Anderson,Charles Mylander,2014-09-23 It s Time to Make Your Marriage the Best Marriage Possible Is your marriage the best it can be The same powerful principles from Neil Anderson s Steps to Freedom in Christ that helped set more than one million people free from spiritual bondage can now revolutionize your relationship with your spouse Neil Anderson and coauthor Charles Mylander offer you the practical tools you need to safeguard your marriage against the things that threaten to destroy it Use this book as a couple or share with other couples in a small group Each chapter includes discussion questions and a devotional guide for couples This book gives biblical insight and practical helps for any marriage whether it is healthy in trouble or disastrous It is great to use personally or to share Use it to protect the most important and cherished institution of society the home Vonette Bright cofounder Campus Crusade for Christ International founder director Women Today International This book is absolutely life transforming and marriage enriching I love the fact that it is solidly biblical and incredibly practical There is a gem on every page Jim Burns PhD president of HomeWord and executive director of the HomeWord Center for Youth and Family at Azusa Pacific University How to Love Your Wife John R. Buri,2006-11 But because the majority of marriages in this country consist of unions in which wives are more heavily invested in marital success than are their husbands much of this sensible effort by reasonable people needs to be consistently initiated and maintained by men In fact men often hold the keys to bringing about the type of loving marriage they had hoped for when they first said I do In How To Love Your Wife Dr Buri makes these keys clear understandable and accessible Lovescapes, Mapping the Geography of Love Duncan S. Ferguson,2012-12-06 Lovescapes introduces the reader to the various meanings and manifestations of love and its many cognates such as compassion caring altruism empathy and forgiveness It addresses how love and compassion have been

understood in history and the religions of the world It goes on to explore the ways that our environments and heredity influence our capacity to love and suggests ways to cultivate love and compassion in one's life The book shows how the values of love and compassion are integral to finding humane solutions to the daunting problems we face as individuals as a human family and as an earth community a world in crisis Lovesapces has the following features Describing how love is the essence of the divine and therefore the ground of reality Understanding the meaning of love and its place in our lives Learning how love and compassion have been understood across history culture and tradition Gaining insight about how to increase our capacity to love and show compassion Discerning how love and compassion can be applied in all aspects of our lives in the regions where we live and in our global setting

great privilege and honour and I have walked out the journey of raising 3 children of my own and I have also observed the challenges that many men face in being a father To a large extent it was a combination of those 3 factors experiences that challenged me to write a book on what I believe is a mans greatest challenge that of being a father In the book I firstly wanted to highlight briefly some of the consequences of fatherlessness in our society Men need to know that the efforts that they make as fathers are important they are leaving a legacy in the lives of their children that will impact generations And they need to know that the challenges that they face as they seek to father their children are not unique As fathers we are all in the same fight we are all walking out a very similar journey and I want to challenge men afresh to rise up and make a difference in their own homes and families and then in society The majority of the book is designed to pass on the things that I have learnt in my own journey as a father to the next generation of fathers I firstly present what I believe are some of the fundamental requirements of being an effective father things such as love and time and the power of the words that we speak I then focus on six basic steps or principles that apply to becoming an effective father to your children These six steps are both sequential and yet they need to be continually applied to the many different areas of life time and time again you never outgrow them rather they evolve as you and your children grow and mature I then look at the importance of dealing with your children as individuals and encourage men to see things in a long term perspective Life at times does get messy and take unexpected detours but with time we get to see the results that we all desire as men in the lives of our children In all these areas I havent sought to give men a how to guide or a step by step method rather where possible I have endeavoured to share examples from my own family to help explain the principles and to help men work out how to apply the truths to their own families The last thing that I touch on is to address some of the main challenges or obstacles that we as men confront as we seek to be an effective father For each of these areas one could write an entire book on the subject and the ways in which these obstacles work out in a mans life are as varied as men themselves So all that I have done is to raise awareness of these issues and give some broad guidelines to help guide men through them As fathers we are all in the process of learning and growing None of us have arrived but we can all learn from one another and together we can make a positive change in our society for the benefit of the generations to come Being a father is a mans greatest challenge and it is hard work at times but it is worth it all
