predict where and when to observe the green ray has no scientific basis However they are regularly sighted by airplane pilots because they often can see the true horizon in mid flight more often when flying west because the sun s relative motion is slightly slower

Around the World in 80 Days Jules Verne,2019-09-12 Verne s most outrageous voyage extraordinaire a hasty world tour taken up on a gentlemen s club wager Mr Phileas Fogg master of precision enters into the strangest wager ever made over the whist table that he will circle the globe in 80 days The news astounds Jean Passepartout sometime wandering minstrel bareback rider funambulist gymnast and fireman now turned valet to Mr Fogg in the expectancy of a quiet and well regulated life For the next 80 days their lives are anything but quiet or well regulated Jules Verne preferred to call himself an author of voyages extraordinaires An extraordinary voyage it is from Fogg s announcement to Passepartout that they are to leave for Dover in ten minutes to his triumphant return to the Reform Club at the last second A Floating City Jules Verne,2016-07-26 A Floating City French Une ville flottante is an adventure novel by French writer Jules Verne first published in 1871 It tells of a

woman who on board the ship Great Eastern with her abusive husband finds that the man she loves is also on board Fabian left me to look for his cabin which according to the ticket he held in his hand was number seventy three of the grand saloon series At this moment large volumes of smoke curled from the chimneys the steam hissed with a deafening noise through the escape pipes and fell in a fine rain over the deck a noisy eddying of water announced that the engines were at work We were at last going to start

From the Earth to the Moon Jules Verne,2016-07-26 The story opens some time after the end of the American Civil War The Gun Club a society based in Baltimore and dedicated to the design of weapons of all kinds especially cannons comes together when Impey Barbicane its president calls them to support his latest idea He s done some calculations and believes that they could construct a cannon capable of shooting a projectile to the moon After receiving the support of his companions another meeting is held to decide the place from which the projectile will be fired the dimensions and materials of both the cannon and the projectile and which kind of powder they are to use An old enemy of Barbicane a Captain Nicholl of Philadelphia designer of plate armor declares that the enterprise is absurd and makes a series of bets with Barbicane each of them of increasing amount over the impossibility of such feat The first obstacle the money to construct the cannon and against which Nicholl has bet 1 000 dollars is raised from a number of countries in America and Europe Notably the US gives four million dollars while England does not give a farthing but in the end nearly five and a half million dollars are raised which ensures the financial feasibility of the project

Extraordinary Journeys - The Complete Adventure Collection Jules Verne,2022-11-13 In Extraordinary Journeys The Complete Adventure Collection Jules Verne crafts an unparalleled tapestry of imaginative exploration and thrilling adventure that transcends the boundaries of the 19th century Spanning iconic works such as Journey to the Center of the Earth and Around the World in Eighty Days Verne employs meticulous detail scientific accuracy and rich narrative prose to transport readers on journeys that are as enlightening as they are exhilarating This collection encapsulates the spirit of the Victorian era s quest for knowledge venturing into the unknown with both literary rigor and a sense of wonder that inspires curiosity about the natural world and humanity s place within it Jules Verne often hailed as the father of science fiction was born in Nantes France in 1828 His unique upbringing combined with his legal education and early career in literature allowed him to marry imagination with scientific theory Verne s own passion for exploration reflecting the zeitgeist of his time as nations sought to conquer both land and knowledge informed his narratives making him a pivotal figure in advancing genre literature through the lens of technological progress and adventure This extraordinary collection is a must read for enthusiasts of adventure and science fiction alike By immersing yourself in Verne s work you will not only enjoy spellbinding tales of discovery and innovation but also appreciate the profound questions about humanity s endeavor that underpin these narratives Dive into Verne s world and prepare to be inspired by the limitless potential of imagination and exploration

The Best of Jules Verne Jules Verne,2016-06-14 Four iconic novels of adventure science and fantasy from a master storyteller far ahead of his time In Twenty Thousand Leagues

Under the Sea a monster wreaks havoc in the waters of the Atlantic Ocean The US government sends a French marine biologist his servant and a Canadian harpoonist to take care of the problem But instead of a mythic beast the team finds the submarine Nautilus and its fearsome helmsman Captain Nemo Around the World in Eighty Days follows Phileas Fogg and his eccentric manservant Passepartout on an epic quest to circumnavigate the globe Pursued by a Scotland Yard detective derailed by a herd of bison and attacked by Sioux Indians the travelers use every mode of transportation possible to race from one exotic exploit to the next From the sands of Egypt to the icy waters of the Pacific Fogg and Passepartout never lose sight of their goal even when they stop to rescue a beautiful damsel in distress Journey to the Center of the Earth is a cornerstone of science fiction and one of the greatest stories ever told A dirty slip of parchment paper falls from the pages of an ancient manuscript Deciphered by the indefatigable Otto Liedenbrock professor of geology and his reluctant nephew Axel the parchment s coded message asserts that a volcano in Iceland contains a passageway to the center of the earth Two days later the adventurers embark on a journey so fantastic it will alter the very meaning of history In The Mysterious Island a hot air balloon hijacked by captured Union army soldiers is blown far far away from its point of departure in Richmond Virginia When the craft crash lands on an island in the South Pacific the prisoners must contend with wild animals pirates and an active volcano in a fight for their very survival This ebook has been professionally proofread to ensure accuracy and readability on all devices

Travel Scholarships Jules Verne,2013-08-13 Nine students from London s Antillean School receive travel scholarships to visit their island homelands in the Caribbean Accompanied by their eccentric Latin professor they set sail on what they expect to be a thrilling educational voyage Little do they realize that prior to their arrival on board their ship had been hijacked by escaped convicts who murdered its original captain and crew This is the only novel by the legendary Jules Verne that has never been available in English until now Although ostensibly written for an adolescent audience its suspense filled plot sophisticated narrative style and critique of European colonialism make it an engrossing read for all ages
