

External Danger and Democracy

*Old Nordic Lessons and
New European Challenges*

Hans Mouritzen

External Danger And Democracy

Raimo Vayrynen

External Danger And Democracy:

External Danger and Democracy Hans Mouritzen, 1997 Nordic democracies have been impressively able to survive and cope with external danger during and after World War II paradoxically through the curtailment of democracy According to sociological theory external danger typically leads to internal cohesion and centralization This book investigates how far the general theory reaches beyond the classic Nordic cases Is the theory also relevant in the face of dangers prevailing in post Cold War Europe What about the danger to the basic autonomy of EU members from the European Union that they have chosen to join voluntarily Although the EU including its Commission is a peculiar entity in a historical perspective it actually tends to encourage a good deal of conventional danger responses at the national level top level centralization of decision making bureaucratic centralization and party cohesion Not least the Nordic countries seem to apply their classic danger lessons a bit uncritically during the new circumstances

Existential Threats and Civil-security Relations Oren Barak, Gabriel Sheffer, 2009-01-01 At the onset of the twenty first century a substantial portion of politicians and citizens throughout the world believe and declare that their states are facing existential threats whether domestic external or both This perception is discerned in states categorized widely from not democratic and partially democratic states to small states and greater powers that are considered to be democratic such as the United States Britain and France The chapters in this book present and further develop the major theoretical approaches to existential threats structural cultural and rational The authors also conceptualize existential threats and distinguish them from other types of threats discussing some of the most important actors that promote the perception of an existential threat the security sector especially the military and the other security agencies but also the media Existential Threats and Civil Security Relations provides fresh comparative perspectives on a number of relevant cases including small states that have faced or still face similar predicaments These include effective democracies such as the United States in its formative period and Switzerland formal democracies such as Israel and Finland authoritarian or partially free states that have transformed into formal democracies such as South Korea Taiwan South Africa and the East European and Baltic states after the Cold War and states that have remained partially free like Singapore and some formerly Soviet states

Democracy Under Threat Surendra Munshi, 2017-02-11 Much seems to be going wrong with democracy at present The global advance of democracy is stalled and what is worse cynicism about democracy is growing Recent events in such diverse places as Turkey and the Philippines the Brexit vote and the election rhetoric of Donald Trump raise questions about the future of democracy Presenting papers by academics diplomats journalists political leaders and other thought leaders from different parts of the world Democracy under Threat considers challenges to functioning democracies from within and outside It highlights deficiencies of leadership and institutions and the threats posed not only by populism caudillism and dynastic rule but also by the spread of authoritarianism and its spirit

Puzzles of the Democratic Peace K. Rasler, W. Thompson, 2016-01-26 Ever since the revival of Kant's Perpetual Peace thesis the linkages

between democracy and peace has been a central topic in international relations research with sustained debate over whether it exists and if it does why it does In this stimulating volume two leading IR scholars place the democratic peace debate within a broader context including the extent of threats in international relations degree of satisfaction with the status quo the diffusion of democracy and the rise of the trading state Step by step Thompson and Rasler examine the democratic peace through a series of puzzles concerning arguments at the dyadic systemic and individual state levels Synthesizing a broad range of knowledge and linking islands of theory *Puzzles of the Democratic Peace* provides a distinctive look at the state of the field and paths forward **Civil-Military Relations and Democracy** Larry Diamond, Marc F. Plattner, 1996-10-17 Based on a conference held in Washington DC 13-14 Mar 1995 Democracy in Danger Jake Braun, 2019-09-15 Protecting the Vote When cybersecurity expert Jake Braun challenged hackers at DEFCON the largest hacking conference in the world to breach the security of an American voting machine a hacker in Europe conquered the task in less than 2 minutes From hacking into voting machines to more mundane but no less serious problems our democracy faces unprecedented tests from without and within In *Democracy In Danger* Braun a veteran of 3 presidential campaigns and former White House Liaison to the Department of Homeland Security reveals what the national security apparatus local election administrators and political parties have gotten wrong about election security and what America needs to do to protect the ballot box in 2020 and beyond Democracy and Economic Openness in an Interconnected System Quan Li, Rafael Reuveny, 2009-07-31 Li and Reuveny use an interdisciplinary social scientific approach to investigate today's key political economic and environmental issues Militarization, Democracy, and Development Kirk S. Bowman, 2010-11-01 Do Third World countries benefit from having large militaries or does this impede their development Kirk Bowman uses statistical analysis to demonstrate that militarization has had a particularly malignant impact in this region For his quantitative comparison he draws on longitudinal data for a sample of 76 developing countries and for 18 Latin American nations To illuminate the causal mechanisms at work Bowman offers a detailed comparison of Costa Rica and Honduras between 1948 and 1998 The case studies not only serve to bolster his general argument about the harmful effects of militarization but also provide many new insights into the processes of democratic consolidation and economic transformation in these two Central American countries **A Pure Theory of Democracy** Antonio García-Trevijano, 2009 This is not a democracy Antonio García-Trevijano denounces in the first pages of this book To confront the great lie that Europe does have democratic regimes a lie rooted in people's confounding of the liberties they enjoy with the political freedom that they lack the author builds a realistic theory of democracy to end the false idea that corruption state crime and public immorality are democracy's undesirable products and not the natural and inevitable fruits of oligarchic regimes Thanks to a superb review of the events that mark the history of democracy the author reveals the obstacles that from the 17th century English revolution the United States War of Independence and the French Revolution opposed political freedom

