Economic Development Among the Aboriginal Peoples of Canada Robert Brent Anderson,1999 Diversity within Diversity Management Andri Georgiadou,Maria Alejandra Gonzalez-Perez,Miguel R. Olivas-Luján,2019-04-10 This book enhances our understanding as to how diversity and equality are managed in different national contexts Focusing on workplace equality diversity and inclusion this book brings together a unique blend of scholarly research and professional practice evidenced through an array of individuals both outside and inside organizations **Indigenous Peoples and the Modern State** Duane Champagne,Karen Jo Torjesen,Susan Steiner,2005-06-09 Champagne and his distinguished coauthors reveal how the structure of a multinational state has the potential to create more equal and just national communities for Native peoples around the globe Many countries still face extreme differences among ethnic groups and submerged nations leading to marginalization and violence Examining these inherent instabilities in multicultural nations such as the U S Canada Mexico and Guatemala the authors confront problems of coerced assimilation for indigenous communities whose identities predate the formation of the nation states often by thousands of years The contributors show how indigenous people seek to preserve their territory their rights to self government and their culture This book is a valuable resource for Native American Canadian and Latin American studies comparative indigenous governments constitutional law and international relations **Next-Generation Business Models: The Role of Advanced Technologies in Defining the Future** Bahaaeddin Alareeni,Allam Hamdan,2025-09-07 This book provides valuable insights into how advanced technologies are reshaping the modern business landscape As we navigate an era defined by rapid innovation and constant disruption businesses must rethink traditional models to stay competitive It explores the strategic integration of tools such as artificial intelligence blockchain and the Internet of Things highlighting their role in building agile resilient and future ready business models Through a blend of theoretical perspectives empirical research and real world case studies this book equips scholars and professionals with the knowledge and strategies needed to drive innovation in the digital economy What You ll Discover if supportLists endif How emerging technologies are revolutionizing business model design if supportLists endif Frameworks for digital transformation and sustainable innovation if supportLists endif Real world insights from ICBT 2024 contributors and case studies if supportLists endif Strategic pathways for tech adoption across industries and sectors if supportLists endif Multidisciplinary research bridging technology management and policy Ideal for academics business leaders policymakers and innovators this book provides the clarity depth and inspiration needed to lead change and seize opportunity in a tech driven future International Handbook of Research on Indigenous Entrepreneurship L. -P. Dana,2007 This book offers an original collection of international studies on indigenous entrepreneurship Through these specific lenses entrepreneurship greatly appears as a set of cultural values based behaviours Once more culture and human values are placed at the heart of entrepreneurship as an economic and social phenomenon Alain Fayolle EM Lyon and CERAG Laboratory France and Solvay

Business School Belgium A must have for researchers of developmental economics as well as for entrepreneurship scholars this collection assembles studies of indigenous entrepreneurship from five continent **Participating in Development** Alan Bicker,Johan Pottier,Paul Sillitoe,2003-12-16 First published in 2002 Routledge is an imprint of Taylor Francis an informa company **Wise Practices** Robert Hamilton,John Borrows,Brent Mainprize,Ryan Beaton,Joshua Ben David Nichols,2021-10-01 Indigenous peoples in Canada are striving for greater economic prosperity and political self determination Investigating specific legal economic and political practices and including research from interviews with Indigenous political and business leaders this collection seeks to provide insights grounded in lived experience Covering such critical topics as economic justice and self determination and the barriers faced in pursuing each Wise Practices sets out to understand the issues not in terms of sweeping empirical findings but through particular experiences of individuals and communities The choice to focus on specific practices of law and governance is a conscious rejection of idealized theorizing about law and governance and represents an important step beyond the existing scholarship This volume offers readers a broad scope of perspectives incorporating contemporary thought on Indigenous law and legal orders the impact of state law on Indigenous peoples theories and practices of economic development and grounded practices of governances While the authors address a range of topics each does so in a way that sheds light on how Indigenous practices of law and governance support the social and economic development of Indigenous peoples **Aboriginal Conditions** Jerry P. White,Paul S. Maxim,Dan Beavon,2011-11-01 What role does social science research play in public policy decisions on Aboriginal issues How can policymakers Aboriginal organizations and social scientists collaborate to best serve Aboriginal communities and the policymaking processes that affect them Aboriginal Conditions considers such questions with an aim to promote policymaking that is firmly based on social scientific evidence Aimed at three main constituencies Aboriginal and non Aboriginal social scientists government and Aboriginal policymakers and Aboriginal communities the book has multiple purposes First it presents findings from recent research with the goal of advancing research agenda and stimulating positive social development Second it encourages greater links between the social scientific and external research communities and demonstrates the kind of research needed as a foundation for public policy Finally it acts as a guide to research methods for Aboriginal communities and organizations and promotes cooperation between researchers and Aboriginal peoples in an effort to ensure that research decisions serve both groups equally A vital addition to public policy and Native studies Aboriginal Conditions will be welcomed by social scientists policymakers and academics working in these fields **Non-market Entrepreneurship** G. E. Shockley,2009-01-01 Non market entrepreneurship consists of all forms of entrepreneurship not being undertaken solely for purposes of profit maximization or commercialization This work builds a theoretical edifice within the field of entrepreneurship and helps to establish and delineate the contours of the research field of non market entrepreneurship **Entrepreneurship As Social Change** Chris Steyaert,Daniel Hjorth,2008-01-01 a reflective and

