**Understanding the Consecrated Life in Canada**

Jason Zuidema,2015-12-21 The story of the consecrated life in Canada since the 1960s should be about much more than numerical decline Although the falling numbers are significant among Catholic religious in communities that pre date Vatican II many communities continue to show stability and even growth This book provides nuance to that story by adding detailed portraits of movements communities and institutions In four parts this book presents essays from the leading scholars on religious life in Canada that seek to address the state of religious communities dedicated to religious virtuosity normally characterized by formal promises of chastity poverty and obedience The essays examine a broad range of topics related to the general state of consecrated or religious or monastic life in contemporary Canadian Christian and Buddhist traditions In the first section the contributors trace the demographics and definitions of religious life in Canada The second section examines Canadian developments in Catholic religious life during the Vatican II and the post Vatican II eras A third section

explores trends in contemporary Canadian religious life while the fourth section describes the consecrated life in other Canadian religious traditions *Feminism and Religion in the 21st Century* Gina Messina-Dysert, Rosemary Radford Ruether, 2014-10-10 This anthology will explore the new directions of conversations occurring in relation to feminism and religion as well as the technological modes being utilized to continue dialogue expand borders and create new frontiers in feminism It is a cross generational project bringing together the voices of foremothers with those of the twenty first century generation of feminist scholars to discuss the changing direction of feminism and religion new methods of dialogue and the benefits for society overall **God's High Calling for Women** John MacArthur, 2009-03-01 Dr John MacArthur discusses major tensions for women in the church as outlined by the apostle Paul Complete with questions for review and thoughts for reflection this is an excellent resource for personal or group study **New SCM Dictionary of Liturgy and Worship** Paul F. Bradshaw, 2013-05-20 This reference work incorporates the insights and expertise of leading liturgists and scholars of liturgy at work today comprising 200 entries on important topics in the field from vestments and offertories to ordination and divine unction It is systematically organized and alphabetically arranged for ease of use It also includes comprehensive bibliographies and reading lists to bring the work fully up to date and to encourage further reading and research My Testimony Jewel Blackshear, 2019-04-24 In My Testimony I open my closet to give you a glimpse of some of the pitfalls pain and adversities that I experienced I also share how I was victorious in overcoming adversity after I learned to take ownership for my actions I share how I accepted my charge to make the appeal that folks stop doing wrong and calling it right My heartfelt desire for you is that you exercise Godly wisdom to avoid some pitfalls that can cause much trauma and significant drama The key to avoiding some of the major painful experiences is to completely trust God He stands ready to grant us the desires of our hearts however we tie his hands through our willful acts of disobedience to his Word his way and his will In some instances it took me a long time to obtain wisdom because for so long I insisted on being stuck on stupid For too long I was determined to do things my way I did not give any serious thoughts to the devastating consequences to me and to those connected to me In My Testimony I candidly reveal my exposure to major church hurt There is no hurt like church hurt But I survived it and I want you to know that so can you Those tests serve to make you better not bitter I learned that forgiveness is a matter of the heart My experiences have given me the ability to be bold real transparent and explicit in my appeal to encourage folks to abandon their evil and wicked ways God is not mocked The Word of God is clear in that we will reap what we sow I share with you how I learned to allow God to come into my life and super rule trusting him unconditionally with my life for he is my creator and he knows what is best for me I want to encourage believers to be true followers of Christ living a life that is pleasing and acceptable in the sight of God **Contextualizing Theology in the South Pacific** Randall G. Prior, 2019-07-10 This book engages with a widespread contemporary dilemma how do we do theology in a context where the cultures of the people are oral and not literate The nations of the South Pacific from their missionary beginnings inherited an

approach to theology that was dominated by Western cultural categories The global movement of contextualization began to impact upon Pacific churches in the 1960s and challenged this inherited approach Significant changes have resulted but the dilemma has remained The dominant approach is still one that is defined by and better suited to literate cultures The consequence is that theology remains an alien enterprise distant from the life of the local churches and distant from the hearts and minds of the indigenous people In facing the dilemma this book exposes the fundamental differences between primary oral cultures and primary literate cultures and identifies the key factors that lie at the heart of the theological problem By addressing each of these in turn the author then paves the way ahead He offers a methodology for theology that is rooted within the oral cultural context of the South Pacific and potentially in any context where oral cultures are the norm The consequences for theology and for theological education are profound **The Standard** ,1901 **Progressive**

**Evangelicals and the Pursuit of Social Justice** Brantley W. Gasaway,2014-10-30 In this compelling history of progressive evangelicalism Brantley Gasaway examines a dynamic though often overlooked movement within American Christianity today Gasaway focuses on left leaning groups such as Sojourners and Evangelicals for Social Action that emerged in the early 1970s prior to the rise of the more visible Religious Right He identifies the distinctive public theology a set of biblical interpretations regarding the responsibility of Christians to promote social justice that has animated progressive evangelicals activism and bound together their unusual combination of political positions The book analyzes how prominent leaders including Jim Wallis Ron Sider and Tony Campolo responded to key political and social issues over the past four decades Progressive evangelicals combated racial inequalities endorsed feminism promoted economic justice and denounced American nationalism and militarism At the same time most leaders opposed abortion and refused to affirm homosexual behavior even as they defended gay civil rights Gasaway demonstrates that while progressive evangelicals have been caught in the crossfire of partisan conflicts and public debates over the role of religion in politics they have offered a significant alternative to both the Religious Right and the political left **The Scots worthies: their lives and testimonies** John

Howie (of Lochgoin.),1876 *The Cumulative Book Index* ,1990 A world list of books in the English language [Christian Register and Boston Observer](#) ,1923 **The Sacred Calling** Rebecca Einstein Schorr,Alysa Mendelson Graf,2016-05-17
