*Expository Sermons on 2 Peter* D. Martyn Lloyd-Jones, 1999-12 When Dr Lloyd Jones preached these twenty five sermons on 2 Peter comparatively few saw their far reaching significance The minister of Westminster Chapel London was proposing to rebuild a congregation on lines strangely unfamiliar in post war Britain The sermons form authoritative expository preaching and still more their content were against all the prevailing trends J I Packer one of his younger hearers in the late 1940s has written I had never heard such preaching and was electrified All that I know about preaching I can honestly say I learned from the Doctor I have never heard another preacher with so much of God about him The content of this volume is its chief warrant for publication But as a record of Dr Lloyd Jones first extensive series of sermons on any one book of Scripture it also has some special interest With treatment which is broader and less detailed than normal his hearers were introduced to expository preaching Now in this format his 2 Peter sermons will provide an introduction for other to a type of reading which is able under God to strengthen Christians and churches around the world *Expository Sermons on 2 Peter* David Martyn Lloyd-Jones, 1983 Of these sermons J I Packer wrote I had never heard such preaching and was electrified All that I know about preaching I can honestly say I learned from the Doctor I have never heard another preacher with so much of God about him *Expository Sermons on 2 Peter* Martyn Lloyd-Jones, 1983 **2 Peter** Harry Uprichard, 2022-08-03 Peter s second letter is about growing in Christ amid false teaching so that Christ s character will be reflected in our lives Peter begins by explaining true knowledge of God It is a saving growing fruitful assured and remembered knowledge The source of this true knowledge of God is Scripture Scripture comes from God Men spoke from God carried along by the Holy Spirit Peter next contrasts false knowledge of God with true knowledge of God There are false teachers among the churches Peter addresses whose precursors are the false prophets of the Old Testament Arrogance sensuality and emptiness characterize these false teachers They not only deny the truth but also live immoral lives False knowledge of God leads nowhere but to God s condemnation and to eternal death Peter finally writes of practical knowledge of God He recalls the predictions of the prophets and the commandment of their Lord and Saviour through the apostles Practical knowledge of God produces godly living assures that God fulfils all his promises in Scripture and confirms growth in grace and knowledge of our Lord Jesus Christ All of this is possible through Scripture Let s together see how Peter explains in detail how to grow in Christ amid false teaching James, 1-2 Peter, Jude, Revelation M. The devotions contain writings from John Calvin, Jonathan Edwards, Charles Spurgeon, J. C. Ryle, Herman Bavinck, B. B. Warfield, Martin Luther, Augustine, Cyril of Jerusalem, Athanasius, Gregory of Nazianzus, Thomas Aquinas, and more. **The Genesis Flood Revisited** Andrew Snelling, 2022-10-25. Modeled after the 1961 ground-breaking book *The Genesis Flood* by Drs. Whitcomb and Morris, this detailed work builds on that classic volume with new insights from decades of work by the author, Dr. Andrew Snelling, and numerous colleagues. This recent revolution in geology and the explosion in geological research have established an even firmer basis for understanding the biblical Flood with a God-honoring foundation, the absolute authority and inerrancy of God's Word. Examine details of the Creation Week as it builds a solid scriptural case for the Flood's catastrophic nature and global extent. Find decisive answers to many questions about the Flood and Noah's Ark: its construction and the animals taken onboard. Delve deeply into astonishing geological details that unfold from the early chapters of Genesis, including the Creation Week and the pre-Flood world. Explore detailed evidence and a concise, informative 30-page color section with diagrams, maps, and more. Dr. Snelling jettisons the faulty evolutionary, uniformitarian assumptions used by most geologists and instead interprets compelling new geological and observed field data within the biblical framework for the earth's history. He also demonstrates that fossils were catastrophically buried in sedimentary layers being deposited rapidly on a global scale on the continental plates derived from the violent rifting apart of the original supercontinent. His work demolishes radiometric dating, the icon of the millions of years dogma, and builds a thoroughly powerful case for a young earth that explains many geological features such as varves, evaporites, coal, oil, chalk, granites, and more that biblical skeptics sadly have used to scoff at God's Word. Discover the powerful truth behind the earth's most enduring mysteries.
