comparing planning cultures the discussion turned on the issue of globalisation As a member of the panel this author asked
those in the audience who lived and or worked in a country different from their country of origin to raise their hands About
half of the audience of well over one hundred academic teachers and researchers from all comers of the world the present
author included did so Next he asked who had a spouse or partner from a country different from their country of origin to
also raise their hands About half of the audience the present author included raised their hands This is the soft side of
globalisation The soft side of globalisation is important Exchanges personal mobility international romances multi culturalism
and multi lingualism inevitably meaning non native speakers struggling to keep up with native English speakers are part of
the academic scene so much so that we can hardly imagine it to be otherwise These are not entirely new phenomena but they
have become ever more prominent relying on an ever more elaborate institutional infrastructure of exchange programmes
