[Environmental Encyclopedia](#) Marci Bortman, 2003 **Chicago Tribune Index**, 1992 [Beyond the Secret Elephants](#) Gareth Patterson, 2020-01-06 Beyond the Secret Elephants is Gareth Patterson's long awaited sequel to The Secret Elephants

published in 2009 *Beyond the Secret Elephants* is the continuing story of Gareth Patterson's almost two decades of research into the secretive Knysna elephants. Significantly however it also reveals his startling discovery of a much more mysterious being than the elephants: a relict hominoid known to the indigenous forest people as the Otang. Gareth had long heard about the existence of the otang from the local people but he mentioned it only briefly in *The Secret Elephants*, focusing instead on his rediscovery of the Knysna elephants and their survival against the odds. He was reluctant to blur the story of the elephants with his findings about the otang. That is until now. The possible existence of relict hominoids is today gaining momentum worldwide with ongoing research into Bigfoot in North America, the Yeti in the Himalayas and the Orang Pendek in Sumatra. Eminent conservationists and scientists among them Dr Jane Goodall, Dr George Schaller and Professor Jeff Meldrum have publicly stated that they are open minded about the possible existence of these cryptid beings. In the course of his unannounced research into the otang, Gareth heard many accounts, mostly spontaneous and unprompted, of otang sightings by others in the area over a number of years. These accounts documented in the book are astonishingly consistent both in the descriptions of the otang and in the shocked reactions of the individuals who saw them. Gareth Patterson's work supports the increasing realisation that humankind still has much to learn about the natural world and the mysteries it holds. The possibility that we may be sharing our world with other as yet unidentified hominoids is today being viewed as something that should not be discounted. And as humankind we need to reassess our role and our responsibility towards all forms of life that coexist with us on planet Earth, following in the erudite footsteps of the late Lyall Watson by exploring beyond the fringe of fringe science.

Ian Redmond OBE      **Environmental Encyclopedia**, 2003      *I Don't Want to Die Unknown* Dan Moyane, 2021-10-22

Dan Moyane was 10 years old when he lay on his back on a patch of grass at his parents' home in White City, Jabavu, Soweto, looking at the moon and thinking *I don't want to die unknown*. The year was 1969 and Neil Armstrong and his team had recently achieved immortality by completing the first moon landing. It was the knowledge that the astronauts would be remembered as long as the world turned that made Dan realise that he too would like to be remembered by people outside of his immediate community, just as he would like to find out more about what lay beyond his horizon. Dan's insatiable curiosity and love of learning have ensured that his name has indeed become known throughout South Africa. This is the story of how he achieved his goal from his days as a student at the apex of South Africa's political turmoil to his years in exile in Mozambique and his first job in media, and the trajectory of a career that would see him become one of South Africa's most highly regarded and influential broadcasters. It is a career that led Dan to interview prominent leaders in Mozambique and South Africa and become acquainted with the likes of Nelson Mandela and Graça Machel, and saw him cover the country's birth into democracy and help shape South Africans' understanding of the changed world around them. *I Don't Want to Die Unknown* delves into these experiences, giving a glimpse into the inquisitiveness and desire to know more, do more and be more that has driven Dan Moyane. It offers a rare insight into the man behind the microphone, his ambitions, trials and

motivations Part memoir part legacy this book bears testimony to the fact that far from dying unknown Dan is one of South Africa's most important high profile media players and his story provides the framework for his next significant question How best to use his public profile to benefit his countrymen

