Ezra Stone A Theatrical Biography:

Ezra Stone Kenneth L. Stilson, 1995 Best remembered for his role as Henry Aldrich in the radio comedy *The Aldrich Family* Ezra Stone enjoyed one of the most productive careers in show business history He first made his mark as a child star on Broadway and then went on to become one of the stage's youngest directors Though he was a successful actor Stone felt that he needed to learn all aspects of the theater if he was to stay in show business This attitude was to serve him well later in his career when he directed hundreds of television shows This work concentrates on his career from 1936 to 1953 as Stone made the leap from stage to radio and then to television It pays particular attention to his portrayal of Henry Aldrich but fully covers all the aspects of Stone's multifaceted career as actor director producer writer and teacher *The Great Radio Sitcoms* Jim Cox, 2024-10-17 On January 12 1926 radio audiences heard the first exchanges of wit and wisdom between Sam n Henry the verbal jousting who would evolve into Amos n Andy and whose broadcasts launched the radio sitcom Here is a detailed look at 20 of the most popular such sitcoms that aired between the mid 1920s and early 1950s the three decade heyday of radio Each series is discussed from an artistic standpoint with attention to the program's character development and style of comedy as well as its influence on other shows The book provides complete biographical profiles of each sitcom's stars as well as several actors whose careers consisted primarily of supporting roles Appendices include an abbreviated summary of 13 sitcoms beyond those discussed in the main body of the book and a comprehensive list of 170 radio sitcoms Notes bibliography index American Sweethearts Ilana Nash, 2006 Teenage girls seem to have been discovered by American pop culture in the 1930s From that time until the present day they have appeared in books and films comics and television as the embodied fantasies and nightmares of youth women and sexual maturation Looking at such figures as Nancy Drew Judy Graves Corliss Archer Gidget Buffy the Vampire Slayer and Britney Spears *American Sweethearts* shows how popular culture has shaped our view of the adolescent girl as an individual who is simultaneously sexualized and infantilized While young women have received some positive lessons from these cultural icons the overwhelming message conveyed by the characters and stories they inhabit stresses the dominance of the father and the teenage girl's otherness subordination and ineptitude As sweet as a cherry lollipop and as tangy as a Sweetart this book is an entertaining yet thoughtful exploration of the image of the American girl *American and British Theatrical Biography* J. P. Wearing, 1979 No descriptive material is available for this title American Presidents Attend the Theatre Thomas A. Bogar, 2015-06-14 Not every presidential visit to the theatre is as famous as Lincoln's last night at Ford's but American presidents attended the theatre long before and long after that ill-fated night In 1751 George Washington saw his first play *The London Merchant* during a visit to Barbados John Quincy Adams published dramatic critiques William McKinley avoided the theatre while in office on professional as well as moral grounds Richard Nixon met his wife at a community theatre audition Surveying 255 years this volume examines presidential theatre going as it has reflected shifting popular tastes in America *Acting Is*

Believing Kenneth L. Stilson, 2023-05-25 *Acting Is Believing* has trained generations of actors and remains one of the most popular and influential classic Stanislavski based acting books over the past sixty years. Now in its thirteenth edition it has been reimagined for the art of acting in the twenty first century. Stanislavski expanded our understanding of the mysterious process that results in truthful acting, devising practical steps to pursue the most elusive element of the art form: inspiration. *Acting Is Believing: Stanislavski in the 21st Century* 13th Edition introduces students to all the major concepts of Stanislavski's System of Acting, providing them with a logical process through which they can master this complex art. It breaks down even the most complex elements defining human behavior in ways that are easy to digest. This new edition has been greatly updated, including reworked chapters throughout to bring Stanislavski's theories to life in a language that speaks to today's actors. A new approach to entering Stanislavski's Creative State, broken into an innovative five part process. Updated discussions on anxiety, physical tension, social inhibitions, and intimacy on stage. Modified solo and group exercises. Expanded appendix on self directed scene study. Refined and updated glossary of acting theatre and film terminology. *Acting Is Believing* remains grounded in Stanislavski based technique training, yet this latest text has evolved as a vital resource for twenty first century artists pursuing acting careers in theatre, film, and television. With a foreword by two time Tony Award winning actor Norbert Leo Butz, *Acting Is Believing* continues to set the gold standard in the art of acting for a new generation.

The British National Bibliography Arthur James Wells, 1996 *At This Theatre* Louis Botto, Robert Viagas, 2010-12-01 Applause Books Theatregoers favorite history of Broadway is back in an updated and expanded 2010 edition including more than 500 color production photos, vintage archival photos, and Playbill covers from all forty currently operating Broadway theatres. Thirty eight of the original chapters have been expanded to cover all the shows that have opened in the ten years since the popular 2000 edition, with two new chapters added to include Broadway theatres recently refurbished and returned to life. This unique chronicle is the first work to present a detailed theatre by theatre roundup of players and productions that have enchanted audiences at Broadway's great playhouses from 1900 to 2010. The work is an expanded treatment of *At This Theatre*, the popular feature in Playbill's Broadway theatre programs. *At This Theatre* offers playgoers instant nostalgia by listing notable hits and some famed fiascos that have played through the years in the theatre that they are attending. The book also pays tribute to the distinguished impresarios who built and managed these houses, and the brilliant architects and interior designers who created them. The original 1984 edition was created by Playbill senior editor Louis Botto. Botto worked with editor Robert Viagas on the 2000 update. With the third edition, Botto has passed the author torch to Viagas, who founded Playbill.com and the acclaimed Playbill Broadway Yearbook series, and who has written the updates in Botto's style.

American National Biography John A. Garraty, Mark C. Carnes, 2005-05-12 *American National Biography* is the first new comprehensive biographical dictionary focused on American history to be published in seventy years. Produced under the auspices of the American Council of Learned Societies, the ANB contains over 17,500

profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past The ^ABallad of John Latouche Howard Pollack,2017-10-06 In his short life the Virginia born John Treville Latouche 1914 56 made a profound mark on America s musical theater as a lyricist book writer and librettist His signature achievements include theatrical works with composers Earl Robinson Vernon Duke Duke Ellington Jerome Moross and Leonard Bernstein *The Scribner Encyclopedia of American Lives: 1986-1990* Karen Markoe,Arnie Markoe,1998 Each vol covers notable Americans who died in a five year period The Cumulative Book Index ,1996 A world list of books in the English language **Critical Digest** ,1956

Theatre, Film and Television Biographies Master Index ,1979 **Broadway** Ken Bloom,2013-04-15 This volume is another example in the Routledge tradition of producing high quality reference works on theater music and the arts An A to Z encyclopedia of Broadway this volume includes tons of information including producers writer composers lyricists set designers theaters performers and landmarks in its sweep *Kate Smith* Richard K. Hayes,1995 With her five octave range Kate Smith recorded more than 20 million selling records though she never had a singing lesson and could not read music But it was radio that truly made Smith one of the country s most popular entertainers in the 1930s and 1940s particularly during World War II when she sold over 600 million in war bonds Through detailed research access to the singer s correspondence and interviews with Smith and others the author has told a remarkable story **Monthly Bulletin** San Francisco Public Library,1919 **Journal of the United States Artillery** ,1944 *Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v* New York Public Library. Research Libraries,1967 **Stage Lives** ,1985-02-14 Product information not available
