Spiritual Connections Sylvia Browne, 2009-11. Have you ever wondered why some relationships are wonderful and others are just catastrophic and tragic? Why do we get along with some people and continually engage in bitter fighting with others? In this fascinating and helpful book, internationally renowned psychic Sylvia Browne examines why we form connections with certain individuals for better or worse. From the lifelong comfort of a loving marriage to the agony of a brief encounter that ends in heartbreak, she reveals why we have joyful and happy relationships on the one hand and chaotic and painful ones on the other. Sylvia takes us on a remarkable excursion that covers all the different types of relationships we'll experience in life. From childhood to our golden years, she helps us see why we form both beneficial and challenging unions, and she also explores how the themes and charts of our lives can interact with those of others in both positive and negative ways, creating situations that can nurture us for years or doom us to disaster. Sylvia enables us to come to a true understanding of why we're attracted to some people and turned off by others. By utilizing her marvelous insights, we can all learn how to find spirituality in every connection we make and separate the wheat from the chaff in order to live happier and more fulfilling lives.

Purposehood Ammar Charani, 2020-05-06. You were born a genius, but that seed was obstructed and malnourished while you struggled to grow in the jungle of life. Transcending these limitations to reclaim your destiny, happiness, success, and fulfillment is what this groundbreaking book is all about. Everything in existence has a forward-pulling existential purpose that serves itself, and indeed, the entire universe. Purposehood: The Purposehood of everything is to evolve and expand exponentially in a powerful symbiotic relationship. Moving against this force creates stress and tension; moving with it creates harmony and ease. Based on Ammar's deep personal exploration of science, philosophy, religion, mysticism, and existence itself, Purposehood: Transform Your Life, Transform the World invites you to reflect on your own life's purpose and how you can embrace it to create positive change and success. About the Author: Ammar sought fulfillment at a young age through his devotion to exploring religions. He attended Christian schools in Syria and spent ten years with Sufi masters and religious scholars studying, teaching, and subsequently serving as a cleric. Later in life, his focus turned to entrepreneurship, where he pursued success by starting and seed investing in over thirty businesses, four of which are led by members of YPO, a global leadership community of chief executives. Ammar's startup spirit extended to volunteering in YPO, where he is a founding member of eleven chapters spanning four continents, positively impacting their communities. He also founded the YPO Change Makers Club, where members and spouses share their expertise with the wider community. Ammar

initially graduated with an engineering degree from the University of Central Florida and later from Harvard Business School's The President's Program in Leadership After a near death experience followed by an eleven year deep dive into the meaning of life today Ammar is focused exclusively on working with volunteers to spark a Purposehood movement dedicated to helping people transform their lives and the world by discovering and living their existential purpose