**The Soul of a Lion** Willie Labuschagne, 2022-09-05 The Soul of a Lion an engaging memoir by Willie Labuschagne is an exhilarating journey which begins with the young conservationist's unique experiences with wild animals From his groundbreaking research on the desert cheetah's behaviour and ecology to becoming an internationally respected consultant on environmental and wildlife related issues he holds the reader's attention with all the skill of the master storyteller The numerous occasions when Willie faced potentially life threatening situations with wild animals are vividly recounted many of them wryly humorous while others evoke deep emotion But not all animal encounters took place in the wild A significant and poignant encounter that further inspired Willie's approach to conservation occurred when during his time as director of the Johannesburg Zoo he and his family hand raised a newborn lion cub that had been rejected by its mother He recalls the countless obstacles put in his way by the bureaucratic nature of his own species during his tenure at the zoo But despite numerous challenges he persisted in his goal of transforming and improving zoological institutions A driving force behind the changing nature of professionally managed zoological gardens Willie's book reminds us that while many of the world's zoos should be unconditionally closed progressive modern zoos are becoming increasingly aligned to wildlife conservation they are vital for ensuring the survival of threatened species Willie shares his entertaining and often moving life experiences with warmth and understanding whether it is sleeping under the stars with the bushmen of the Kgalagadi desert or observing the traditions of the Zulu Royal House His travels in the African landscape in particular are an exciting panorama of many distinctive habitats from the relentless desert of the Skeleton Coast in Namibia to the pristine beauty of the Tsitsikamma Forest and the breathtaking vastness of the African bushveld Importantly he is forthright in his view of the critical position of the world we live in and the future it holds for mankind and believes that we are all part of a custodianship which should do everything in its power to protect our fragile environment Willie Labuschagne a man with the soul of a lion is a dedicated and internationally celebrated wildlife conservationist who holds a master's degree in wildlife management For more than five decades he has been actively involved in the conservation of threatened species for which he has received national and international recognition culminating in numerous awards

**The Real Interior** Nthabi Taukobong, 2019-05-01 In my own home is where my journey of healing began NTHABI TAUKOBONG The Real Interior not only allows the reader a behind the scenes peek into the glitz and glamour of design and decor but into a career once never considered an option for a young girl born in Soweto As one of the first black and very recognisable faces of Interior Design in Africa Nthabi Taukobong was thrust into the limelight from the very start of her profession Spanning a career of more than 23 years she has worked on esteemed residential and leisure projects for presidents African royalty captains of industry and five star hotels to name but a few Through the rough and often very challenging terrain of her chosen career sprinkled generously with the high end glamour of prestigious interiors that Nthabi has been privileged to work on she learned that she in fact had to be seated right within her own interior before she could offer anything further to those in search of her creative gift And as she searched and explored the greater world of design trying to grasp what it really took to be an esteemed designer the journey unexpectedly brought her right back into her own home Not only Nthabi s physical home but also to her inner home the place that she refers to as her real interior It was in

writing a letter one evening congratulating herself on reaching the milestone of 21 years in her career that Nthabi discovered she was not only writing to herself but to every creative Her letter ended up being an entire book and Nthabi finally understood how her unique story could inspire and encourage others **Heal our World** Tshilidzi

Marwala,2022-09-19 The world is emerging from the COVID 19 pandemic more fragmented and further away from the more equal and equitable iteration imagined in 2015 when the Sustainable Development Goals SDGs were conceptualised As we hurtle at seemingly lightning speed towards the 2030 deadline to achieve these goals the urgency is palpable Although we have certainly strayed further away from the targets there is still time to act in order to ensure that we inch closer to this vision Professor Tshilidzi Marwala paints a stark and often grim picture of our current context one defined by monumental setbacks in the SDGs Yet as he carves out each developmental goal and its implications it is apparent that there are tangible solutions that can be implemented now Tshilidzi s assertion that now is the time to act is backed by intricate and actionable data with a simple mission statement we must heal the future He offers a new narrative that addresses how we can translate the latent potential that exists through technology innovation and Fourth Industrial Revolution approaches to leadership and policy making to deal with among others corruption poverty eradication joblessness an education system in crisis declining economies and food insecurity Heal our World is a deep dive into the SDGs particularly in the African context and it looks toward securing a future in which our divisions are blurred and our goals seem almost in reach again Tshilidzi Marwala the author of Heal our World Leading in the 21st Century and Leadership Lessons from Books I Have Read is the Vice Chancellor and Principal of the University of Johannesburg From 1 March 2023 he will be the Rector of the United Nations University based in Tokyo Japan He was previously Deputy Vice Chancellor for Research and Executive Dean of the Faculty of Engineering at the University of Johannesburg and Full Professor at the Carl Emily Fuchs Chair of Systems and Control Engineering at the University of the Witwatersrand Tshilidzi holds a Bachelor of Science in Mechanical Engineering magna cum laude from Case Western Reserve University a PhD in Artificial Intelligence from the University of Cambridge and a Post Doc at Imperial College London He is a member of the American Academy of Arts and Sciences The World Academy of Sciences TWAS the Academy of Science of South Africa ASSAf the African Academy of Sciences AAS and the South African Academy of Engineering SAAE He is a distinguished member of the Association for Computing Machinery ACM His research interests are multidisciplinary and include the theory and application of artificial intelligence to engineering computer science finance social science and medicine He has supervised 37 doctoral students He has also published 23 books on artificial intelligence one translated into Chinese and over 300 papers in journals proceedings book chapters and magazines He holds five international patents **Don't Believe Everything You Think** Colin J Browne,2022-09-19 When it comes to making great decisions the way you think about things is usually a lot more influential than what you actually think If you ever hired a person who looks the part dated someone who gives you a good feeling voted for the party that speaks the most

