Ezekiel II:

Ezekiel's Oracles Against Tyre Martin Alonso Corral, 2002 This work is a study of the historical reality and motivations of the Tyrian oracles in Ezekiel 26 1 28 19 It shows that economic and political reasons are the main causes for the condemnation Judah's economic stagnation was the direct result of Tyre's economic policies and trade practices which may have included selling Judean slaves after Jerusalem's destruction in 586 Social factors are important as well Tyrian products were status symbols representing the oppression of a dishonest Tyrian elite A clear connection between Tyre's religion and her economic activities is also observable Tyrian colonizing activities were a continuation of her Canaanite religion The study provides a new interpretation of Ezekiel 26 2 the clue for understanding the oracles showing that the text describes the situation of desolation that resulted from Nebuchadnezzar's destruction of the Philistine ports at the end of the 7th century Tyre anticipated a major trade shift to her own ports that would mean Judah's economic ruin **Ezekiel's Hierarchical**

World Stephen L. Cook, Corrine L. Patton, 2004 Can we live with the God of Ezekiel Can we relate to a God who has established a multilayered hierarchy that separates the divine from the human who creates boundaries that segregate people from the temple the priesthood and the glory of the Lord In contrast to those who suggest that Ezekiel should no longer be read as an authoritative part of the canon the essays in this volume engage Ezekiel's hierarchical world directly neither dismissing it out of hand nor accepting it uncritically By wedding theological interest and reflection with serious biblical exegesis and criticism this work helps readers to understand Ezekiel's hierarchical theology especially the book's views on creation priesthood and land It thus equips readers to form their own evaluations of the relevance of Ezekiel's theology for today Contributors include Daniel I Block Keith Carley Stephen L Cook Katheryn Pfisterer Darr Iain M Duguid Friedrich Fechter Julie Galambush Norman Habel Risa Levitt Kohn Corrine L Patton David L Petersen Baruch J Schwartz Daniel L Smith Christopher and Steven Shawn Tuell Paperback edition is available from the Society of Biblical Literature www.sbl-site.org
