Extreme Instinct:

The Soul James Essig, 2017-03-31 I thought that you as reader would enjoy this writing on the great dignity of the human soul This book offers a sharp contrast to the main topics on which I tend to post and was written and compiled from my heart I have often posted articles on extremely manned starship technologies and as a physicist I will continue to do such However I offer this rather long article as a sharing of my personal belief in the transcendent dignity of every human person and by corollary that of any of our ETI brothers and sisters With modern technological capabilities to monitor the various emotional and mental states of test subjects and the ability to measure and experimentally probe the electric and magnetic fields generated within the human body we sometimes are tempted to view the human soul as some form of corruptible energy field We long for a rekindling of a sense of mystery regarding the ephemeral reality of the human soul This book is motivated as an attempt to restore a sense of mystery in the minds and hearts of any and all persons who will read this post regarding that aspect of our human nature that seems to be beyond validation by modern science technology and medicine and which seems to defy certain and precise explanation by philosophers theologians and clergyman alike *Target Acquisition* Don Pendleton, 2010-10-01 Stony Man the covert action arm of the Justice Department is the highest level trump card at Presidential discretion The handpicked team of commandos and brilliant cybernetic specialists engage in the kind of last minute high difficulty and direct intervention operations that sidestep red tape and rules Stony Man s mandate get the job done With ground teams working separate missions across the globe one against jihadists fueling terror in Pakistan and another rescuing a plane filled with American hostages in the Amazon the cyber team at Stony Man connects the dots to an unfolding global nightmare At its source a megalomaniacal emir with the power and royal connections to cause international havoc He s willing to sacrifice countless innocent lives for his own twisted vengeance With ruthless efficiency Stony Man engages in all out war to stop evil at its source *Extermination* Don Pendleton, 2011-10-01 When Stony Man is called to battle the crisis is real and immediate Cybernetics experts run logistics from the war room of a secret facility known only to the President The commando teams of Able Team and Phoenix Force lead the ground fight consummate soldiers dedicated to protecting the innocent The world isn t aware of Stony Man but Stony Man remains vigilant guarding that fine line between hell and earth Small farming towns across America Europe and Asia have come under attack by a virulent new biochemical cocktail that induces the ravages of starvation in less than a day The group behind it promises to decimate the human population unless its twisted demands are met by government heads As this radical anti industrial group launches its deadly countdown Stony Man works feverishly to stop the horrifying plague from spreading before a global megacull leaves only a handful of people to weep for the earth *Perilous Skies* Don Pendleton, 2013-02-01 STONY MAN Only a few know of their existence but the lives of millions lie in their hands An elite covert counterterrorist team acting under the President Stony Man comprises the best cyber technicians and military warriors in the world Their goal is to fight terror anywhere and

anytime even if it means sacrificing their lives in the process PERILOUS SKIES When billion dollar stealth technology drops to bargain prices governments and drug cartels around the world want in on the action Suddenly hotspots are cropping up everywhere and even the United States can feel its military security slipping away No country is safe unless Stony Man s command can find a way to destroy the technology Determined to stop war from erupting Able Team is sent to find the brain behind the stealth tech while Phoenix Force infiltrates China to destroy the manufacturing plant But time is of the essence And the clock is already counting down *Terminal Guidance* Don Pendleton,2011-12-01 U S intelligence agencies are picking up chatter about something big coming their way A series of calculated executions of undercover intelligence personnel in Washington London and Pakistan convinces the Oval Office that this is the attack the world has feared The Stony Man teams deploy to the hot spots fighting to connect the dots in a plot to blow dirty bombs in Boston and Peshawar And every minute counts as the warriors seek to smash a deadly alliance of terror that seems to have unlimited power and resources Extreme Instinct Robert W. Walker,1998 Domination Bid Don Pendleton,2014-10-01 STONY MAN he elite covert agents of Stony Man Farm comprising the best cyber techs and military in the world act under orders of the President Whether it s stopping a terror attack overseas or saving civilians closer to home the teams fight for freedom and peace DEADLY SCIENCE A cutting edge electromagnetic pulse weapon sets off a bidding war and brokers from countries all over the world can t wait to get their hands on it But when the Libyan rebel behind the auction squeezes out the U S red flags are raised in Washington Determined to keep the weapon of mass destruction away from hostile powers Stony Man Farm has two choices steal it from the rebel s headquarters in Greece or destroy it While Phoenix Force deploys overseas Able Team has its own mission An American paramilitary contractor also wants the EMP device and he s willing to kill anyone who gets in his way *Revolution Device* Don Pendleton,2013-12-01 STONY MAN Ready to take on the most dangerous missions the covert warriors of the Stony team are the best officers and cyber techs in the world Working under the radar on special Presidential assignments the team members would sacrifice their lives to uphold freedom and put an end to terror attacks LETHAL POLITICS An electronics smuggling ring is distributing deadly IEDs to target American soldiers and diplomats including the U S Ambassador to Guatemala It s only a matter of time before the group which has ties with Hezbollah and Iranian revolutionists strikes other U S embassies Infiltrating the smuggling operation in Central America Stony Man s Able Team must find a way to shut down the operation while Phoenix Force goes head to head with the terrorists in Iraq before they launch an all out war and put the lives of millions at stake **Counter Force** Don Pendleton,2013-06-01 STONY MAN Very few are aware they exist but those who do know that each mission Stony Man Farm s commando teams complete means another night of peace in America They are the best cybertechs and soldiers in the world and their covert goal is to stop terror attacks before they happen even if it means sacrificing themselves in the process COUNTER FORCE When Iraqi insurgents detain a regiment of Marines during their attempt to withdraw from Iraq the international incident incites

