## **Eyewitness Kashmir Teetering On Nuclear War:**

*Eyewitness Kashmir* Arun Joshi, 2004 The Asian Commentary Series features contributions from senior media commentators who have extensive on location experience of key Asian regions and issues Each book in the series targeted at the intelligent reader thus presents gripping first hand analytical perspectives that serve to both inform and promote greater understanding of Asia Kashmir is the global hot spot More than being the nuclear flashpoint that it became twice since the triggering of the 1998 atomic bomb explosions by India and Pakistan the rise in Islamic terrorism post 9 11 has made it more dangerous and a focus of global attention Kashmir has the potential to explode due to the twin threats of nuclear conflagration and convergence of Islamic terrorism This historical perspective is the narrators account from his experience and personal knowledge as a media observer in Kashmir

*Treading on Hallowed Ground* C. Christine Fair, Sumit Ganguly, 2008 After America s Iraq adventure devolved into a debacle a chorus of commentators and analysts noted that the U S military had no plan to fight a counterinsurgency campaign Given the failure of conventional tactics America in the last two years has redoubled its efforts to develop a new strategy to fight the Iraqi insurgency and has gone so far to place our leading counterinsurgency expert General David Petraeus in charge of the Iraq theater In sum there seems to be a growing consensus that for better or worse counterinsurgency will be a core tactic in future American military campaigns Iraq of course presents special problems to the U S because of the intensity of religious belief and sectarianism How do we fight against an insurgency that so often strategically positions itself on hallowed ground mosques and shrines Yet Iraq is not unique As the contributors to *Treading on Hallowed Ground* show counterinsurgency efforts on religiously contentious terrain is a widespread phenomenon in recent times ranging from North Africa to Central and Southeast Asia Here C Christine Fair and Sumit Ganguly have assembled an impressive group of experts to explore the most important counterinsurgency efforts in sacred spaces in our era churches in Israel mosques and shrines in Iraq the Sikh Golden Temple in India mosques and temples in Kashmir the Krue Se Mosque in Thailand and the Grand Mosque in Saudi Arabia Taken together the essays comprise the first comprehensive account of this increasingly pivotal component of contemporary war

**Networks of Rebellion** Paul Staniland, 2014-04-18 Insurgent cohesion is central to explaining patterns of violence the effectiveness of counterinsurgency and civil war outcomes Cohesive insurgent groups produce more effective war fighting forces and are more credible negotiators organizational cohesion shapes both the duration of wars and their ultimate resolution In *Networks of Rebellion* Paul Staniland explains why insurgent leaders differ so radically in their ability to build strong organizations and why the cohesion of armed groups changes over time during conflicts He outlines a new way of thinking about the sources and structure of insurgent groups distinguishing among integrated vanguard parochial and fragmented groups Staniland compares insurgent groups their differing social bases and how the nature of the coalitions and networks within which these armed groups were built has determined their discipline and internal control He examines

insurgent groups in Afghanistan 1975 to the present day Kashmir 1988 2003 Sri Lanka from the 1970s to the defeat of the Tamil Tigers in 2009 and several communist uprisings in Southeast Asia during the Cold War The initial organization of an insurgent group depends on the position of its leaders in prewar political networks These social bases shape what leaders can and cannot do when they build a new insurgent group Counterinsurgency insurgent strategy and international intervention can cause organizational change During war insurgent groups are embedded in social ties that determine they how they organize fight and negotiate as these ties shift organizational structure changes as well **Index Islamicus** ,2007
