Eyewitness Desert Eyewitness:

DK Eyewitness Desert, 2004 **Desert** MacQuitty, Miranda, Greenaway, Frank, Hills, Alan, 1994 *DK Eyewitness Books: Desert* Miranda MacQuitty, 2000-05-31 Warm deserts make up an estimated 15% of the Earth's surface and present unique challenges to the creatures, plants, and people that survive the temperature extremes. *Desert* is a detailed guide to some of the most inhospitable places on Earth and offers spectacular full-color photographs to give readers an eyewitness view of life in the desert. See the stunning sand dunes of the Namib Desert, a Bedouin in full wedding dress, the desert in bloom, a jewel wasp, and a camel's regalia. Learn how sand dunes form, how a few honeypot ants store food for a whole nest in their own bodies, and how a mummy is preserved in sand. Discover why a Tuareg woman never uncovers her face, what makes a dromedary different from a Bactrian camel, the mystery of Timbuktu, and why some desert animals have big ears and much much more. Discover the harsh world of hot and cold deserts and the people, plants, and animals that live in them. **Desert Christians** William Harmless, 2004-06-17 In the fourth century the deserts of Egypt became the nerve center of a radical new movement that we now call monasticism. Groups of Christians from illiterate peasants to learned intellectuals moved out to the wastelands beyond the Nile Valley and, in the famous words of Saint Athanasius, made the desert a city. In so doing, they captured the imagination of the ancient world. They forged techniques of prayer and asceticism, of discipleship and spiritual direction that have remained central to Christianity ever since. Seeking to map the soul's long journey to God and plot out the subtle vagaries of the human heart, they created and inspired texts that became classics of Western spirituality. These Desert Christians were also brilliant storytellers, some of Christianity's finest. This book introduces the literature of early monasticism. It examines all the best-known works, including Athanasius' *Life of Antony*, the *Lives of Pachomius*, and the so-called *Sayings of the Desert Fathers*. Later chapters focus on two pioneers of monastic theology: Evagrius Ponticus, the first great theoretician of Christian mysticism, and John Cassian, who brought Egyptian monasticism to the Latin West. Along the way, readers are introduced to path-breaking discoveries, to new texts, and to recent archaeological finds that have revolutionized contemporary scholarship on monastic origins. Included are fascinating snippets from papyri and from little-known Coptic, Syriac, and Ethiopic texts. Interspersed in each chapter are illustrations, maps, and diagrams that help readers sort through the key texts and the richly textured world of early monasticism. Geared to a wide audience and written in clear, jargon-free prose, *Desert Christians* offers the most comprehensive and accessible introduction to early monasticism. DESERT. Irrigation and Society in the Peruvian Desert, Katharina Jeanne Schreiber, Josue Lancho Rojas, 2003-01-01. Nasca, once home to a sophisticated ancient culture, is an improbable paradise: a verdant landscape in the middle of the Peruvian coastal desert, one of the driest places on the face of the Earth. *Irrigation and Society*. The Puquios of Nasca look at the legendary puquios of Nasca, the underground aqueduct system built by Incans, which is arguably responsible for this strange abundance of water. Authors Katharina Schreiber and Josue Rojas explore the puquios, their probable means of construction, their function in ancient society, and how they are used today. Few ancient cultures were as knowledgeable about water or as technologically adept at accessing it, and Schreiber and Rojas provide a fascinating glimpse of an ancient society through the seemingly mundane act of transporting water. *Irrigation and Society* is much more than a simple treatise on water distribution; it is a detailed examination of the role of large-scale irrigation in the emergence of socio-political complexity.
