pervasive affecting the operation of Parliament and the legislatures the executive the bureaucracy the courts and federalism However many consider the Crown to be obscure and anachronistic David E Smith's The Invisible Crown was one of the first books to study the role of the Crown in Canada and remains a significant resource for the unique perspective it offers on the Crown's place in politics The Invisible Crown traces Canada's distinctive form of federalism with highly autonomous provinces to the Crown's influence Smith concludes that the Crown has greatly affected the development of Canadian politics due to the country's societal geographic and economic conditions Praised by the Globe and Mail's Michael Valpy as a thoroughly lucid scholarly explanation of how the Canadian constitutional monarchy works it is bolstered by a new foreword by the author speaking to recent events involving the Crown and Canadian politics notably the prorogation of Parliament in 2008

The Lawmakers John T. Saywell, 2002-01-01 Comprehensive ambitious and detailed The Lawmakers will be the definitive work on the evolution of the law of Canadian federalism

**Notes to the University of Toronto** Martin L. Friedland, 2002-12-15 Two histories of the University of Toronto have been published one in 1906 and one in 1927 Since the latter volume appeared no comprehensive history of the University has been published Given the size of the University and the complexity of the task this is not entirely surprising But after sixty six years this gap in the intellectual history of Canada has been filled and we are delighted to announce publication in March of 2002 of Martin Friedland's new history of one of Canada's most important educational and cultural institutions The author of several books on legal history Professor

Friedland brings to this task an accomplished eye and ear and a status as a long time member of the University community Professor Friedland's text is accompanied by over 200 maps drawings and photographs Published to coincide with the University's 175th anniversary The University of Toronto A History tells the story of the university in the context of the history of the nation of which it is a part weaving the stories of the people who have been a part of this institution people who make up a who's who in the history of Canada Anyone who attended the University or who is interested in the growth of Canada's intellectual heritage will enjoy this compelling and magisterial history **Aboriginal Resource Use in Canada** Kerry Abel, Jean Friesen, 1991-01-15 This volume addresses a wide range of topics related to Aboriginal resource use ranging from the pre contact period to the present The papers were originally presented at a conference held in 1988 at the University of Winnipeg Co editor Kerry Abel has written an introduction that outlines the main themes of the book She points out that it is difficult to know what the enshrinement of Aboriginal rights in the Canadian Constitution means without knowing exactly what constituted the Aboriginal interest in the land past and present She also summarizes some of the developments in the rapidly evolving concept of Aboriginal rights **Charlevoix** Philippe Dubé, Jacques Blouin, 1990 When asked Where is Murray Bay US President Taft always replied Murray Bay is a state of mind For over two hundred years the Charlevoix region has played host to some of the world's most famous and adventurous travellers Considered the Newport of Canada Charlevoix has been a meeting place for rural French Canadians and urban English speaking visitors *Flawed Precedent* Kent McNeil, 2019-06-01 In 1888 the Judicial Committee of the Privy Council ruled in St Catherine's Milling and Lumber Company v The Queen a case involving the Saulteaux people's land rights in Ontario This precedent setting case would define the legal contours of Aboriginal title in Canada for almost a hundred years despite the racist assumptions about Indigenous peoples at the heart of the case In *Flawed Precedent* preeminent legal scholar Kent McNeil provides a compelling account of this contentious case He begins by delving into the historical and ideological context of the 1880s He then examines the trial in detail demonstrating how prejudicial attitudes towards Indigenous peoples influenced the decision He further discusses the effects that St Catherine's had on law and policy until the 1970s when its authority was finally questioned in Calder then in Delgamuukw Marshall Bernard Tsilhqot'in and other key rulings He also provides an informative analysis of the current judicial understanding of Aboriginal title in Canada now driven by evidence of Indigenous law and land use rather than by the discarded prejudicial assumptions of a bygone era **Essays in the History of Canadian Law** Osgoode Society, 1981 Delves into the evolution of Canadian law firms over the past 150 years from the golden age of the sole practitioner in the pre industrial era to the recent rise of the mega firm After a chronological overview of Canadian law firm development essays explore the impact of economic and social change *A Reader's Guide to Canadian History: Confederation to the present* Delphin Andrew Muise, J. L. Granatstein, Paul Douglas Stevens, 1982 **Faithful Intellect** Neil Semple, 2005 In 1850 Samuel Nelles a well educated Methodist minister was selected to resuscitate the debt ridden and

declining Victoria University As principal and later as president and chancellor he fought against shortsighted government educational policies while making the school into one of the premier universities in Canada A true academic Nelles believed in the importance of testing assumed laws dogmas and creeds However his pursuit of intellectual inquiry was always guided by a rational faith in God as well as the expectation of the future greatness and goodness of humanity Faithful Intellect expands the reader s understanding of many of the key intellectual religious and political concerns of nineteenth century English Canada while providing an essential contribution to the study of Canada s system of higher education Parkin William Christian,2008-09-09 George Parkin born on a New Brunswick farm died a knight of the realm and most famous Canadian in the world As orator and journalist he strengthened bonds between English speaking peoples As principal of Upper Canada College and a founder of the Rhodes Scholarships he put formation of character above training the intellect *And Gladly Teach* William Duncan Meikle,1977 Lords of the Line David Cruise,1996-10
