Economists In Government An International Comparative Study:

Economists in Government Alfred William Coats, 1981 Outgrowth of two conferences the first held April 27 1977 at the Villa Serbelloni Bellagio Italy and the second held March 25-31 1979 at the Inter University Centre for Postgraduate Studies Dubrovnik Yugoslavia

International Organizations and the Analysis of Economic Policy, 1919-1950

Anthony M. Endres, Grant A. Fleming, 2002-06-24 This 2002 book expands our understanding of the distinctive policy analysis produced between 1919 and 1950 by economists and other social scientists for four major international organizations the League of Nations the International Labor Organization the Bank for International Settlements and the United Nations These practitioners included some of the twentieth century's eminent economists including Cassel Haberler Kalecki Meade Morgenstern Nurkse Ohlin Tinbergen and Viner Irving Fisher and John Maynard Keynes also influenced the work of these organizations Topics covered include the relationship between economics and policy analysis in international organizations business cycle research the role and conduct of monetary policy public investment trade policy social and labor economics international finance the coordination problem in international macroeconomic policy full employment economics and the rich country poor country debate Normative agendas underlying international political economy are made explicit and lessons are distilled for today's debates on international economic integration

Economists in the Americas Veronica Montecinos, John Markoff, 2010-01-01 Probably no region's economists have had greater public visibility or greater impact on regional and national public policy than Latin America's and no region has been more directly affected by the spread of US economics *Economists in the Americas* joins a small but important comparative literature on economics as a profession and is the first comparative treatment of professional economists in the United States and Latin America A multidisciplinary group of scholars discusses the last sixty years of shifting trends in economics in seven countries in the Western Hemisphere Argentina Brazil Chile Colombia Mexico Uruguay and the United States The chapters address the history of economics in the Americas the role of economists in politics and policy making economics education and competing paradigms in the field This collection points to the interconnections among the national cases the forging and breakdown of consensus around state and market dominance the transnational diffusion of economic ideas and professional norms as well as the embrace and rejection of an increasingly Americanized professional identity among Latin American economists The book will be of interest to policymakers and scholars interested in the comparative history and sociology of economics development public policy international affairs political science and Latin American studies

The Economics of Economists Alessandro Lanteri, Jack Vromen, 2014-06-05 The profession of academic economics has been widely criticized for being excessively dependent on technical models based on unrealistic assumptions about rationality and individual behavior and yet it remains a sparsely studied area This volume presents a series of background readings on the profession by leading scholars in the history of economic thought and economic methodology Adopting a fresh critique the contributors investigate the individual incentives

prevalent in academic economics describing economists as rational actors who react to their intellectual environment and the incentives for economic research Timely topics are addressed including the financial crisis and the consequences for the discipline as well as more traditional themes such as pluralism in research academic organizations teaching methodology gender issues and professional ethics This collection will appeal to scholars working on topics related to economic methodology and the teaching of economics

Japanese Economics and Economists since 1945 Aiko Ikeo, 2002-09-26 In this book leading Japanese scholars present an objective study of Japanese economics since 1945 based on statistical data and analysis The first half of the book assesses the impact and influence of Japanese economics within the international academy demonstrating the increasingly important contribution of Japanese approaches to theoretical and mathematical economics Part Two investigates the impact of Japanese economics on policy making dissecting the formulation of the famous industrial structure policy and comparing Japanese economics with American and Korean models Presenting a wealth of original empirical data and a new perspective on international economic theory this book will be of interest to historians theoreticians and policy makers alike

The Sociology and Professionalization of Economics A. W. Bob Coats, 2005-08-17 Coats has made an outstanding contribution to the history of economic thought economic methodology and the sociology of economics This unique volume represents a substantial part of his work on the sociology and professionalization of economics

The Post-1945 Internationalization of Economics Alfred William Coats, 1997 In addressing the internationalization of economics after 1945 these essays are concerned with aspects of economic education the economist's role in policymaking and the sociology and professionalization of the discipline These matters have rarely been considered in international terms While discussing organizations such as the World Bank International Monetary Fund and the European Community and presenting studies that are primarily concerned with the effect of these developments in particular countries this volume focuses on the situation of Latin America Arguably the post 1945 internationalization of economics has proceeded further more dramatically and with greater effect in that continent than in any other region of comparable size Contributors S Ambirajan William Ascher William J Barber Young Back Choi A W Coats Barend de Vries Margaret Garrison de Vries Peter Groenewegen Arnold Harberger Aiko Ikeo Maria Rita Loureiro Ivo Maes Veronica Montecinos Jacques J Polak Pier Luigi Porta Bo Sandelin Ann Veiderpass John Williamson

