change it is obvious that most Christians are ready for it The problem is that churches have tried every program available and yet they still feel that there is something missing from their ministry This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation by not realizing how desperately we need for God s Spirit to set us on fire Take a journey through the Bible and discover for yourself how God s fire is present when God is on the move Discover how God s fire reveals his character as well as our calling to be transformed into the image of Christ You will also discover how being one of God s Fire Starters can be one of the most exciting adventures of anyone s life Donald A Broadwater was born in Roanoke Virginia and spent most of his early life growing up around the Blue Ridge Mountains He graduated from Covenant College and Westminster Theological Seminary and for the past three decades Don and his family have been on an adventure that has taken them from America to Australia He is married to Gloria and has two grown children from their 37 year marriage God has unfolded a unique ministry of discipleship that has sought to encourage people to take their next step on a Journey in Jesus This ministry is needed because our journeys are as unique as God who is fashioning them for us He has also spoken for church camps and seminars which have included the international conference Fire on the Mountain on Mt Tambourine in Queensland Australia Contact him at www.journeyinjesus.com for additional information or for scheduling seminars for your ministry After the Fire, a Still Small Voice Evie

Wyld,2009-08-25 After the departure of the woman he loves Frank struggles to rebuild his life among the sugarcane and sand dunes that surround his oceanside shack Forty years earlier Leon is drafted to serve in Vietnam and finds himself suddenly confronting the same experiences that haunt his war veteran father As these two stories weave around each other each narrated in a voice as tender as it is fierce we learn what binds Frank and Leon together and what may end up keeping them apart Set in the unforgiving landscape of eastern Australia Evie Wyld s accomplished debut tackles the inescapability of the past the ineffable ties of family and the wars fought by fathers and sons **Shoutin' in the Fire** Danté Stewart,2021-10-12

A stirring meditation of being Black and learning to love in a loveless anti Black world Only once in a lifetime do we come across a writer like Dant Stewart so young and yet so masterful with the pen This work is a thing to make dungeons shake and hearts thunder Robert Jones Jr New York Times bestselling author of The Prophets In Shoutin in the Fire Dant Stewart gives breathtaking language to his reckoning with the legacy of white supremacy both the kind that hangs over our country and the kind that is internalized on a molecular level Stewart uses his personal experiences as a vehicle to reclaim and reimagine spiritual virtues like rage resilience and remembrance and explores how these virtues might function as a work of love against an unjust unloving world In 2016 Stewart was a rising leader at the predominantly white evangelical church he and his family were attending in Augusta Georgia Like many young church leaders Stewart was thrilled at the prospect of growing his voice and influence within the community and he was excited to break barriers as the church s first Black preacher But when Donald Trump began his campaign so began the unearthing Stewart started overhearing talk in the pews

comments ranging from microaggressions to outright hostility toward Black Americans As this violence began to reveal itself en masse Stewart quickly found himself isolated amid a people unraveled this community of faith became the place where he and his family now found themselves most alone This set Stewart on a journey first out of the white church and then into a liberating pursuit of faith by looking to the wisdom of the saints that have come before including James H Cone James Baldwin and Toni Morrison and by heeding the paradoxical humility of Jesus himself This sharply observed journey is an intimate meditation on coming of age in a time of terror Stewart reveals the profound faith he discovered even after experiencing the violence of the American church a faith that loves Blackness speaks truth to pain and trauma and pursues a truer realer kind of love than the kind we re taught a love that sets us free
