Policy and Economic Performance in Divided Korea during the Cold War Era: 1945-91 Nicholas Eberstadt, 2010-03-16 In Policy and Economic Performance in Divided Korea during the Cold War Era 1945-91 Eberstadt presents an impressive compilation of hard-to-find comparative data on economic performance for the Democratic People's Republic of Korea (DPRK) or North Korea and the Republic of Korea (ROK) or South Korea over two critical generations. Social and Economic Policies in Korea Dong-Myeon Shin, 2003-12-08 The sustained remarkable economic growth in the East Asian countries Japan, South Korea, Taiwan, Hong Kong, and Singapore has brought about a great deal of debate over the role of the state in the market and society. Shin analyses the dynamic process of state interventions in the economy and social affairs in Korea from the early 1960s until the present, with special reference to five policy areas: macro-economic policy, industrial policy, social security policy, labour policy, and education and training policy. Social and Economic Policies in Korea develops a unique explanation about the development of Korean social policy using the concepts of policy idea, policy network, and policy linkages to examine the causes, patterns, and consequences of state interventions in the economy and social affairs over time. It should interest students and researchers of East Asian studies, social policy, and development studies

In outlining the major events behind Kim Chong-il's assumption of power, Ken E. Gause illuminates the environment that shaped Chong-il's worldview and his concept of the regime and his role in it. The book focuses on regime politics since 1994. Among other critical topics, the book examines the evolution of North Korean decision-making with regard to its internal and external affairs and how both are intermingled. The prospects for a third hereditary succession and the prospective stability of the next regime are also considered