The Spread of Economic Ideas David C. Colander, Alfred W. Coats, Alfred William Coats, 1993-01-29 This book first published in 1989 contains a spirited debate between eminent economists journalists and publishers about the spread of economic ideas The examination of the flow of ideas among economists and from economists to the public is followed by a discussion of the public policy use and abuse of these concepts

The Historiography of Economics A.W. Bob Coats, 2013-10-08 This is the third and final volume of collected papers of A W Bob Coats Coats began to collect material for this volume in the years following the publication of the second volume in 1993 but sadly died in 2007 before the work was completed The volume has now been completed under the editorship of Roger

Backhouse and Bruce Caldwell Along with his articles the compilation of the volume also reflects Coats interest in and commitment to book reviews a selection of which have been chosen for inclusion The book also includes a comprehensive bibliography In addition to a preface by Backhouse and Caldwell the volume also reproduces the obituary that was published in *History of Political Economy* a memoir published in 1996 and an interview with Grant Fleming published the previous year Together the introductory materials articles and reviews serve as a fitting tribute to the body of work of Bob Coats *The Development of Economics in Western Europe Since 1945* A. W. (Bob) Coats,2005-08-19 The volume goes beyond the conventional history of economics in its emphasis on the historical and institutional context economic policy and the development of economics as a profession *The Political Power of Economic Ideas* Peter A. Hall,2020-11-10 John Maynard Keynes once observed that the ideas of economists and political philosophers both when they are right and when they are wrong are more powerful than is commonly understood The contributors to this volume take that assertion seriously In a full scale study of the impact of Keynesian doctrines across nations their essays trace the reception accorded Keynesian ideas initially during the 1930s and then in the years after World War II in a wide range of nations including Britain the United States France Germany Italy Japan and Scandinavia The contributors review the latest historical evidence to explain why some nations embraced Keynesian policies while others did not At a time of growing interest in comparative public policy making they examine the central issue of how and why particular ideas acquire influence over policy and politics Based on three years of collaborative research for the Social Science Research Council the volume takes up central themes in contemporary economics political science and history The contributors are Christopher S Allen Marcello de Cecco Peter Alexis Gourevitch Eleanor M Hadley Peter A Hall Albert O Hirschman Harold James Bradford A Lee Jukka Pekkarinen Pierre Rosanvallon Walter S Salant Margaret Weir and Donald Winch *The State and Economic Knowledge* Mary O. Furner,Barry Supple,1990-08-31 This book addresses an important but inadequately recognized dimension of the activities of the modern state the role it plays in producing the theoretical and practical knowledge necessary for economic policy making Over time governments in modern societies have assumed the ultimate responsibility for ensuring the economic well being of their citizens and for protecting their competitive positions in the international economy To perform their various coordinating functions effectively and to maintain legitimacy governments have found it necessary to rely on accurate information regarding economic conditions and trends and on empirically based theories or models that allow officials to anticipate the economy s performance under specified conditions The traditional assumption which this collection of essays challenges is that despite this profound dependence governments have generally acted as passive consumers of whatever ideas economists in the private sector and professions had to offer This book brings together papers that reveal the ways in which modern states have helped to generate new economic knowledge and how that process interacts with economic changes specific political institutions and ideological contexts *On the History of Economic Thought* A. W. Bob Coats,2005-08-08 On the

History of Economic Thought is introduced by an essay in intellectual autobiography outlining the development of Coats key ideas and the distinctive elements of his approach Two themes in particular emerge The first is the difference between British and American economics both in content and in the practice of the profession This is an important element in all areas of his research The second theme is in the interrelationships between economic ideas events or conditions and policy issues The book concludes by offering an assessment of the current state of the discipline indicating the advantages an historian of economics can offer as a commentator on recent developments *External Research. ER List* United States. Department of State. External Research Division,1962

