Michael Pokorny, John Sedgwick

Economic Ideas And Government Policy Contributions To Contemporary Economic History:

Economic Ideas and Government Policy Sir Alec Cairncross, 2002-03-11 This volume collects together Sir Alec Cairncross most important contributions to the economic history of the post 1939 period They address such major issues as the role of economists in the 2nd World War the significance of the Marshall plan and Britain's relative economic decline Together they demonstrate a keen insight into the changing role of the economist in government and the gradual transformation of the economic landscape

Economic Ideas and Government Policy Sir Alec Cairncross, 2002-03-11 This volume collects together Sir Alec Cairncross most important contributions to the economic history of the post 1939 period They address such major issues as the role of economists in the 2nd World War the significance of the Marshall plan and Britain's relative economic decline Together they demonstrate a keen insight into the changing role of the economist in government and the gradual transformation of the economic landscape

The Power of Economic Ideas Alex Millmow, 2010-05-01 Economics Keynes once wrote can be a very dangerous science Sometimes though it can be moulded to further the common good though it might need a leap in mental outlook a whole new zeitgeist to be able to do so This book is about a transformation in Australian economists thought and ideas during the interwar period It focuses upon the interplay between economic ideas players and policy sometimes in the public arena In a decade marked by depression recovery and international political turbulence Australian economists moved from a classical orthodox economic position to that of a cautious Keynesianism by 1939 We look at how a small collective of economists tried to influence policy making in the nineteen thirties Economists felt obliged to seek changes to the parameters as economic conditions altered but more importantly as their insights about economic management changed There are three related themes that underscore this book Firstly the professionalisation of Australian economics took a gigantic leap in this period aided in part by the adverse circumstances confronting the economy but also by the aspirations economists held for their discipline A second theme relates to the rather unflattering reputation foisted upon interwar economists after 1945 That transition underlies a third theme of this book namely how Australian economists were emboldened by Keynes's General Theory to confidently push for greater management of economic activity By 1939 Australian economists conceptualized from a new theoretic framework and from one which they advanced comment and policy advice This book therefore will rehabilitate the works of Australian interwar economists arguing that they not only had an enviable international reputation but also facilitated the acceptance of Keynes's General Theory among policymakers before most of their counterparts elsewhere

An Economic History of Modern Sweden Lennart Schön, 2012 This book gives a comprehensive account of Swedish economic development from 1800 to the early years of the new millennium

Large Databases in Economic History Mark Casson, Nigar Hashimzade, 2013-11-20 Big data is now readily available to economic historians thanks to the digitisation of primary sources collaborative research linking different data sets and the publication of databases on the internet Key economic indicators

such as the consumer price index can be tracked over long periods and qualitative information such as land use can be converted to a quantitative form In order to fully exploit these innovations it is necessary to use sophisticated statistical techniques to reveal the patterns hidden in datasets and this book shows how this can be done A distinguished group of economic historians have teamed up with younger researchers to pilot the application of new techniques to big data Topics addressed in this volume include prices and the standard of living money supply credit markets land values and land use transport technological innovation and business networks The research spans the medieval early modern and modern periods Research methods include simultaneous equation systems stochastic trends and discrete choice modelling This book is essential reading for doctoral and post doctoral researchers in business economic and social history The case studies will also appeal to historical geographers and applied econometricians

An Economic History of Sweden Lars Magnusson,2000-03-23 Based upon comprehensive and original research An Economic History of Sweden represents an invaluable resource for both economic historians and students of economic theory

A Cultural History of Finance Irene Finel-Honigman,2009-10-16 The world of finance is again undergoing crisis and transformation This book provides a new perspective on finance through the prism of popular and formal culture and examines fascination and repulsion toward money the role of governments and individuals in financial crises and how the Crisis of 2008 like others since 1720 repeat the same patterns of enthusiasm greed culpability revulsion reform and recovery The book explores the political and socio economic factors which determine fallibility and resilience in financial cultures periods of crisis transition and recovery based on cyclical rather than linear progression Examining the roots of financial capitalism in Europe and the United States and its corollary development in Asia Russia and emerging markets proves that cultural and psychosocial reactions to financial success endeavor and calamity transcend specific periods or events The book allows the reader to discover parallel and intersecting reactions controversies and resolutions in the cultural history of financial markets and institutions