sense or got into an investment that cannot be missed only to realise you made a horrible mistake you might have wondered how you ever talked yourself into it Yet still bearing the bruises you re likely to make exactly the same decision the next time The beliefs that guide your ideas and the instincts that drive your actions are all informed by your unconscious biases and literally every single one of us has them which irrationally tell us one thing is good and another is bad one thing is absolutely true and another is utterly false and make you act less smartly than you should But the good news is that you can learn to see them to manage them and ultimately overcome them In Don t Believe Everything You Think Colin J Browne shows you how biases work why they matter and how to reframe your thinking to make well founded decisions about life and work relationships and investing and much else in between to vastly improve your chances of success *Wild Tusks* Pasquale De Marco,2025-07-18 In the untamed heart of the African savanna where the echoes of ancient wisdom dance upon the wind Wild Tusks weaves a tapestry of resilience courage and the unyielding spirit of survival Journey alongside Tippu and Asha two majestic elephants as they navigate the labyrinthine paths of fate separated by a cruel twist of destiny Their extraordinary odyssey etched against the backdrop of breathtaking landscapes reveals the indomitable spirit of survival Witness their resilience as they overcome treacherous terrains encounter perilous predators and endure the harsh realities of the wild Through their eyes the majestic beauty of the natural world unfolds showcasing the intricate interconnectedness of all living creatures Tippu and Asha s poignant separation becomes a crucible that tests their resolve Embarking on solitary quests they encounter a kaleidoscope of challenges that threaten to extinguish their hope Yet amidst adversity they find solace in the kindness of strangers the unwavering support of newfound companions and the enduring strength of their familial bond Their paths though divergent are guided by an unyielding determination to reunite The echoes of their longing reverberate through the vast expanse of the wilderness a testament to the unbreakable bond that unites them Their story becomes a beacon of hope reminding us of the resilience of the human spirit and the transformative power of love As their paths intertwine once more a symphony of joy and relief fills the air The reunion of Tippu and Asha is a poignant reminder of the enduring power of family the unwavering strength of hope and the boundless capacity for love Their tale etched in the annals of time serves as an inspiration to all who dare to dream to persevere in the face of adversity and to cherish the precious bonds that unite us Wild Tusks is more than just a story it s an exploration of the unyielding spirit of survival the resilience of family bonds and the transformative power of hope It s a celebration of the beauty of the natural world and a poignant reminder of the interconnectedness of all living beings Immerse yourself in the extraordinary journey of Tippu and Asha and be captivated by a tale that will leave an indelible mark on your heart If you like this book write a review *Born White Zulu Bred* GG Alcock,2023-04-10 You may have read GG Alcock s books about the kasi economy now follow his journey to the dynamic world of KasiNomics and learn about the tribal forces that shaped him Born White Zulu Bred is the story of a white child and his brother raised in poverty in a Zulu community in rural South Africa during the apartheid era His

