Ezra Pound Selected By Thom Gunn:

Ezra Pound Ezra Pound, 2000 In this series a contemporary poet advocates a poet of the past or present whom they have particularly admired By their selection of verses and by the personal and critical reactions they express the selectors offer intriguing insight into their own work The Poetry of Thom Gunn Stefania Michelucci, 2008-12-24 Thom Gunn served as a mouthpiece for his time illustrating the social cultural and historical transformations that have characterized western civilization from World War II until today Starting with theoretical premises drawn from philosophy anthropology and sociology this work examines Thom Gunn's entire poetic career In Gunn's early poetry the author argues the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships In Gunn's later poetry the author notes a gradual opening to human relationships and to Nature which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality The Letters of Thom Gunn Thom Gunn, 2022-05-24 The Letters of Thom Gunn presents the first complete portrait of the private life reflections and relationships of a maverick figure in the history of British and American poetry I write about love I write about friendship remarked Thom Gunn I find that they are absolutely intertwined These core values permeate his correspondence with friends family lovers and fellow poets and they shed new light on one of the most singular and compelling poets in English during the past half century Hugh Haughton The Times Literary Supplement The Letters of Thom Gunn edited by August Kleinzahler Michael Nott and Clive Wilmer reveals the evolution of Gunn's work and illuminates the fascinating life that informed his poems his struggle to come to terms with his mother's suicide settling in San Francisco and his complex relationship with England his changing relationship with his life partner Mike Kitay the LSD trips that led to his celebrated collection *Moly* 1971 and the deaths of friends from AIDS that inspired the powerful unsparing elegies of *The Man with Night Sweats* 1992 **New Selected Poems** Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there's nothing archaic quaint or sepia toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This *New Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career Selected Poems of Thom Gunn Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not

entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from The Sense of Movement 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the Aids epidemic which claimed the lives of a number of Gunn s friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize winning The Man With the Night Sweats and Boss Cupid Gunn s last collection published in 2000 This Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill seeker in the language and to exhibit the best of Thom Gunn s electric powerful intensely joyful poems

Selected Poems Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16 Complete poems are bulky and too heavy to carry around Collected poems pretend to be complete but usually are not Selected poems are altogether unpretentious and reader friendly But they can be problematic Who decides what poems are important for inclusion in a volume of selected poems When the selection occurs during the author s lifetime may one assume that the author was involved What motivates the choice of one poem over another How do readers preferences influence this choice How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection The essays in this volume address these questions in a variety of ways and also provide an overview of poetic writing from modernist poets to the present day using selections from the 1940s until now They offer new insight into the uses both pedagogical and critical of selection Because Selected Poems usually address a large general public these essays have also been written for all those who wish to know more about how these slimmer more attractive volumes are produced

Male Poets and the Agon of the Mother Hannah Baker Saltmarsh, 2019-04-23 A thoughtful exploration of male poets contributions to the literature of motherhood In the late 1950s the notion of a mother poem emerged during a confessional literary movement that freed poets to use personal psychosexual material about intimate topics such as parents childhood failed marriages children infidelity and mental illness In Male Poets and the Agon of the Mother Hannah Baker Saltmarsh argues that male poets have contributed to what we think of as the literature of motherhood that confessional and postconfessional modes have been formative in the way male poets have grappled with the stories of their mothers and how those stories reflect on the writers and their artistic identities Through careful readings of formative elegies and homages written by male poets of this time Saltmarsh explores how they engaged with femininity and feminine voices in the 1950s and 60s and sheds light on the inheritance of confessional motifs of gender and language as demonstrated by postconfessional writers responding to the rich subject matter of motherhood within the contexts of history myth and literature A foreword is provided by Jo Gill professor of twentieth century and American literature in the Department of English and associate dean for education at the University of Exeter