deviating old Europe's democratic possibilities toward the current parties state. There exist important theories of the state and of constitution but none that can be called a theory of democracy. Antonio García Trevijano's original theory, a modern synthesis of Rousseau's pure democracy and Montesquieu's political freedom, responds to European need for a theory of democracy as a real alternative to the corrupted parties regime that was engendered by Western pragmatism during the Cold War. *Constitutional Democracy in a Multicultural and Globalised World* Thomas Fleiner, Lidija Basta Fleiner, 2009-01-31. After World War II states transformed into collective fortresses in order to protect competing ideological systems. The debate on post modern statehood heavily built on ideological disputes between liberalism and communism over the nature of the economic and social system and the state and government that could sustain such a system. What is an ideologically acceptable state concept which tasks and functions should the state fulfil and how to legitimate not only democratic but also authoritarian and even totalitarian regimes. These questions were at the very centre of state theory. However after the fall of communism in Europe and the former Soviet Union the discourse of state and government scholarship radically changed. The need for a profound shift in the state paradigm was emerging. The time after 1989 seemed to proclaim that the nation state had lost its raison d'être as an island of undisputed and unlimited sovereignty. A globalised world order broke open the fortress state that developed within the tradition of European constitutionalism. Given the simultaneous structural changes to the nation state's foundations socio economic and political reforms going hand in hand with new constitutional designs the state in transition started paving the way towards a new state paradigm and not only with regard to the states in the process of democratic transformation from socialist into liberal constitutional democracies.

General Housing Legislation, Hearings Before a Subcommittee of ..., 81-1 on S. 138, S. 685, S.686 ..., February 3 .. 212, 1949 United States. Congress. Senate. Committee on Banking and Currency, 1949. *The Waning of Major War* Raimo Vayrynen, 2013-10-31. This book is a systematic effort by leading international scholars to map the trends in major power warfare and explore whether it is waxing or waning. The main point of departure is that major power war as a historical institution is in decline. This does not mean though that wars between states are in general disappearing. While there is some convergence in the conclusions by individual authors they are by no means unanimous about the trend. The articles explore different causes and correlates of the declining trend in major power warfare including the impact of the international structure, nuclear weapons, international law, multilateral institutions, sovereignty and value changes. **The Challenges of European Governance in the Age of Economic Stagnation, Immigration, and Refugees** Henry F. Carey, 2016-12-20. This book examines the political and legal challenges of regional governance of the 28 countries of the European Union and the 48 in the Council of Europe. The contributions' dilemmas and moral hazards from this record of nearly seven decades of regional inter governmental institutions has kept the peace but produced episodes of crisis from overstretching jurisdictions thematically and geographically. Polarization between nationalist and integrative forces has

displaced the idealistic aspirations of prior decades to build the rule of law and deter violence. Academics and policy makers will learn from the various legal and political efforts to integrate supranational and inter governmental agencies with national political systems. The Crisis of Liberal Democracy and the Path Ahead Bernd Reiter, 2017-08-24. Political representation and democracy are at odds and we need new models to organize politics without relying so heavily on elected representatives. Similarly, capitalism undermines markets as the rich and wealthy shield their assets and make them untenable for average earners. Elitism thus undermines both democracy and markets and we need to devise ways to limit the power of professional politicians as well as the asset holdings of the rich so that the goods they hold can re-enter general markets. A broad array of institutions and laws have been enacted in different places and at different times to block economic elitism and protect democratic self rule. This book presents a number of such cases, historical as well as contemporary, where solutions to the problem of political and economic elitism have successfully been practiced. It then compares these cases systematically to determine the common factors and hence the necessary conditions for ensuring and protecting self rule and equal opportunity. This book encourages the idea that alternatives to representative capitalist democracy are possible and can be put to practice. **Problems of Independent Small Business, Lustron Dealers** United States. Congress. Senate. Committee on Banking and Currency. Subcommittee on Small Business, 1950.