Quantitative Economic History Joshua L. Rosenbloom,2008-03-26 The essays in this book use the analytical tools and theoretical framework of economics to interpret quantitative historical evidence offering new ways to approach historical issues and suggesting entirely new types of evidence outside conventional archives Rosenbloom has gathered together seven essays from leading quantitative economic historian

Social Capital, Trust and the Industrial Revolution David Sunderland,2007-01-18 The first text to examine the concept of trust and the role that it played on the Industrial Revolution this book is a key resource for students studying nineteenth century British history as well as historically minded sociologists Analytical in style and comprehensive in approach Social Capital Trust and the Industrial Revolution covers a ran

A grand strategy of peace Andrew Ehrhardt,2025-09-02 A grand strategy of peace is the first detailed account of Britain s role in the creation of the United Nations Organization during the Second World War As a work of traditional diplomatic history that brings in elements of intellectual history the book describes how British officials diplomats politicians and writers

previously seen to be secondary actors to the United States in this period thought about planned for and helped to establish a future international order While in the present day many scholars and analysts have returned to the origins of the post 1945 international system this book offers an exhaustive account of how the statesmen and more importantly the officials working below the statesmen actually conceived of and worked to establish a post war world order

The Revolutionary Russian Economy, 1890-1940 Vincent Barnett,2004-03-04 Looking at the alternatives to Stalin s reform program that had such tragic outcomes this snappy readable book this will be an insightful text for economic and political historians with an interest in Russia

Central Banking in a Democracy John H. Wood,2014-10-17 The Federal Reserve System which has been Congress s agent for the control of money since 1913 has a mixed reputation Its errors have been huge It was the principal cause of the Great Depression of the 1930s and the inflation of the 1970s and participated in the massive bailouts of financial institutions at taxpayers expense during the recent Great Recession This book is a study of the causes of the Fed s errors with lessons for an improved monetary authority beginning with an examination of the history of central banks in which it is found that their performance depended on their incentives as is to be expected of economic agents An implication of these findings is that the Fed s failings must be traced to its institutional independence particularly of the public welfare Consequently its policies have been dictated by special interests financial institutions who desire public support without meaningful regulation as well as presidents and those portions of Congress desiring growing government financed by inflation Monetary stability which used to be thought the primary purpose of central banks requires responsibility meaning punishment for failure instead of a remote and irresponsible to the public agency such as the Fed It requires either private money motivated by profit or Congress disciplined by the electoral system as before 1913 Change involving the least disturbance to the system suggests the latter

Land Rights, Ethno-nationality and Sovereignty in History Stanley Engerman,Jacob Metzger,2004-08-02 The complex relationships between ethno nationality rights to land and territorial sovereignty have long fed disputes over territorial control and landed rights between different nations ethnicities and religions These disputes raise a number of interesting issues related to the nature of land regimes and to their economic and political implications The studies drawn together in this key volume explore these and related issues for a broad variety of countries and times They illuminate the diverse causes of ethno national land disputes and the different forms of adjustment and accommodation to the power differences between the contesting groups This is done within a framework outlined by the editors in their analytical overview which offers contours for comparative examinations of such disputes past and present Providing conceptual and factual analyses of comparative nature and wealth of empirical material both historical and contemporary this book will appeal to economic historians economists political scientists sociologists anthropologists and all scholars interested in issues concerning ethno nationality and land rights in historical perspective

Industrial Development in Postwar Japan Hirohisa Kohama,2007-10-04 Structured into sub sector by sub sector analyses and written

by an authority in the area this book provides a clear and accessible examination of industrial development without over generalizing or being weighed down by historical details

Production Efficiency in Domesday England, 1086 John McDonald, 2002-09-11 This fascinating study uses Domesday book data and Management Science methods to examine manorial production efficiency in Medieval Essex in 1086 This book reveals unexpected facts about economic history and is a remarkable contribution to economic history and medieval studies It will be of great interest to economists management scientists medievalists and anyone involved with Domesday studies