Policy Analysis and Economics David L. Weimer,2012-12-06 Long before policy analysis emerged as a separate profession with its own graduate schools economists offered advice about government policies Positive economics provides the tools for predicting the impacts of prop osed policies normative economics especially welfare theory offers a framework for valuing the impacts of policies in terms of efficiency and simple notions of equity With the expansion of economic theory into ever wider fields of human behavior it is no wonder that economists have prominence as teachers and practitioners of policy analysis Indeed many economists see policy analysis as essentially applied economics Though other social scientists might object to this somewhat parochial view economics and policy analysis share much in commom in terms of develop ment and prospects The purpose of this volume is to trace these interrela tionships and explore the tensions that they create Tensions arise for several reasons Changes in the discipline of econ omics affect the findings methods and personnel offered to policy analy sis For example on the one hand the new institutional economics appears to be extending the influence of economists to questions involving nonmarket oranizations while on the other hand the apparently growing emphasis within the economics profession on creating rather than empir ically testing theory suggests that fewer of the best young scholars will be drawn to policy relevant research Within the schools of policy analysis the drift toward public management may reduce the demand for traditional economic training **Psychological Economics** P. Earl,2012-12-06

Peter E Earl There is no doubt that it is appropriate for a series on Modern Economic Thought to include a book on the recent development of economic analysis incorporating ideas from psychology This book was designed to appear in 1987 15 years after the publication of a now classic collection of essays in honor of George Katona Strumpel et al 1972 who throughout the fifties and sixties had been tirelessly trying to persuade economists of the virtues of an infusion of psychology into their work In the intervening 15 years there has been a considerable growth of interest along the lines for which Katona had been arguing Many psychology based economics mon ographs have appeared a specialist quarterly the Journal of Economic Psychology commenced publication in 1981 with 1985 seeing the first issue of the Journal of Interdisciplinary Economics as yet another addition to growing ranks of psychology friendly journals such as the Journal of Consumer Research and the Journal of Social Economics and recently within psychology itself symposia have been taking place with a focus on the economics psychology interface for example see the entire June 1982 issue of the British Journal of Social

Psychology For someone like myself strongly committed to a psychological approach to economics a 1 2 PSYCHOLOGICAL ECONOMICS problem of information overload and consequent ignorance of pertinent developments already looms large as a possibility **Economic Thought and Policy in Less Developed Europe** Maria Eugenia Mata,Michalis

Psalidopoulos,2001-12-06 The essays in this volume explore and discuss the process of dissemination of economic ideas among Europe s less developed countries and regions as well as the interaction between economic thought and economic policy in different times and places during the nineteenth century The comparative approach adopted sheds new light on the course of economic development in Europe s less developed countries in the nineteenth century and the role played by political economy Amongst a host of others the topics covered include economic policy in Denmark monetary and trade policy in Norway the influence of the German Historical School in Finland land Reform and the abolition of serfdom in Russia and in Poland With contributions that disclose important insights into national traditions in economic thought and policy and the diffusion of ideas in Europe this work will be essential reading for all scholars of the history of economic thought **The**

Oxford Handbook of Dutch Politics ,2024-09-25 The Oxford Handbook of Dutch Politics provides a comprehensive longitudinal overview of the state of the art of academic research on the Dutch political system its origins and historical development its key institutions main fault lines pivotal processes and key public policy dynamics In each of the chapters researchers take stock of what if anything has changed over time how scholars have conceptualized and studied these dynamics and what key factors can account for the developmental patterns found to be at play Notwithstanding its considerable degree of constitutional and institutional stability Dutch politics has seen considerable step changes and occasional upheavals across the last half century Influenced by long term demographic socio economic and cultural shifts the old social cleavages have waned New social identities and dividing lines such as ethnicity education place and gender have influenced Dutch citizens political attitudes and behaviours including their voting patterns The media landscape and the information environment have been altered by new technologies that politicians and citizens alike have to navigate This has produced changes in such pivotal components as the party system coalition formation and management process and executive legislative relations and many others Moreover public policy paradigms and the political coalitions that sustained them have ascended and lost traction in most of the eleven policy domains discussed in the Handbook In all this volume provides unique and indispensable insights into stability and change in a political system that once gained notoriety as an archetype of a consensual or consociational democracy **Government-sponsored Research on Foreign Affairs** ,1977

Comparative Sociological Research in the 1960s and 1970s J. Michael Armer,Robert Mortimer Marsh,1982

Economists In Government An International Comparative Study Book Review: Unveiling the Power of Words

Economists In Government An International Comparative Study Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Economists In Government An International Comparative Study free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Economists In Government An International Comparative Study free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type.

By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Economists In Government An International Comparative Study free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Economists In Government An International Comparative Study. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Economists In Government An International Comparative Study any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Economists In Government An International Comparative Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economists In Government An International Comparative Study is one of the best book in our library for free trial. We provide copy of Economists In Government An International Comparative Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economists In Government An International Comparative Study. Where to download Economists In Government An International Comparative Study online for free? Are you looking for Economists In Government An International Comparative Study PDF? This is definitely going to save you time and cash in something you should think about.
