The Started Colt Bret Davis, 2022-01-26 At a certain point in my life I became fed up with the Equine industry I didn't like the way people treated horses I didn't like the way people talked about horses and I didn't like the way people looked at horses In despair and heart broke over the loss of my first love I gradually came to see horses in a new and different light they became a canvas for me there movement a form of art and the work I put in a practice of art an expression of self This book strives to be a clinical discussion of art and art theory in the same vein as it's name sake the classic treatises by Xenophon I do not expect the reader to finish this book and start up a career as a colt starter yet I hope the reader finishes this book and finds themselves compelled to study the lines of their horse drawn to observe the movement of the eye and ear staggered by the dimensional depth of each foot fall Were I to wake and find myself in some strange land that had no horses I would first find myself a pen and pencil and draw myself a horse to look at *An Eye for a Horse, Etc. The Horsemen of Israel Deborah O'Daniel Cantrell, 2011-06-30 Almost every book in the Hebrew Bible mentions horses and chariots in some manner usually in a military context However the importance of horses chariots and equestrians in ancient Israel is typically mentioned only in passing if at all by historians hippologists and biblical scholars When it is mentioned the topic engenders a great deal of confusion Notwithstanding the substantial textual and archaeological evidence of the horse's historic presence recent scholars seem to be led by a general belief that there were very few horses in Iron Age Israel and that Israel's chariotry was insignificant The reason for this current sentiment is tied primarily to the academic controversy of the past 50 years over whether the 17 tripartite pillared buildings excavated at Megiddo in the early 20th century were in fact stables Although the original excavators archaeologists from the University of Chicago designated these buildings as stables a number of scholars and a few archaeologists later challenged this view and adopted alternative interpretations After they reassessed the Megiddo stables as storehouses marketplaces or barracks the idea developed that there was no place for the horses to be kept and therefore there must have been few horses in Israel The lack of stables when added to the suggestion that Iron Age Israel could not have afforded to buy expensive horses and maintain an even more expensive chariotry led to a dearth of horses in ancient Israel or so the logic goes that has permeated the literature Cantrell's book attempts to dispel this notion

Too often today scholars ignore or diminish the role of the horse in battle. It is important to remember that ancient historians took for granted knowledge about horses that modern scholars have now forgotten or never knew. Cantrell's involvement with horses as a rider, competitor, trainer, breeder, and importer includes equine experience ranging from competitive barrel racing to jumping, and for the past 25 years dressage. The Horsemen of Israel relies on the author's knowledge of and experience with horses as well as her expertise in the field of ancient Near Eastern languages, literature, and archaeology.

Horse Lover's Daily Companion Audrey Pavia, 2012-02-01 A year's worth of ideas and activities that will stoke your passion for horses and inspire you to spend as much time as you can in their presence. Horse Lover's Daily Companion is a unique, easy to use and inspiring handbook filled with a year's worth of insight, helpful tips, and practical advice into the equine-human relationship for all horse lovers and owners. Whether you're a riding veteran or someone who's simply pined away for horses since childhood, this book will provide you with a lifetime's worth of ways to enjoy and appreciate horses, whether or not you have forty acres and a stable of Appaloosas in your backyard or just a shelf full of books. The format, a year-long day-minder type book, is not meant to be read cover to cover; rather, the book can fall open on any given day and provide insight, inspiration, and valuable information on everything equine. Each day features rousing notions, activity suggestions, and novel facts that remind you of why you love horses. Monday: An illustrated guide to horse breeds from the Appaloosa to the Zorse. Tuesday: Equine activities such as riding sidesaddle, herding cows, and driving. Wednesday: Horses through the ages from prehistory to modern equine heroes. Thursday: Behind the scenes, access to real life in the stable. Friday: Health, wellness, and nutrition. Weekends: Bonding, relationship building, and planning special occasions. When you love a horse every day is a surprise, and this book reflects that spirit. Turn to any page and you will find another useful tip. So saddle up and enjoy this book at your own pace.

Horse Senses Susan McBane, 2012-01-15 Horses perceive the world differently from humans because their senses developed differently through evolution to cope with different ways of living and surviving. Horses are essentially prey-flight animals. The horse's senses therefore determine how the world appears to him and how he reacts to it. As the horse's perception and understanding are v

Milo's Eyes Lissa Bachner, 2022-06-07 The extraordinary bond between Lissa Bachner, a young blind woman, and Milo, a neglected, frightened horse, helped them overcome staggering odds to become one of America's most inspiring successful riding teams in the world of show jumping. Lissa Bachman was born with a passion for horses and won her first blue ribbon at age five. Other awards would follow as a young rider, and for years Lissa trained with jumpers tackling more difficult leaps and working to perfect her ride. When blindness struck in her teens, it appeared her

passion for riding would come to an end How could she jump hurdles when she could barely navigate through her own home But success trust and love came to Lissa when her trainer convinced her to buy a diamond in the rough from Germany On News Year s Eve Milo arrived at the barn frightened and neglected Taking one look at his shaking filthy body Lissa promised Milo that he would only know kindness In return Milo took special care of her in the ring Through countless eye surgeries and the many months of training and work Lissa and Milo formed a magic bond that made them inseparable And winners With effortless humor and penetrating compassion Lissa weaves a story of unfaltering faith in Milo and the unconditional love they shared