Mid-Century Modernism in Turkey Meltem Gürel, 2018-02-05 Mid Century Modernism in Turkey studies the unfolding of modern architecture in Turkey during the 1950s and 1960s The book brings together scholars who have carried out extensive research on post WWII modernism in a global context The authors situate Turkish architectural case studies within an international framework during this period providing a close reading of how architectural culture responded to ubiquitous post war ideas and ideals and how it became intertwined with politics of modernization and urbanization This book contributes to contemporary scholarship to reconsider post war architecture beyond canonical explanations

The Political Economy of Disaster Mats Lundahl, 2013 Haiti one of the least developed and most vulnerable nations in the Western Hemisphere made the international headlines in January 2010 when an earthquake destroyed the capital Port au Prince More than a year later little reconstruction has taken place in spite of a strong international funding commitment Mats Lundahl has written several seminal works on Haiti and this volume brings together the best of his past work on Haiti s economic and political history along with a comprehensive introduction and two new chapters which bring the story right up to the present day Together the volume provides both historical background and explanation as to why Haiti was so badly affected by the earthquake and to why reconstruction efforts have been ineffective this far Lundahl argues that the two main causes can found in the interaction between the growth of the population and the destruction of the arable soil on the one hand and in the creation of a predatory state during the nineteenth century which still exists to this day This book provides a comprehensive analysis which charts these themes from the time of the arrival of Columbus in the island in 1492 to the present day The book also deals with contemporary market and policy failures as well as the crucial recent elections and considers the path ahead for this impoverished nation This book will be of huge relevance and interest not only to students and researchers in economic history but also for all those working on development economics development studies and American and Caribbean Studies more generally

Intra-Asian Trade and Industrialization A.J.H. Latham, Heita Kawakatsu, 2009-05-08 Under the impressive editorship of A J H Latham and comprising high quality essays on a topic of rising interest to scholars and policymakers this volume makes some valuable contributions to regional and global dynamics of trade With contributions from leading names in the field of economic history such as D A Farnie this book will be useful reading for scholars interested in global economic history globalization and regional trade and Asian studies

Freedom and Growth S.R. Epstein, 2000-08-24 This book examines whether different

kinds of freedoms absolutist parliamentary and republican caused different economic outcomes and shows the effect of different political regimes on long term development *An Economic History of Film* Michael Pokorny, John Sedgwick, 2004-09-09 The economics of the movie industry has been curiously neglected by scholars especially given the material circumstances in which film has been produced distributed and exhibited in capitalist economies and its central importance in the lives of the huge numbers attracted to it as a commodity This book provides an economic framework for understanding developments in film history Film is a peculiar commodity with a unique set of characteristics The topic hence is interesting and covered with aplomb by the contributors to the volume The book includes sections on long term trends in the film industry the transformation of film from a primitive commodity to a heavily branded product the operation of the studio system the end of the studio system in post war America the role and payment of stars Hollywood s approach to risk during the 1990s Experts from the UK and North America have come together in these pages and the result is a readable insightful and enlightening book that will gain many fans amongst those with an interest in the economics of film economic historians film historians and aficionados of the movie industry generally

The Enigmatic Realm of **Economic Ideas And Government Policy Contributions To Contemporary Economic History**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. While this might not be the Economic Ideas And Government Policy Contributions To Contemporary Economic History full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Economic Ideas And Government Policy Contributions To Contemporary Economic History eBooks, including some popular titles.

FAQs About Economic Ideas And Government Policy Contributions To Contemporary Economic History Books

What is a Economic Ideas And Government Policy Contributions To Contemporary Economic History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Economic Ideas And Government Policy Contributions To Contemporary Economic History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Economic Ideas And Government Policy Contributions To Contemporary Economic History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Economic Ideas And Government Policy Contributions To Contemporary Economic History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Economic Ideas And Government Policy Contributions To Contemporary Economic History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