scholarly work that presents exciting and challenging views to mainstream entrepreneurship The four books comprising the series would certainly be a valuable addition to any entrepreneurship library However each book also stands alone as an individual purchase Lorraine Warren International Journal of Entrepreneurial Behaviour and Research The narrative and flow of the book is superb and very interesting to read The book is well edited and thought provoking which makes it an interesting read Vanessa Ratten Journal of Enterprising Communities People and Places in the Global Economy This book the third in the Movements in Entrepreneurship series examines entrepreneurship as a societal phenomenon It provides an in depth study of the social aspects of entrepreneurship illustrating how entrepreneurship affects society The need to move beyond economy to disclose entrepreneurship in its societal forms is demonstrated as is the relevance of our understanding of entrepreneurship as a societal phenomenon The contributors show that entrepreneurship is a society creating force and as such it evokes new questions for entrepreneurship research and attempts to engage with new theoretical formulations They begin with discussions on early Schumpeter and a rhetorical analysis of the current academic literature on social entrepreneurship They go on to present myriad contextual examples of how entrepreneurship can shape social change and indicate how this is initiated through various social settings relationships and communities Through rich empirical work this book explores the social of social entrepreneurship and in doing so shows us how entrepreneurship is at home where society is created As such it will prove a fascinating read for academics researchers and students with an interest in entrepreneurship sociology and economic sociology

Indigenous People and Economic Development Katia Iankova, Azizul Hassan, Rachel L'Abbe, 2016-03-22 Indigenous peoples are an intrinsic part of countries like Australia New Zealand Canada Finland USA India Russia and almost all parts of South America and Africa A considerable amount of research has been done during the twentieth century mainly by anthropologists sociologists and linguists in order to describe and document their traditional life style for the protection and safeguarding of their established knowledge skills languages and beliefs These communities are engaging and adapting rapidly to the changing circumstances partly caused by post modernisation and the process of globalization These have led them to aspire to better living standards as well as preserving their uniqueness approaches to environment close proximity to social structures and communities For

