## **Extraordinary Preaching Twenty Homilies By Roman Catholic Women:**

**Extraordinary Preaching** Roslyn A. Karaban, Denise Winfield Mack, 1996      **Like a Hammer Shattering Rock** Megan McKenna, 2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we've stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the development of new gospels for the 21st century McKenna argues that we haven't paid due attention to the ones we already have in many cases we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus's apostles continue to resonate

**Catholic Women Writers** Mary Reichardt, 2001-07-30 Women have been writing in the Catholic tradition since early medieval times yet no single volume has brought together critical evaluations of their works until now The first reference of its kind Catholic Women Writers provides entries on 64 Catholic women writers from around the world and across the centuries Each of the entries is written by an expert contributor and includes a biography of the author a critical discussion of her works especially her Catholic and women's themes an overview of her critical reception and a bibliography of primary and secondary sources Authors writing in all genres including fiction autobiography poetry children's literature and essays are represented The entries give special attention to the authors use of Catholic themes structures traditions culture and spirituality The writers surveyed range from Doctors of the Church to mystics and visionaries to those who employ Catholic themes primarily in historical and cultural contexts to those who critique the tradition An introductory essay places the writers within the historical and literary contexts of women's writing in the Catholic tradition and the volume closes with a selected general bibliography      **Feminist and Womanist Pastoral Theology** Bonnie J. Miller-McLemore, Brita L.

Gill-Austern, 1999 In the last decade the focus of pastoral theology has shifted dramatically from care defined as counseling to care understood within a wider social political and religious context Feminist and womanist theory as well as feminist and womanist faith convictions have played a key role in this development According to the authors feminists and womanists in pastoral theology have begun to reconstruct the definitions parameters and commitments of pastoral care and counseling These changes have critical implications for care within congregations and for the understanding of theology in seminaries and divinity schools Yet these developments in the theory and practice of pastoral theology and their broader ramifications have not been carefully analyzed or even acknowledged by pastoral theologian minister and religion scholar alike This is due to a failure to articulate clear understandings of the field the gap between congregational ministry and higher education in religion and conflicts in theological education in general over the place of practice and theory experience spirituality and

practical theology To redress these problems this collection of essays has a threefold aim First the book identifies the many changes occurring in definitions of pastoral theology care and counseling Second the volume defines and develops new methods and approaches Third the authors attend to the implications of these changes for congregational care and theological education Roughly speaking the order of the chapters in this volume follows this threefold agenda moving from an exploration of the changes in pastoral theology to its reconstruction to some of the implications of recent innovations
