Extra Innings A Memoir:

Extra Innings Doris Grumbach, 1995-06 This memoir offers an intense sometimes funny sometimes tart and often very moving account of the life of Doris Grumbach author of *Coming into the End Zone* Grumbach records an eventful year crowded with literary pleasures and pains and the natural beauties and social particulars of life in coastal Maine *Extra Innings* Jeff Benjamin, 2025-01-30 Jeff Benjamin spent his childhood in Davenport Iowa as the son of the only rabbi in town Jeff was never very religious but always had a deep respect for his father's work and accomplishments in the civil rights movement Like many American kids Jeff's life changed the day he attended his first Major League baseball game Not only did he find something he would love forever in the Chicago Cubs but it was a love he shared with his father which deepened their bond like nothing else When Rabbi Benjamin was ousted from his position in Davenport for demanding equal treatment for black students at the local high school he landed a job leading a congregation on Long Island New York and uprooted Jeff at the start of high school It was a culture shock but after a disastrous first year and another move Jeff made friends that would last a lifetime and fatefully fell into a job in food service that would become a career As Rabbi Benjamin's stellar career winds down Jeff's star begins to rise as he teams up with Marc Vetri to open what would become one of America's most heralded Italian restaurants Vetri Cucina Just before Jeff opens the restaurant his father is diagnosed with a life threatening form of cancer Through weekly visits back home Jeff and his family help their patriarch get back to the top of the mountain at least for one shining moment Through it all father and son have weekly hourlong conversations on the phone or at the cigar club that keep both of them going through their respective ups and downs These conversations are mostly about the Chicago Cubs with a few minutes at the end reserved for less important things like career health and relationships It's a dynamic that countless American fathers and sons share As Rabbi Benjamin's health deteriorates he becomes increasingly concerned for his unmarried son's future prospects for a family of his own and in one delirious moment makes an offhand comment on the subject that shocks everyone and seals Jeff's fate Lively gritty at times hilarious and ultimately bittersweet *Extra Innings* is an entertaining and uplifting story of a father and son fandom and fate *Extra Innings, a Memoir* Frank G. Splitt, 2024 The biography of the author **Extra Innings** Doris Grumbach, 2014-12-02 A New York Times Notable Book A moving glimpse of a life shrewdly examined *Extra Innings* follows a year in the life of Doris Grumbach beginning with the release of her previous memoir and journal *Coming into the End Zone* and revealing that the devoted essayist novelist and critic possesses as keen an eye in her seventies as she did when she wrote *The Spoil of Flowers* thirty years earlier Grumbach details each passing month and the trials and tribulations therein Age and experience have tempered her anger allowing her to view the world in a rosier light than she has before In this eventful period that concludes with her move from Washington DC to Maine Grumbach travels between signings and speeches describes her home life in a new state and deals not only with her own mortality but with that of her daughter Grumbach's wisdom and wit endure as she looks back on her own memories seeing

help so she turned to the late life works of beloved women authors who had bravely climbed the mountain and sent back news from the summit Maya Angelou Colette Simone de Beauvoir Joan Didion Marguerite Duras M F K Fisher Doris Lessing Mary Oliver Adrienne Rich May Sarton and Florida Scott Maxwell were among the many guides she turned to for inspiration In *The Lioness in Winter* Burack Weiss blends an analysis of key writings from these and other famed women authors with her own wisdom to create an essential companion for older women and those who care for them She fearlessly examines issues such as living with loss finding comfort and joy in unexpected places and facing disability and death This book is filled with powerful passages from women who turned their experiences of aging into art and Burack Weiss ties their words to her own struggles and epiphanies framing their collective observations with key insights from social work practice

Shame and the Aging Woman J. Brooks Bouson, 2016-08-19 This book brings together the research findings of contemporary feminist age studies scholars shame theorists and feminist gerontologists in order to unfurl the affective dynamics of gendered ageism In her analysis of what she calls embodied shame J Brooks Bouson describes older women's shame about the visible signs of aging and the health and appearance of their bodies as they undergo the normal processes of bodily aging Examining both fictional and nonfiction works by contemporary North American and British women authors this book offers a sustained analysis of the various ways that ageism devalues and damages the identities of otherwise psychologically healthy women in our graying culture Shame theory as Bouson shows astutely explains why gendered ageism is so deeply entrenched in our culture and why even aging feminists may succumb to this distressing but sometimes hidden cultural affliction
