## **Economic Reforms And Fertility Behavior A Study Of A Northern Chinese Village:**

**Economic Reforms and Fertility Behavior** Zhang Weiguo, Institute of Social Studies (Hague), 1998      Economic Reforms and Fertility Behaviour Weiguo Zhang, 2013-12-19 Based on an intensive fieldwork in a southern Hebei village in northern China 1992 3 the author takes an institutional approach and focuses on the way deliberate Chinese state policies driven by new economic and social agendas since the late 1970s have impacted on marriage family relations and consequently on the way fertility trends have been adversely affected the study is also very much concerned with the human dimension and the way in which such social and economic changes are perceived and applied in a rural community The research presented in this study goes a long way to unravelling the puzzle concerning the reasons for a very rapid decline in Chinese fertility rates contrasting sharply with a very different fertility transition within western cultures      **Chinese Economic Reforms and Fertility Behaviour [sic]** Weiguo Zhang, 2002 Focuses on the way deliberate Chinese state policies driven by new economic and social agendas since the late 1970s have impacted on marriage family relations and consequently on the way fertility trends have been adversely affected      **Transition and Challenge** Zhongwei Zhao, Fei Guo, 2007-02-22 With the largest population in the world China has experienced significant demographic social and economic changes in recent decades This book examines these changes and also looks at how China's population has altered the global landscape      **Governing China's Population** Susan Greenhalgh, Edwin A. Winckler, 2005 Governing China's Population tells the story of political and cultural shifts from the perspectives of both regime and society      **Where Human Rights Begin** Wendy Chavkin, Ellen Chesler, 2005 Brings together eight wide reaching and provocative essays that examine the practical and theoretical issues of reproductive health policy and implementation This book assesses the impact of policies that have been initiated and consider future directions that governments must take in order to translate visionary ideas into actual achievements      People's Republic of China, Volumes I and II Frank N. Pieke, 2023-12-31 This title was first published in 2002 This two volume set collects in a conveniently accessible form the most influential articles by leading authorities in the study of China It provides an international reference work combined with an authoritative introduction by the editor      **Historical Dictionary of the People's Republic of China** Lawrence R. Sullivan, 2007-05-23 When the Chinese Communist Party CCP seized power in October 1949 China was one of the poorest nations in the world In fact it was so weak it had been conquered by Japan a country one tenth its size a decade earlier Now more than fifty years later the People's Republic of China PRC is an emerging economic political and military superpower with the world's fastest growing economy and largest population 1.3 billion in 2005 A member of the United Nations Security Council since the early 1970s and a nuclear power China wields enormous influence in the world community The second edition of the Historical Dictionary of the People's Republic of China contains more than 400 cross referenced dictionary entries on individual topics spanning China's political economic and social system along with short biographies on important figures from politicians to writers

and movie directors who have shaped Chinese history during the period of Communist rule from 1949 to 2006

Supplementing the entries are a chronology an introduction charts outlining the structure of the Chinese government and a bibliography of works in English making this a superb resource for college and high school students needing a quick reference on contemporary China

*Social Production and Reproduction at the Interface of Public and Private Spheres* Marcia Texler Segal, Esther Ngan-Ling Chow, Vasilikie (Vicky) Demos, 2012-07-27

*Social Production and Reproduction at the Interface of Public and Private Spheres* *Choosing Daughters* Lihong Shi, 2017-08-08

China's patrilineal and patriarchal tradition has encouraged a long standing preference for male heirs within families Coupled with China's birth planning policy this has led to a severe gender imbalance But a counterpattern is emerging in rural China where a noticeable proportion of young couples have willingly accepted having a single daughter They are doing so even as birth planning policies are being relaxed and having a second child and the opportunity of having a son is a new possibility

*Choosing Daughters* explores this critical yet largely overlooked reproductive pattern emerging in China's demographic landscape Lihong Shi delves into the social economic and cultural forces behind the complex decision making process of these couples to unravel their life goals and childrearing aspirations the changing family dynamics and gender relations and the intimate parent daughter ties that have engendered this drastic transformation of reproductive choice She reveals a leading edge social force that fosters China's recent fertility decline namely pursuit of a modern family and successful childrearing achieved through having a small family Through this discussion Shi refutes the conventional understanding of a universal preference for sons and discrimination against daughters in China and counters claims of continuing resistance against China's population control program

**Sociological Abstracts** Leo P. Chall, 2000

CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

**International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences**, 2002

**People's Republic of China: Natural resources, population and social life** Frank N. Pieke, 2002

**Social Change and the Family in Taiwan** Arland Thornton, Hui-Sheng Lin, 1994

Until the 1940s social life in Taiwan was generally organized through the family marriages were arranged by parents for example and senior males held authority In the following years as Taiwan evolved rapidly from an agrarian to an industrialized society individual decisions became less dependent on the family and more influenced by outside forces

*Social Change and the Family in Taiwan* provides an in depth analysis of the complex changes in family relations in a society undergoing revolutionary social and economic transformation This interdisciplinary study explores the patterns and causes of change in education work income leisure time marriage living arrangements and interactions among extended kin

Theoretical chapters enunciate a theory of family and social change centered on the life course and modes of

social organization Other chapters look at the shift from arranged marriages toward love matches as well as changes in dating practices premarital sex fertility and divorce Contributions to the book are made by Jui Shan Chang Ming Cheng Chang Deborah S Freedman Ronald Freedman Thomas E Fricke Albert Hermalin Mei Lin Lee Paul K C Liu Hui Sheng Lin Te Hsiung Sun Arland Thornton Maxine Weinstein and Li Shou Yang      **Comprehensive Dissertation Index** ,1989

*International bibliography of research in marriage and the family* Joan Aldous,1967      *Chinese Working-Class Lives* Hill Gates,2018-03-15 Taiwan s working class has been shaped by Chinese tradition by colonialism and by rapid industrialization This book defines that class explores that history and presents with sensitive honesty the life experiences of some of its women and men Hill Gates first provides a solid and informative introduction to Taiwan s history showing how mainland China Japan the convulsions of twentieth century wars and the East Asian economic expansion interacted in forming Taiwanese urban life She introduces nine individuals from Taiwan s three major ethnic groups to tell the stories of their lives in their own words The narrators include a fortuneteller a woman laborer and a retired air force mechanic A former spirit medium and a janitor are among the others who speak      **Forthcoming Books** Rose Arny,2001      Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004      **Private Life under Socialism** Yunxiang Yan,2003-03-12 For seven years in the 1970s the author lived in a village in northeast China as an ordinary farmer In 1989 he returned to the village as an anthropologist to begin the unparalleled span of eleven years fieldwork that has resulted in this book a comprehensive vivid and nuanced account of family change and the transformation of private life in rural China from 1949 to 1999 The author s focus on the personal and the emotional sets this book apart from most studies of the Chinese family Yan explores private lives to examine areas of family life that have been largely overlooked such as emotion desire intimacy privacy conjugality and individuality He concludes that the past five decades have witnessed a dual transformation of private life the rise of the private family within which the private lives of individual women and men are thriving