at least the last two decades patterns of increased economic activity by indigenous peoples in many countries have been viewed to be significantly on the rise Indigenous People and Economic Development reveals some of the characteristics of this economic activity coloured by the unique regard and philosophy of life that indigenous people around the world have The successes difficulties and obstacles to economic development their solutions and innovative practices in business all of these elements based on research findings are discussed in this book and offer an inside view of the dynamics of the indigenous societies which are evolving in a globalised and highly interconnected contemporary world *Inalienable Properties* Jamie Baxter,2020-05-31 As many Indigenous communities return to self governance and self determination they are taking their own approaches to property rights and community development Based on case studies in four Indigenous communities the Westbank Membertou Nisga a and James Bay Cree nations Jamie Baxter traces how local leaders have set the course for land rights and development during formative periods of legal and economic upheaval Drawing on new research about institutional change in organizational settings Baxter explores when and how community leaders have sustained inalienable land rights without turning to either persuasion or coercive force the two levers of power normally associated with political leadership Inalienable Properties challenges the view that liberalized land markets are the inevitable result of legal and economic change It shows how inalienability can result from intentional choices and is linked to structures of decision making that have long lasting consequences for communities Indigenous Entrepreneurship in Southeast Asia Emiel L. Eijdenberg,Thirumaran K,Pengji Wang,Caroline Wong,2024-04-09 This book provides an in depth exploration of indigenous entrepreneurship and its challenges while addressing ways to make businesses more inclusive and sustainable in the long term Offering a balanced mix of critical perspectives theoretical insights and practical implications provided by both academics and practitioners it examines how indigenous entrepreneurship practices in Southeast Asia challenge existing theories in business and management research The chapters also explore the role of various stakeholders such as the larger community and society supply chain members policy makers etc in facilitating indigenous entrepreneurship Highlighting the uniqueness and diversity of indigenous entrepreneurship in Southeast Asia this book renders a comprehensive overview of contemporary indigenization topics organized by Southeast Asian cultural and national contexts **Indigenous Entrepreneurship in Sub-Saharan Africa** Emiel L. Eijdenberg,Felix Ostertag,Léo-Paul Dana,Henrietta Onwuegbuzie,2024-09-28 This book presents a comprehensive overview of contemporary indigenization topics in the cultural context of sub Saharan Africa Discussing current state of affairs of indigenous entrepreneurship in Africa it seeks to understand what enables and constrains indigenous entrepreneurship in the region Further it explores the role of the institutional environment in promoting indigenous entrepreneurship Tying in the UN Sustainable Development Goals the chapters examine how indigenous entrepreneurship relates to ending poverty creating decent work and economic growth reducing inequalities contributing to sustainable cities and communities and promoting peace justice and strong institutions

For researchers interested in how indigenous entrepreneurship practices in sub Saharan Africa contest contemporary theories in entrepreneurship and management research this work will prove a valuable resource with its much needed case studies quantitative and qualitative research and practitioner perspectives Transnational Indians in the North American West Clarissa Confer, Andrae Marak, Laura Tuennerman, 2015-10-28 This collection of eleven original essays goes beyond traditional border driven studies to place the histories of Native Americans indigenous peoples and First Nation peoples in a larger context than merely that of the dominant nation As Transnational Indians in the North American West shows transnationalism can be expressed in various ways To some it can be based on dependency so that the history of the indigenous people of the American Southwest can only be understood in the larger context of Mexico and Central America Others focus on the importance of movement between Indian and non Indian worlds as Indians left their reserved lands to work hunt fish gather pursue legal cases or seek out education to name but a few examples Conversely even natives who remained on reserved lands were nonetheless transnational inasmuch as the reserves did not fully belong to them but were administered by a nation state Boundaries that scholars once viewed as impermeable it turns out can be quite porous This book stands to be an important contribution to the scholarship that is increasingly breaking free of old boundaries **De Gruyter Handbook of Entrepreneurial Finance** David Lingelbach, 2022-05-09 As of early 2022 seven of the ten largest firms in the world by market capitalization had been funded through various types of entrepreneurial finance This handbook provides an up to date survey of what we know about this significant phenomenon in all its forms and where our knowledge about it needs to head from here The handbook embraces a wide range of established and emerging academic and practitioner voices across the globe to explore the theoretical and practical flux and tension in the field Until recently most studies have taken a supply side perspective focusing on the perspective of those who provide funding to new ventures This book takes a different demand side perspective beginning with the entrepreneur and gradually broadening our view to include close by and then more distant funding sources Following this approach it is organized into four parts detailing the individual level founders resources bricolage and bootstrapping effectuation and portfolio entrepreneurship the inner circle informal financing business groups incubators and accelerators the wider world formal debt microfinance venture capital corporate venture capital business angels government funding and family offices and emerging perspectives non Western perspectives gender indigenous perspectives post conflict and disaster zones and ethics The introduction considers the general state of the field while the conclusion takes on additional topics relevant to entrepreneurial finance such as decentralized finance big data behavioral economics financial innovation and COVID 19 as well as possible ways in which entrepreneurial finance can have a greater impact on other disciplines This handbook will be a core reference work for researchers practitioners and policy makers seeking an up to date academic survey of entrepreneurial finance It can also be used as a primary text in Ph D seminars in entrepreneurship entrepreneurial finance and finance Instructors in Master s level