retribution killings in Montana by a militia of former veterans For Stony Man Farm s Phoenix Force it s a race against the clock to rescue the American soldiers in Iraq as Able Team struggles to quell the combathardened militia in the U S with as little loss of life as possible before the terrorists kill every single hostage **Death Minus Zero** Don Pendleton,2015-10-01 STONY MAN When innocence is under attack the Stony Man teams are primed to hit the battlefield Operating under the President s orders the world s best black ops warriors and cyber techs are willing to pay the ultimate price to uphold freedom LAST DEFENSE Washington goes on full alert when Chinese operatives kidnap the creator of a vital US defense system a top secret orbiting platform Tracking the missing scientist to the Swiss Alps Phoenix Force has to rescue the captive before torture forces him to give up the platform s secrets putting millions of lives at risk While Phoenix Force is overseas Able Team uncovers a plot to take over the system s mission control facility Both teams are outnumbered and outgunned but they ll do whatever it takes to stop America s enemies from holding the entire country hostage **Choke Point** Don Pendleton,2012-12-01 STONY MAN The Stony Man team of special operators stands ready to go into ultra covert action whenever the President needs a specific brand of below the radar expertise If the crisis is real and immediate cybernetics experts with state of the art technology kick into gear from the war room of a secret facility known only to the Oval Office while the commando soldiers of Able Team and Phoenix Force lead the ground assault Consummate warriors dedicated to protecting the innocent Stony Man draws a hard line against enemies of the free world PERMANENT SHUTDOWN A U S senator s murder and the kidnapping of several children of high profile government officials leave the President no choice but to call in Stony Man to investigate But the kidnappings are only the tip of the iceberg The ransom money and income from a human trafficking ring are being used to fund terrorist activities overseas It s a race against time as Able Team has to track down the kidnappers in Florida before anything happens to the children while Phoenix Force hunts the ringleader in Morocco Their goal neutralize the operation No matter what Nuclear Intent Don Pendleton,2013-04-02 STONY MAN When the President has nowhere else to turn Stony Man is there to get the job done An elite group of black ops and cyber tech professionals the team works under the cloak of stealth to strike before innocent lives are lost Bound by honor and duty they are willing to pay the ultimate price to uphold freedom NUCLEAR INTENT Three agents end up dead and one of Stony Man Farm s own is injured after receiving covert information sending up a red flag in the President s office Someone is planning to ignite hostilities between Israel and Iran by unleashing a nuclear weapon that would force the U S to help their ally and go into battle With the lives of millions at stake Stony Man s Phoenix Force flies to Yemen to track the bomb before it can launch while Able Team hunts down the masterminds behind the deadly plot in the United States Death Dealers Don Pendleton,2014-12-02 When terrorists from all over the world gather in Hawaii to bid on stolen missiles the Able Team goes undercover to stop the auction while the Phoenix Force hunts down the weapons and the group responsible for the theft

Precipice Don Pendleton,2013-08-01 STONY MAN Acting under orders of the President the members of the Stony Man

team are unsung heroes that only a handful of people know exist Whether the mission is taking down terrorists or halting the shipment of illegal weapons the covert team doesn't stop until it's over Elite military warriors they have only one goal fight terror anywhere and anytime **BRINK OF MADNESS** When Phoenix Force raids a North Korea drug ship interdicting the latest in the rogue nation's terrorist schemes it finds more than Stony Man Farm's personnel bargained for The floating drug lab bears a cargo much deadlier than heroin ICBM parts The missile parts are traceable to an American manufacturer and would coupled with warheads give North Korea the ability to hit an alarming number of other countries to say nothing of eradicating South Korea's capital Prodigy Effect Don Pendleton,2013-10-01 STONY MAN Fighting terror around the globe the Stony Man team is a covert group only a few know exists acting under order of the President Dedicated to saving the innocent these men risk everything including their lives to keep the peace in situations where no one else can Extreme Recovery First an unmanned spy drone ends up in American air space and then U S operatives in China are killed trying to help a teen prodigy defect Then it appears the boy might be the brains behind the spy tech While Phoenix Force attempts to bring the teenage scientist back to the U S without triggering retribution from the Chinese government Able Team's mission in Alaska to recover the drone becomes a matter of international security Because the good guys aren't the only ones bent on retrieval The spies are covering their trail with lethal efficiency Pulse Point Don Pendleton,2014 When North Korea's latest test launch cripples a U S Coast Guard station the President determined to kill the project before a larger threat is realized sends the Phoenix Force to destroy the weapons facility and the Able Team to recover the testing equipment before it falls into the wrong hands **Instinct** Luther Lee Bernard,1924 Sequels Janet G.
