Speed Reading Book J. Smith, 2010-12-28 About this Speed Reading Book How to Effectively Double Your Reading Speed and Accelerate Your Learning Abilities to the Extreme Trivia Did you know that some people can read more than a thousand words per minute as compared to an average college student who can only read between 250 and 350 wpm That's true Anyone can double their speed in reading without the fear of not being able to understand the materials being read Most people find reading rapidly difficult and risky They are afraid that as they increase the speed of reading they might not be able to grasp the idea of what they are reading That's why they have to settle with slow reading speed that makes them finish a novel over a month or worse not being able to find what they are looking for in an academic textbook for an assignment in school before the due date What they do not know is that according to studies the relationship between reading speed and comprehension is directly proportional to each other That is an increase in rate entails an increase in comprehension Want to double your reading speed and increase your understanding of the materials being read Then take a look at this speed reading book titled Speed Reading Book How to Master the Art of Speed Reading The Speed Reading Master Course Speed Reading can benefit anyone Not only will you be able to learn faster but you can also impress your friends Besides being beneficial and useful learning such skill is simple and takes only a few techniques to apply Speed reading is not only useful in reading for pleasure but is more necessary when used in learning and studying In these cases time is essential And if you can make things faster and a lot easier you're less likely to get stressed out Check out just SOME of the information you can find inside How you can get at least 80% of what you need to know in just 11-13 minutes even from the topics you're not interested in The most important part in every paragraph that should be given the most time in understanding You can learn anything by doing three important things What are they Why speed readers are considered impatient readers Why pronouncing words when reading should be avoided How speed reading is calculated The minimum length of time needed to read a block of words How the newspaper reading method is being done How to effectively avoid reading out loud to one's self The relationship of speed reading and reading comprehension The advantages and disadvantages of subvocalization Major causes of decrease in speed reading What the most rudimentary type of reading is The difference between eyesight and vision How to reduce the number of times the eyes skip back to a previous sentence How many bits of information per

second our conscious and unconscious brains take You ll be surprised at the difference How to increase information perception by 50% How to improve memory and concentration by 10% And a lot lot more Get Your Copy Today and Start Speed Reading like a Pro **Rapid Reading with a Purpose** Ben E. Johnson,1973 **Speed Reading for Success** Jane Smith,2005-05-01 Speed Reading Chief Cognitive Studies Unit Laboratory of Clinical Science Alex Martin,Àlex Martín,2015-12-08 Imagine that you have just been given the assignment of reading a book with hundreds of pages You have only two days to complete this task and produce a written report about the reading Would you be able to accomplish this in a timely and effective manner The truth is not many people are able to leverage such an accomplishment In fact it is assumed that only expert readers can do this leaving the average reader struggling to get through even a few pages of a work at a time To compensate for this researchers have long debated that speed reading or the ability to read rapidly by combining phrases and sentences all at once is the key to acquiring vast amounts of information in a shorter period of time It has also been suggested that this technique is able to improve reading comprehension when implemented effectively Today you can find several online courses and applications that train individuals on speed reading These courses aim to help readers improve their ability to comprehend materials without spending extensive time on the text A strategy such as this one is truly effective for individuals that are required to read a great deal of material Consider college students or graduate students The work load is almost certain to be overwhelming and professors are less inclined to sympathize with a student simply because she is required to read many books at a time Instead it is up to the student to develop methods and strategies that will enable him to move through the material much more quickly while still being able to grasp the information s content effectively Thus speed reading is a key element in producing these types of results This is not to say that this concept is widely accepted among all those who have studied this phenomenon As you will learn in this book as well as throughout your continued study of speed reading there are many researchers who believe that speed reading is ineffective in its ability to help a person retain information For many experts those who oppose speed reading are considered to be old fashioned myth based researchers who have not fully understood the positive effects of speed reading To these individuals the ones that oppose speed reading the reader can and will miss important details that are often grasped by those who take their time in reading a text Theoretically it would be impossible for a reader to comprehend the material effectively if time is not taken to focus or fixate on each word This idea however could not be further from the truth In fact there is substantial evidence to validate that one s inability to speed read greatly hinders his progress in acquiring the information presented in a text Quintessentially and for the sake of this book we will explore the many benefits of speed reading and will discuss various strategies that one can use to improve reading comprehension and completion **Instant Speed Reading** The INSTANT-Series,2014-11-03 The Instant Series Presents Instant Speed Reading How to Read Faster Instantly How fast can you read Not very fast right Or at least not as fast as you would like otherwise you wouldn t be reading this Now how about if you can increase your reading

speed by 5 or even 10 times faster than you read now guarantee What does that mean Imagine 5x the things you can read through faster and have 5x more time for other things 5x the studying you can get through and have 5x better grades 5x the work you can get done and have 5x more respect at work 5x the types of reading you love you can escape to and have 5x more enjoyment 5x the information you can acquire and have 5x more knowledge and skills to impress people with your intelligence The traditional way you were taught to read in school and by others are ineffective and slow you down making the process and experience boring and unbearable No wonder why we don't have more people who like to read preferring the tube over the pages or watching the screen over reading the screen With the digital age ever exploding there are more and more stuffs to read coming out every second from the internet to our computer tablets and mobile devices and even on paper Reading fast is a must if you want to be able to keep up Within Instant Speed Reading How to train your eyes with advanced reading techniques to take your reading speed to a whole new level How to speed read using peripheral reading physical rhythmic reading and bouncing eyeballs movement How to absorb huge amount of information at once when you need it last minute like for presentations speeches or rehearsals How to read with laser focus in chaotic noisy environments with tons of distractions like on fast paced jobs or crowded places How to use the PRAM approach to better enjoy all your reading types to not only make you a faster reader but a far more effective reader Plus custom practical how to strategies techniques applications and exercises to improve reading speed and skills and much more The question now is do you want to read faster and better or not The choice is yours Accelerate your reading speed with Instant Speed Reading *How to Speed Read : an Easy to Follow Method for Self-improvement in Reading Skills* Charles A.
