Campbell,2024-11-26 This book argues that the parallel narrative structures of Ezra 9 10 and Nehemiah 1 1 3 32 are intended to connect the two books and highlight theological connection of building the community through exclusive ownership of the land This is developed by contrasting the return narrative in Nehemiah 1 3 with the two other return narratives in Ezra 1 2 and 7 8 Then the removal of foreign wives in Ezra 9 10 is contrasted with foreign wives crises in Nehemiah 9 10 and 13 23 29 In these comparisons the major thematic points prominent character s and primary concern and the narrative movements are examined Once the differences between the thematically similar passages have been shown the structures of Nehemiah 1 3 and Ezra 9 10 are compared This comparison shows that the narrative movements of the two passages overlap indicating that the narratives have been intentionally shaped to mirror each other Finally the theological and thematic importance of this is explained by comparing the theological message in each movement of the narrative in Ezra 9 10 and Nehemiah 1 3 The conclusion is that these highlight the shared theological message of building the community through exclusive ownership of the land **NET Bible, Full-notes Edition, Cloth over Board, Gray, Comfort Print** Zondervan,2019-10-01 Ever feel lost in translation With the NET Full notes Edition of the Holy Bible you don t need to be Modern readers can find it challenging to connect with the ancient words and cultural contexts of the biblical writers The NET offers a completely new solution pairing a readable everyday English translation with the largest set of translators notes ever created for a Bible The NET s 60 000 notes bring complete transparency to every major translation decision and invite you to look over the translators shoulders allowing you to come to your own understanding of the Scriptures It is an indispensable resource for every Bible reader Features include The newest complete English translation based on the most up to date manuscript discoveries and scholarship A translation that explains itself over 60 000 translators notes offer unprecedented transparency Full color maps Durable Smyth sewn binding lays flat in your hand or on your desk 8 75 point print size Scripture text in Thomas Nelson s exclusive NET Comfort Print typeface Vindicating the Vixens Sandra Glahn,2017-12-08 Gain a greater understanding of gender in the Bible through the eyes of a diverse group of evangelical scholars who assert that Christians have missed the point of some scriptural stories by assuming the women in them were bad girls Did the Samaritan woman really divorce five husbands in a world where women rarely divorced even one Did Bathsheba seduce King David by bathing in the nude Was Mary Magdalene really a reformed prostitute While many have written studies of the women in the Bible this is a new kind of book one in which an international team of male and female scholars look afresh at vilified and neglected women in the Bible The result is a new glimpse into God s heart for anyone male or female who has limited social power **Stop Worrying, He Reigns** Justin Miller,2018-11-21 Stop worrying That is

easier said than done One of the greatest struggles in many of our lives is anxiety dread fear and the feeling of hopelessness In *Stop Worrying He Reigns* we take a journey through the book of Esther to discover the timeless truths regarding the sovereignty of God and its practical application for our anxious hearts and heavy souls We are compelled by a storyline where God's name is never mentioned yet he is the main character directing every piece of the story In these truths we find comfort hope and rest the strength to be bold even in dire times We learn to stop worrying for he reigns **Ezra, Nehemiah**

Thomas M. Bolin, 2016-12-01 The books of Ezra and Nehemiah relate the return of the Jewish exiles from Babylon during the rule of the early Persian kings For a long time interpretations of these two books by Christian exegetes characterized the Judaism of the post exilic age as narrow and nationalistic This interpretation led to a separation of post exilic Judaism from its pre exilic Israelite roots that allowed for a supersessionist reading of the Old Testament based on perceived deficiencies in the religious views of the post exilic era Informed by recent advances in our knowledge of the Persian Empire this commentary demonstrates that Ezra and Nehemiah offer a compelling story of a people's attempt to reassemble the fragments of their heritage as they face the future in a greatly changed world **PUT OFF THE OLD PERSON** Edward D. Andrews, 2016-09-13 *Books for College Libraries: Humanities Association of College and Research Libraries*, 1988
