## **Face To Face Gay And Lesbian Clergy On Holiness And Life Together:**

Face to Face Jeffrey Heskins, 2006 We should listen with the ears of God that we may speak the word of God Dietrich Bonhoeffer once said While a lot of ink is spilled debating the place of homosexual Christians in the life of the church few people take Bonhoeffer's advice In Face to Face Jeffrey Heskins takes a step back from heated rhetoric to listen to Christians who are committed both to ordained ministry in the Anglican Church and to a life of holiness with a partner of the same sex As Heskins invites these couples to tell their stories and reflects on their experiences he raises difficult questions What does it mean to live a holy life Should the pattern for holy living be any different for gay and lesbian couples in ministry than for others Based on more than thirty hours of recorded interviews with couples all across England this volume heeds Bonhoeffer's words producing a refreshing instance of Christian hospitality listening to brothers and sisters before presuming to speak God's word to them While Face to Face will not end the controversy these human voices will speak to both sides of this explosive debate In trying to lead a holy life I think that we are responsible for trying to see the effect that it has on others even beyond the relationship It is very easy to think about the two of us but if a life together is lived in holiness it has enormous impact on those around you Female priest with partner 3 years When I first met her I was really angry with God and I found God's maleness and the patriarchy of the church all too much I stopped going to church It was my partner who helped me heal from all those open wounds and if I hadn't healed from them then I don't think that I could have found God again Female priest with partner 13 years Where there is love there is God so while living a life of Christian holiness may be difficult to quantify those who want to make pronouncements or recommendations on what constitutes holy living really do need to go and see people's lives in action It's the meeting face to face that really is transforming of opinions and attitudes Male priest with partner 32 years

Washed and Waiting Wesley Hill, 2016-09-13 Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can prove live out and celebrate the grace of Christ and the power of the Holy Spirit For many who are on this path it's a lonely one The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel centered life To those on a similar journey it's often a life of uncertainties and questions In Washed and Waiting Hill explores the three main struggles that have been part of his daily effort to live faithfully What exactly does the gospel demand of gay and lesbian Christians and how can it enable them to fulfill its commands How do Christians who experience homoerotic desires live with the loneliness such desires entail Is there any relief for it What comfort does the gospel offer Can those of us who struggle

with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs Hill offers wise counsel that is biblically faithful theologically serious and oriented to the life and practice of the church As a celibate gay Christian he gives us a glimpse of what it looks like to wrestle firsthand with God's No to same sex sexual intimacy and contemplate serious and difficult questions

Only Say the Word Alan McManus, 2012-11-30 Many good people in good faith while sympathising with the ethical and ecclesiastical situation of lesbian and gay Christians still regard homosexuality as unnatural Other good people in just as good faith defend homosexuality on grounds of personal plight and involuntary sexual orientation with private misgivings that this defence may also be applied to paedophilia This little book provides not only a useful argument for a more merciful reading of Scripture than that usually employed to condemn same sex relationships but also a philosophical analysis of the nature of nature Finding that all and only those relationships which are harmonious can be considered natural the author invites us to only say the Word that we may all be healed A former Franciscan friar Dr Alan McManus wrote his doctoral thesis *Alchemy at the Chalkface* Pirsig Pedagogy and the Metaphysics of Quality at the University of Glasgow Holding degrees in Church History Practical Theology and Religious Studies he has taught EFL at home and abroad Spanish Italian to adults and Religious Moral Philosophical Studies in comprehensive schools in Scotland He has published articles on political philosophy and WW1 remembrance in the online journal *Citizenship Social and Economics Education* He is a member of Affirmation Scotland

Lebensstil: enthaltsam.** Wesley Hill, 2020-12-22 Wesley Hill ist schwul Von seiner Teenagerzeit an fühlte er sich von Männern angezogen Doch er ist überzeugt dass Homosexualität nicht Gottes ursprünglicher schöpferischer Absicht für die Menschheit entspricht und hat sich deshalb entschieden sexuell enthaltsam zu leben In großer Offenheit und Ehrlichkeit erzählt Hill von seinen inneren Kämpfen mit Einsamkeit und Scham und von seiner Sehnsucht nach erfüllenden Beziehungen und Angenommen Sein Seine intensives Nachdenken und theologisches Reflektieren bewirken einen Perspektivwechsel der Hill auf den Weg bringt seine wahre Identität zu erkennen Doch die Frage bleibt Gibt es innerhalb der christlichen Gemeinden einen Platz für Menschen wie ihn