Democracy at Risk Yvette M. Alex-Assensoh, 2005-08-26. Documents how recent trends in civic engagement have been shaped by political institutions and public policies and recommends ways to increase the amount, quality and distribution of civic engagement focusing on elections, the metropolis and the nonpr. St. Thomas' Political Doctrine and Democracy Edward Francis Murphy, 1921.

Taiwan's Democracy Robert Ash, John W. Garver, Penelope Prime, 2013-07-03. Taiwan's rapid industrialization during the 1960s and 1970s combined with the democratic revolution that began with the lifting of martial law in 1987 were of deep historic importance. Over the next decade, Taiwan's political miracle matched its earlier economic miracle, creating a vibrant liberal democracy complete with freedom of speech, association and assembly, rule of law and competitive and fair multi party elections. The continuation of these achievements and the new challenges that have surfaced are addressed in rich detail in the chapters of this volume by an international team of experts. One of the biggest such challenges is Mainland China's economic success which has added to the complexity of Taiwan's economic and political policy options. A number of the contributors to this volume consider Taiwan's response to China's economic rise and show how Taiwanese companies have strategically taken advantage of the changing economic environment by moving up the value chain of production within Taiwan while also taking the opportunity to invest overseas. With chapters covering a wealth of topics including Constitutional reform, National identity, Party politics, Taiwan's development model, Industrial policy, Trade and investment, Globalization, Sustainable development, Taiwan's Democracy will be of huge interest to students and scholars of Taiwan studies, Chinese politics and economics, international politics and economics and development studies. **Security in 21st**

Century Europe Andrew Cottey, 2025-05-01 The nature of security in Europe has been transformed in recent years Security in 21st Century Europe argues that the defining feature of contemporary European security is the existence of a security community underpinned by the twin institutions of the EU and NATO but that today the European security community NATO and the EU face a growing array of external challenges and their ability to respond to those challenges is increasingly being called into question Offering a systematic assessment of security in contemporary Europe this third edition examines the changing character of European security and assesses the extent of the threats posed by recent challenges as well as the policy dilemmas involved in responding to these challenges It explores Europe s engagement with core thematic issues in European security including military intervention nuclear weapons terrorism and non military security Providing both a substantive contribution to academic thinking on European security and a overview of debates on contemporary European security this new edition offers 3 new chapters on migration climate change and cybersecurity Coverage of all recent major developments related to European security including the Syrian civil war and the regional destabilization arising from it Russia Ukraine crisis the rise of populism the migration crisis the acceleration of China s rise Security in 21st Century Europe combines theory and detailed empirical analysis exploring both how different theoretical perspectives can help us think about European security and concrete empirical developments in European security policies and institutions This text is the perfect companion for advanced undergraduate and Master s level courses on European security whether within courses in Security studies European studies or International Relations

External Danger And Democracy Introduction

External Danger And Democracy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. External Danger And Democracy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. External Danger And Democracy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for External Danger And Democracy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks External Danger And Democracy Offers a diverse range of free eBooks across various genres. External Danger And Democracy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. External Danger And Democracy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific External Danger And Democracy, especially related to External Danger And Democracy, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to External Danger And Democracy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some External Danger And Democracy books or magazines might include. Look for these in online stores or libraries. Remember that while External Danger And Democracy, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow External Danger And Democracy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the External Danger And Democracy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of External Danger And Democracy eBooks, including some popular titles.

FAQs About External Danger And Democracy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. External Danger And Democracy is one of the best book in our library for free trial. We provide copy of External Danger And Democracy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with External Danger And Democracy. Where to download External Danger And Democracy online for free? Are you looking for External Danger And Democracy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another External Danger And Democracy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of External Danger And Democracy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with External Danger And Democracy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with External Danger And Democracy To get started finding External Danger And Democracy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with External Danger And Democracy So depending on what exactly you are

searching, you will be able to choose ebook to suit your own need. Thank you for reading External Danger And Democracy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this External Danger And Democracy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. External Danger And Democracy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, External Danger And Democracy is universally compatible with any devices to read.