extraordinary parents Creina and Neil Alcock gave up lives of comfort and privilege to live and work among the destitute people of Msinga whose material and social well being became their mission But more than that this is a story about life in South Africa today which through GG s unique perspective explores the huge diversity of the country s people from tribal Zulu warriors to sophisticated urban black township entrepreneurs A journey from the arid wastes of Msinga into the thriving informal economies of urban townships GG s view is that we do not live in a black and white world but in a world of contrast and diversity one which he wants South Africans and a world audience to see for what it is without descending into racial and historical clich s He takes us through the mazes of township marketplaces shacks and crowded streets to reveal the proud and dignified world of township entrepreneurs who are transforming South Africa s economy This is the world that he moves in today as a successful businessman still walking those spaces and celebrating the vibrant informal economies that are taking part in the KasiNomic Revolution GG s story is about being truly African even as a white person and it draws on the adventures the cultural challenges the informal spaces and the future possibilities of South Africa

### **The African Elephant**

-- ,1970 **Elephants** Ellen Greene Stewart,2022-03-18 Elephants are a keystone species and have been a part of the magic of the thickly forested land of South Africa for millennia This book focuses on the history and work of Knysna Elephant Park a leading South African elephant research facility that has been home to more than 40 elephants in 25 years Unfortunately all the mystique of the Knysna elephant has been reduced to a single elephant left alive Exploring a wide range of topics this book covers the impact of elephants interactions with tourists how they recover from trauma and even their relevance in human healthcare Renowned elephant researchers explain the majesty of the elephant brain which has the largest temporal lobe devoted to communication language spatial memory and cognition To this effect the book emphasizes the threat of poaching to these gentle giants which has almost forced them to extinction Perhaps if humans pay attention to how elephants symbolize our relationship with nature we can learn important lessons about humanity itself

### **Lift As You**

**Rise** Bonang Mohale, 2018-10-29 Bonang Mohale is a highly respected South African businessman who is known as much for his patriotism and his active role in seeking to advance his country's interests as for the leading role he has played in companies like Otis Elevators Shell South Africa and South African Airways among others. Developed over 30 years of business experience, his insights have motivated change in organisations and individuals alike. As CEO of Business Leadership South Africa, he frequently shares his insights through speeches and articles on the role of business in South Africa and the core tenets of leadership. *Lift As You Rise* is a compilation of some of his spoken and written words in which Mohale reveals the issues he is passionate about among them transformation, people development, constructive collaboration and integrity and how they came to define his career and his life. He looks into the ideas behind his words and offers fresh thoughts on the subjects they cover. This well-balanced compilation is enhanced by contributions from others he has mentored or met on his journey which underscore who Mohale the man is: a fearless and energetic leader whose compassion, humanity and eternal optimism promote hope and encourage action. There is value in this book for leaders in all walks of life, but it is Mohale's hope that young people, specifically those rising through the ranks, will find his insights and experience inspiring for they are the country's future leaders.

**Flat Out and Fearless** Peter Lindenberg, 2022-10-24 With a racing career spanning more than four decades, coming second is never an option for Peter Lindenberg. Troubled by a lack of self-confidence, Peter's average childhood saw a bitter parent who doubted his abilities, a demanding school system that forced him to fit the mould, a younger brother who was better at everything and brutal, undeserved beatings with a sjambok. But when Peter tasted the buzz of barefoot water skiing, he found it impossible to resist and went on to break records, earn numerous Springbok Colours and win many world championships. This, however, was just the start. Little did Peter know the sporting magic that would follow in his life: first as a powerboat racer and then as a race car driver. Despite counting on pins and metal to hold his battered body intact, being arrested unjustly, a serious motor racing accident with his car going up in flames and a brain haemorrhage, Peter keeps going flat out and quickly ranks on the international championship charts, cheats death twice and presses the reset button to positively influence a failed marriage. *Flat Out and Fearless* is Peter's cut to the chase life journey that has rendered him one bionic man who is proud of his blatant honesty and his courageous quest to uplift and transform the lives of the downtrodden.
