Fanaticism A Worlddevouring Fire Paperback:

Fanaticism Alan Bryson,2002-01-01 Fanaticism turns the world on its head It transforms the healing prescription of a messenger of God into noxious poison In the middle of the 19th century in Persia the founder of the Baha I Faith described fanaticism as a world devouring fire He revealed a system for overcoming fanaticism which summons us to look beyond race gender religion ethnicity and nationality and see ourselves as citizens of a unified world owing our existence to a common Creator This declaration produced a fierce fanatical reaction in Persia where over 20 000 people who answered the call were brutally murdered in a wave of state sanctioned persecution Now over a century later millions have embraced this unifying vision This book will help you to understand why Especially for those concerned with the outwardly intractable conflict between Muslims Jews and Christians this book offers a beacon of light in these seemingly dark and hopeless times

Seeing the Light of World Faith Alan Bryson,2000-01-01 Throughout recorded history there are only a handful of instances wherein the founder of a world religion has appeared Over the course of centuries these spiritual leaders continue to influence the daily lives of millions of their followers and shape the unfolding of human events This book portrays the appearance of these truly unique individuals as milestones in the development of humanity and their teachings as the greatest treasure available to mankind
